 Gender M | Date of birth 10/03/1990 | Citizenship Italian

CURRENT POSITION

Phd student at University of Rome 'Sapienza' (first year)

UNDERGRADUATE EDUCATION

- 01/11/2012–22/09/2014 **'Diploma di Laurea' in Mathematics**  
 University of Rome 'Sapienza', Rome (Italy)  
 110/110 cum laude  
 Master thesis entitled: 'Model categories and derived endomorphisms of quasi-coherent sheaves'.  
 Advisor: prof. Marco Manetti.
- 01/10/2009–19/12/2012 **'Diploma di Laurea Triennale' in Mathematics**  
 University of Rome 'Sapienza', Rome (Italy)  
 110/110 cum laude  
 Thesis entitled: 'Supersymmetry and Morse Theory'. Advisor: Domenico Fiorenza.
- 01/09/2004–13/07/2009 **'Diploma di maturità'**  
 'Liceo scientifico I. Newton', Rome (Italy)  
 100/100

LANGUAGES

Italian (native), English (fluent)

SEMINARS

- Seminar for the Phd course 'Derived categories, model categories and cohomology' at University of Rome 'Sapienza': 'Anderson-Brown-Cisinski (co)fibration categories', 27/01/2015. <http://www1.mat.uniroma1.it/people/manetti/AGA/aga14.html>
- Seminar for the Phd course 'Derived categories, model categories and cohomology' at University of Rome 'Sapienza': 'Total derived functors, the functor  $R\text{Hom}(X,-)$ , Ext as morphisms in the derived category', 25/11/2014. <http://www1.mat.uniroma1.it/people/manetti/AGA/aga14.html>
- Seminar for the course 'Geometria Superiore', 2013, at University of Rome 'Sapienza': 'Teoria di Hodge e di Dolbeault'. <http://www1.mat.uniroma1.it/people/piccinni/geometria-superiore-1213/Esercizi.html>

## FELLOWSHIPS AND AWARDS

- Winner of the 'bando n.16/2014' at University of Rome 'Sapienza' for integrating didactic activities (02/03/2015 - 01/09/2015).
- 'Percorso d'eccellenza' for the 'Laurea Magistrale' in Mathematics (2014).
- 'Percorso d'eccellenza' for the 'Laurea Triennale' in Mathematics (2012/2013).
- 'Borsa di Collaborazione Laboratorio e Centro di Calcolo' at University of Rome 'Sapienza' (2010/2011).
- 'Borsa di Collaborazione Biblioteca' at University of Rome 'Sapienza' (2009/2010).
- Winner of the competition for the university taxes for the first year of 'Laurea Triennale' in Mathematics (19/03/2009).
- Participant to the finals of the 'Olimpiadi della Matematica' in Cesenatico (2008 and 2009).
