

Dear students, please find below the results of the second assessment and the final mark. If the final mark is LESS than 18, the exam is NOT PASSED; this means that you have to take the WHOLE exam in one of the next sessions, starting from January 17th (calendary on Infostud). Students who are satisfied with their mark, have to REGISTER on Infostud for one of the exams from January on, and COME TO REGISTER the exam in the day the chose. Students who are NOT SATISFIED with their mark (if more than 18) can write me an email to do the oral exam on Wednesday and Thursday (francesca.iandolo@uniroma1.it).
