

### Paul's report

When I \_\_\_ met Sophie, I couldn't believe my eyes. She was amazing – the best-looking woman I've ever met. I thought she looked \_\_\_ a model. She  
5 looked very fashionable, even glamorous, in a short black dress, so I was really glad I'd \_\_\_ my best suit on. I fancied her straight away and I think she found me attractive too.

10 I felt a bit embarrassed at \_\_\_, but after a few drinks we started chatting, and then I felt more relaxed. I don't think we've really got the \_\_\_ sense of humour – Sophie is actually quite serious and rather difficult to  
15 get to know. She wasn't very talkative and she didn't \_\_\_ me much about herself. But I think she liked my jokes.

I really enjoyed the meal and the service was excellent. The waitress was very  
20 helpful, and I \_\_\_ her a generous tip. I'll definitely go back to that restaurant again.

Sophie got tired towards the end of the meal. I wanted to go dancing, but she said she \_\_\_ to get up early the \_\_\_ day, so I  
25 got her a taxi.

I think the evening \_\_\_ very well and I'm looking forward to seeing her again. She \_\_\_ she's busy for the next three months, but I'll call her then and hopefully,  
30 something will happen between us.

Something funny happened when I said \_\_\_ to her – she called me John.

### Sophie's report

Paul didn't look like his photograph – I think it must be an old one. His hair was shorter, and he was \_\_\_ rather \_\_\_ clothes – a sort of stripey suit with  
5 a pink shirt. At first, I thought he was wearing his pyjamas. Anyway, I thought he \_\_\_ kind and friendly and he had a nice smile, but I \_\_\_ didn't fancy him!

10 He's very talkative. In fact, I didn't get a \_\_\_ to say anything really. He laughed a lot at his own jokes too. At first, I \_\_\_ he was really funny, but \_\_\_ I got a bit tired of his jokes and I wanted to  
15 talk about more serious things – you know, \_\_\_ to know him a bit better. \_\_\_ the meal, Paul paid a lot of attention to the waitress. That really put me off him and put me in a bad \_\_\_.  
20 When I get \_\_\_, I go very quiet so I didn't talk very much for the rest of the evening and I was glad when the meal \_\_\_ finished. It was a miserable evening. I couldn't wait to get a taxi and go home. I  
25 \_\_\_ one thing, though – I'm never going on a blind date \_\_\_!
