Personal information

First name(s) / Surname(s)	OmbrettaTurriziani
Address(es)	Department of Molecular Medicine, viale dell'Università 31, 00185 Rome, Italy
Telephone(s)	+39 0649974298/0649974222
Fax(es)	+39 0649974296
E-mail	ombretta.turriziani@uniroma1.it
Nationality	Italian
Gender	female
Occupational field	(MED/07)
Work experience	
Dates	January 2005-onwards
Occupation or position held	Associate Professor of Virology
Main activities and responsibilities	Lecturer in several graduate courses Research activity in HIV field Chief of a research group
Name and address of employer	Sapienza, University of Rome, P.le A. Moro 5, 00185 Rome, Italy
Dates	1994-2004
Occupation or position held	Leadership laboratory at Virology section of the Dept. of Experimental Medicine and Pathology, Research activity

	<p>Health officer at the laboratory of virology Sapienza, University of Rome, P.le A. Moro 5, 00185 Rome, Italy</p>																								
Dates Occupation or position held Main activities and responsibilities	<p>1990-1994 PhD student at the Institute of Virology Working in a research team to carry out the doctoral thesis 02.02.1993 to 26.03.1993 Visiting scientist in the "Molecular Virology Group of the Department Pharmaceutical Research New Technologies, Biology"-Hoffmann -La Roche, Basel, Switzerland.</p>																								
Name and address of employer	"La Sapienza" University of Rome, P.le A. Moro 5, 00185 Rome, Italy																								
Dates Occupation or position held Main activities and responsibilities	<p>1988-1991 Student, at the Institute of Virology Working in a research team to carry out the experimental thesis for the degree in Biological science</p>																								
Name and address of employer	"La Sapienza" University of Rome, P.le A. Moro 5, 00185 Rome, Italy																								
Education and training																									
Dates Title of qualification awarded Name and type of organisation providing education and training	<p>2002 Specialization in Microbiology and Virology "La Sapienza" University of Rome, P.le A. Moro 5, 00185 Rome, Italy</p>																								
Dates Title of qualification awarded Name and type of organisation providing education and training	<p>1994 PhD in Immunobiology of viruses University of Pisa, Via san Zeno 35/39, Pisa- "La Sapienza" University of Rome, P.le A. Moro 5, Rome, Italy</p>																								
Dates Title of qualification awarded	<p>1989 Bachelor of Biological Science "La Sapienza" University of Rome, P.le A. Moro 5, Rome, Italy</p>																								
Personal skills and competences																									
Mother tongue(s)	Italian																								
Other language(s)																									
Self-assessment

Teaching	<p>2004/2005-present Professor of Molecular Virology at the Medical Biootechnology course., Sapienza,University of Rome. (course coordinator)</p> <p>2010/2011- present Professor of Virology , at the 1st Medical School of Sapienza- University of Rome</p> <p>2004/2005-present Professor of Diagnostic Methodology in Virology at the school for Technicians Sapienza, University of Rome (course coordinator)</p> <p>2004/2005-present. Professor of Microbiology at the school for Diagnostic Techniques, Sapienza, University of Rome . (course coordinator)</p> <p>2012/2013 –present. Professor of Microbiology at the Nursing School, Sapienza.University of Rome</p> <p>2012-present. Teaching body PhD course in Life Science</p>
Receiving	Tuesday 10:00-12:00 am
Grants	<p>1999: UNESCO-CNR-Project title “Cellular factors involved in the induction of resistance to antiretroviral treatment of HIV-1 infection”.</p> <p>2000: Programma Nazionale sull'AIDS- Progetto Patologia clinica e terapia dell'AIDS- Azione concertata per studi clinici coordinati, ISS. Project title “Resistenza ai farmaci antiretrovirali”.</p> <p>2005: Programmi di Ricerca Scientifica di Rilevante Interesse Nazionale (PRIN). Principal investigator: Project title "Studio dei fattori cellulari responsabili di resistenza agli antiretrovirali"</p> <p>2011: Ricerche Universitarie, Principal investigator, Project title: “Studio delle varianti farmacoresistenti di HIV-1 nei diversi distretti anatomici”</p> <p>2015: Fellowship Program 2015 (Gilead). Principal investigator, project title: Analisi del “Viral burden”, HIV-DNA, viremia residua e di marcatori sistemicci dell’ immunoattivazione/infiammazione in donne HIV positive in trattamento antiretrovirale: significato prognostico e confronto con una popolazione maschile.</p> <p>2015: Programmi di Ricerca Scientifica di Rilevante Interesse Nazionale (PRIN). Scientific coordinator of Research Unit 7 (RU7), Project title “Persistent and latent viral infections: mechanisms controlling viral reactivation/replication and chronic/degenerative damages.</p> <p>2015-2016. Member of Research Committee of Sapienza University of Rome:</p>
