

Dear Student,

are you ready to get your Student card?

-Login in your **Infostud** profile at <https://www.uniroma1.it/it/pagina-strutturale/studenti> and go first to *Profilo* and then to *Documenti personali e foto*.

Please note that you do not need to click on **card studente** otherwise you will find this screenshot. In this case do not worry, it is normal, you are a special student, an exchange one!

-Upload your Identity card or passport and your Photo. File name is very important: no accents or apostrophes. The only "special" character allowed is the "underscore" (_).

-Click on: *Students identification procedures – online exams*, check the schedule and call via Skype to the *Segreteria studenti* at the address you find on the page

Remember to show the Identity Card or the Passport you uploaded on your Infostud profile!

Example:

Once you have been identified you can download **SapienzApp** available for [Android](#) and [Apple](#) and get your virtual Student Card!

Remember that the student card will allow you to:

- Identify yourself as a Sapienza student and take advantages of official discounts and special offers provided by the university or third parties;
- Access university services such as the 24H Reading Rooms.

Done?

Well done!!
