

MASTER DEGREE IN FINANCE AND INSURANCE

1. GENERAL PROCEDURES TO ACQUIRE 3 CFU/ECTS of “Further knowledge for placement on the job market (art. 10, comma 5, letter d – M.D. 270/04)”.

The abovementioned 3 CFU/ECTS that pertain to “Further knowledge for placement on the job market” must be acquired according to the following way:

Curricular Internship activated through the University JobSoul Portal.

Internship within the Erasmus Program: The student will deliver to the Academic Office (https://web.uniroma1.it/fac_economia/internationalization) the documentation related to the Erasmus internship before his/her departure, together with its request of certification. After the internship has been completed, the student will handle to the Academic Office all the documentation that proves the internship has been actually carried out.

As a possible alternative, students may attend specific seminars that could be organized by the master degree during the entire academic year with a final test.

NB. The FINANCE AND INSURANCE program course is the uniform for all the enrolled students, therefore it does not envisage any *ad personam* exception, according to any status of full time worker or other personal conditions (e.g. place of residence; familiar status). For example, internships or other working contracts, autonomously activated by the students, will not be considered valid for the purpose of acquiring the 3 CFU/ECTS.

2. HOW TO REGISTER CREDITS

Each student must remember after passing the test, that may request the registration of the 3 cfu credits using the format (<https://web.uniroma1.it/memotef/corso-di-laurea-magistrale-finanza-e-assicurazioni-finass>) filled in and complete with all the required information. The students must send the modulo to gabriele.jori@uniroma1.it
After checking, the Administrative Office will send the certificate for the registration of credits to Prof. Massimiliano Frezza.

Registration of the credits will take place in accordance with the structure of the Study Course.
