|      |   |               |
|------|---|---------------|
| 1981 | Clinical Psychologist, California<br>(currently inactive) | Number PJ6876 |
| 1994 | Clinical Psychologist, Massachusetts                      | Number 6766   |
| 1998 | Clinical Psychologist, New York                           | Number 13577  |

**PROFESSIONAL EXPERIENCE**

7/1/94 - present                    **Critical Incident Recovery Resources, Inc.**

Position:                            Director

*I provide psychological services, consultation, training programs, and peer support workshops. Professional activities include:*

**1) Senior Faculty, EMDR Institute**

*I provide Weekend 1 and 2 training in Eye Movement Desensitization and Reprocessing nationally and internationally. I also provide advance workshops on the "Art of EMDR", complex trauma(Structural Dissociation) and EMDR therapy, grief and mourning, crisis intervention, and building resilience. I am also an EMDRIA certified therapist, consultant and trainer, and an EMDR Europe certified trainer. I have taught EMDR workshops across the United States, in Australia, Belgium, Denmark, England Finland, France, Iceland India, Ireland, Israel, Italy, Kenya, Kuwait, The Netherlands, Northern Ireland, Norway, Sweden, Scotland, Turkey, and The Ukraine.*

**2) United States Senate**

*I consult with the Employee Assistance Program to provide assessment and referral services (including EMDR) three to five days a month. I also provide training and consultation to the Senate community.*

**3) ) National Aeronautics and Space Administration (NASA)**

*Since January 2002 I have provided training in critical Incident stress management and provided psychological Services following the loss of the space shuttle Columbia and Hurricane Katrina.*

**4) South Carolina Department of Public Safety**

*As Police Psychologist for the S.C. Department of Public Safety and Clinical Director for the Post Critical Incident Seminar I provide workshops for law enforcement officers involved in critical incidents, survivors of State Troopers killed in the line of duty, and survivors of people killed on the South Carolina highways (as part of the support group Families of Highway Fatalities).*

*I also am Clinical Director of the Post-Deployment Seminar, for returning war veterans (provided to South Carolina National Guard.*

**5) *United States Federal Bureau of Investigation***

*I have consulted with the FBI since 1982. I have provided training to the FBI's Advanced Peer Support Team, EAP, the National Academy, and the Hostage Rescue Team. I have provided psychological services to agents After critical incidents and participated in the Post Critical Incident Seminar.*

**6) *Department of Justice, US Attorneys Office***

*I have provided services to personnel after the WTC attack and the Oklahoma City bombing, and provided training to the critical incident team.*

**7) *US State Department, Diplomatic Security***

*I have provided consultation and training to the trauma Program, and provided consultation after the WTC attack.*

**8) *Department of Labor***

*I have provided consultation and training to the trauma Program, and services to several DOL agencies after the 9/11 WTC attacks.*

**9) *Bureau of Alcohol, Tobacco, and Firearms***

*I have provided critical incident peer support training and services following critical incidents.*

10) ***International Critical Incident Stress Foundation***

I am on the "Train the trainer" faculty of ICISF and am Certified to teach the Basic Critical Incident Stress Management Course.

12) ***Railroad Consultation***

I have consulted with Via Rail Canada since 4/95 to train critical incident peer support teams and provide services following critical incidents. I provide similar training to Alaska Railroad.

From 1989 to 1993, I consulted with Union Pacific Railroad's critical incident peer support program providing training and services to over 1000 railroad personnel involved in traumatic incidents.

13) ***Trauma consultation, law enforcement and emergency services***

I have consulted with numerous municipal, county, state, and federal agencies on critical incident programs, and have provided psychological services after traumatic incidents (including the Sept 11 attacks Oklahoma City bombing, loss of the Shuttle Columbia, Hurricane Katrina).

14) ***Buffalo Center for Trauma and Loss***

I am the co-director of a center specializing in the treatment of acute trauma, complex trauma, and grief and bereavement issues.
