

European Brain Research Institute
Rita Levi-Montalcini

SEMINAR

Tuesday, 18 June 2019
12:00 pm

Prof. Paolo Carloni

*Director of Computational Biomedicine
Institute of Neuroscience and Medicine
Jülich Research Center*

Title:

“Investigating key molecular events for neuronal function and dysfunction by high-performance-computing-based simulations”

Venue:

**Aula S. Sergi
Università Sapienza, Roma**
