

Dear students,

please find below the results of the exam held on December 18th.

a) students who want to confirm their mark have to register on Infostud for the exam date of January 22nd. Time and class will be communicated in the next days on Professor Barile's personal page;

b) students that won't be present (because not in Italy) on January 22nd can send an email to [pietro.vito@uniroma1.it](mailto:pietro.vito@uniroma1.it) and say that they accept the mark and authorize Prof. Barile to register their mark;

c) students who are not satisfied with their mark can do the written exam again, on January 22nd or on any of the other planned dates (calendar on Infostud). They are not asked to write emails, they can simply do the exam again;

d) students that don't find their matricula in the list below didn't pass the exam, this means that they have to do the written exam again, on January 22nd or on any of the other planned dates (calendar on Infostud);

e) students that didn't write/don't have matricula are listed with their names and surnames;

f) the exam of Innovation and organization of companies can be done within 3 different curricula; we cannot give students answer about which one each student has to book; in case of doubts, please ask the secretary.
