

Examination Date: September 13, 2023

Important info:

- All students that are not required to take the oral examination should confirm by email their intention to accept or not the final mark. If I don't receive your confirmation, I will assume you agree.
- Students required to take the oral examination should get in touch by email to confirm the date (between Sept 14 and Sept 18).
- All students are invited to view their corrections *in person* (not online) during Wednesday's office hours (in September).
