CALL FOR PAPERS

Issue 2021

The *Annals of the Department of Methods and Models for Economics, Territory and Finance (MEMOTEF)*, of Sapienza University of Rome, is planning its next online issue for the year 2021.

The *Annals of MEMOTEF* is an open access refereed journal edited by Sapienza University Press (SUE). It is classified among the 'CLASS A' journals for Geography (Area CUN 11) by ANVUR, and it is included in the list of scientific journals for the disciplines in "Area CUN 13" and "AREA CUN 10".

The main objective is to provide an intellectual platform for national and international scholars, bringing together studies and conceptual frameworks which report research and themes of international relevance, in the form of:

- high quality empirical and theoretical research papers (maximum 7000 words, with double-blind peer review process);
- notes for discussion (maximum 3500 words, with a review provided by the Editorial Committee);
- books review and comments.

The *Annals of MEMOTEF* welcome cutting – edge research articles for its next volume 2021 related to the following research disciplines, which reflect the interdisciplinary nature and advanced scientific research context of the Department:

- Probability and Statistical Theory
- Economic Statistics
- Mathematical and Computational Models for Economics, Finance and Insurance
- Business Administration and Management
- Social Research, Population and Policy Analysis

- Linguistic analysis of specialized texts (academic, institutional, professional), interdisciplinary discourse studies, socio-cultural aspects in language use, comparative genre analysis, specialized translation
- Methods and models for research in the fields of Historical Economics and Economic History
- Economic and Human Geography

Proposals can be submitted at any time of the year.

Submission process: please send your paper to the following email addresses:

annalimemotef@uniroma1.it

cristina.giudici@uniroma1.it

giuseppina.guagnano@uniroma1.it

The papers, notes and books reviews can be submitted in any language. If author submits in a language other than her/his mother-tongue, then the Author (s) is strongly advised to have the work carefully checked by a native speaker.

When ready, the manuscripts will be published on-line first at <https://web.uniroma1.it/memotef/annali-memotef>, as soon as the revision process is complete and the paper has full acceptance; while the printed version of *Annals of Memotef* will appear at the end of the current year.
