

### *Race In Britain Today*

- 1) In Britain people are generally ...
  - a) proud of the police.
  - b) proud of relations between ethnic groups.
  - c) proud of their ability to discuss racial problems.
  - d) proud of their ethnic origins.
  
- 2) In the Stephen Lawrence case the police ...
  - a) moved too fast.
  - b) used a video of a white man eliminating evidence.
  - c) did not do what they should have done.
  - d) managed to prove the 5 white men were guilty.
  
- 3) The second video of the men in custody showed ....
  - a) that they were guilty.
  - b) that they tended to be aggressive with ethnic minorities.
  - c) how they had planned to stab Stephen Lawrence.
  - d) what they had said before the murder.
  
- 4) These men .....
  - a) can't be tried again.
  - b) will be tried again.
  - c) have been tried again.
  - d) may be tried again.
  
- 5) The Macpherson Report said that the police ....
  - a) treated ethnic minorities like other groups.
  - b) did not approve of the behaviour or attitudes of ethnic minorities.
  - c) openly discriminated against ethnic minorities.
  - d) did not always act justly towards ethnic minorities.
  
- 6) According to the report, in Britain it is more probable that a black person ....
  - a) will commit a crime than a white person.
  - b) will join the police than a white man.
  - c) will be arrested and tried than a white person.
  - d) will get a lighter sentence than a white man.
  
- 7) The police have now introduced measures to ....
  - a) teach policemen to be more conscious of race problems.
  - b) make race crimes easier.
  - c) recruit rappers into the police force.
  - d) sack all racist policemen immediately.
