

“Measure for measure”

Giovanni Giorgi and the Milestone IEEE system

Unveil of the plaque by the Rector

December 15th, 2021

Programme

MKSΩ

Faculty of Engineering, S. Pietro in Vincoli

11:30 a.m.

Opening

Institutional Greetings

Antonella Polimeni, Rector

Antonio D'Andrea, Dean of the Faculty of Civil and Industrial Engineering

Antonio Luque, Director of Region 8 of the IEEE, Universidad Politécnica de Madrid

Sergio Rapuano, President of the Italy Section of the IEEE, University of Sannio

12:00 p.m.

Scientific Session

Chair:

Prof. Fabrizio Frezza (DIET), Milestone Proposer

Prof. Francescaromana Maradei (DIAEE), Past President IEEE-EMC Society

Antonio Savini, Incoming IEEE History Committee Chair, University of Pavia

“A new IEEE Milestone acknowledges a turning point in the definition of the system of units”

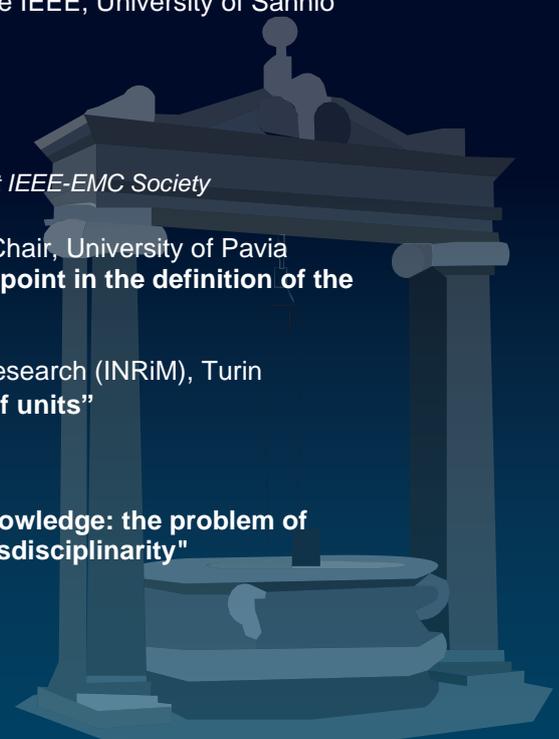

Luca Callegaro, National Institute of Metrological Research (INRiM), Turin

“Giovanni Giorgi and the International System of units”

Nunzio Allocca, Department of Philosophy

“Engineering and Physics as construction of knowledge: the problem of measurement and Giovanni Giorgi's way to transdisciplinarity”

LUNCH BREAK

“Measure for measure”

Giovanni Giorgi and the Milestone IEEE system

Unveil of the plaque by the Dean of the Galileo Galilei Technical Institute

December 15th, 2021

Programme

Galileo Galilei Technical Institute

MKSΩ

3:00 p.m.

Institutional Greetings

Elisabetta Giustini, Dean of the Galileo Galilei Technical Institute

Susan K. Land, IEEE President & CEO

Antonio Luque, Director of Region 8 of the IEEE, Universidad Politécnica de Madrid

Sergio Rapuano, President of the Italy Section of the IEEE, University of Sannio

3:30 p.m.

Scientific Session

Chair:

Prof. Fabrizio Frezza (DIET), Milestone Proposer

Prof. Emanuele Piuze (DIET)

Prof. Carmine Taraborrelli (Galileo Galilei Technical Institute)

Nunzio Allocca, Department of Philosophy

"Giovanni Giorgi and the problem of units of measurement in the history of science and techniques"

Antonietta Angelica Zucconi, Sapienza Librarian

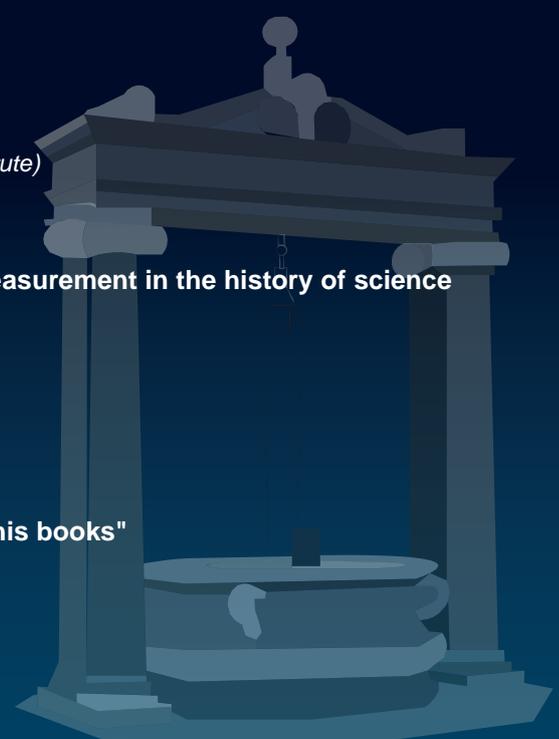

"Author's Libraries"

Chiara Carlucci, "Vincenzo Saba" Library, INAPP

"The library of a scientist: Giovanni Giorgi and his books"

Valerio Parisi, Department of Physics

"Man is the measure of all things"
