Prof. Sante de Sanctis.

Dear Sir,

In reply to your letter of 24th inst. We have pleasure in enclosing herein our cheque for £15, covering the rights of translation into English (with the American market) of your "Conversione Religiosa". We are asking Mr. Ogden with reference to the proofs, and feel sure he will have no objection to your seeing them before the book is printed off. We will write you further on this point after we have seen Mr. Ogden. We shall put the translation of the work in hand at once and get the volume onto the market as soon as possible.

Yours faithfully,

KEGAN PAUL, TRENCH, TRUBNER & Co., Ltd.
