

SECOND SEMESTER 2021/2022 (March 1 - June 10, 2022)

Lecture room 1

	MON	TUE	WED	THU	FRI
9-10					Satellite remote sensing
10-11					Satellite remote sensing
11-12		Optim. contr. flight mech.	Fund. nuclear engineering		Electrical power systems
12-13	Fund. nuclear engineering	Optim. contr. flight mech.	Fund. nuclear engineering		
13-14	Fund. nuclear engineering	Optim. contr. flight mech.	Fund. nuclear engineering		
15-16					
16-17					
17-18	Radar systems for astron.		Radar systems for astron.		
18-19	Radar systems for astron.	Radar systems for astron.	Radar systems for astron.		

Lecture room 2

	MON	TUE	WED	THU	FRI
9-10	Satellite remote sensing	Attitude dynam. deter. ctrl.	Satellite remote sensing	Attitude dynam. deter. ctrl.	
10-11	Satellite remote sensing	Attitude dynam. deter. ctrl.	Satellite remote sensing	Attitude dynam. deter. ctrl.	
11-12	Satellite remote sensing	Attitude dynam. deter. ctrl.	Spacecraft control	Orbit detemination	
12-13	Orbit detemination	Electrical power systems	Spacecraft control		
13-14	Orbit detemination	Electrical power systems	Spacecraft control		
15-16	Spacecraft control		Orbit detemination		
16-17	Spacecraft control		Orbit detemination		
17-18		Electr. space telec. syst.	Electrical power systems	Electr. space telec. syst.	
18-19			Electrical power systems	Electr. space telec. syst.	

Lecture room 3

	MON	TUE	WED	THU	FRI
9-10		Model. flexible launchers			
10-11		Model. flexible launchers	Space debris detect. rem.	Model. flexible launchers	Model. flexible launchers
11-12	Low thrust propulsion	Space technology	Space debris detect. rem.	Model. flexible launchers	Space debris detect. rem.
12-13	Low thrust propulsion	Space technology	Low thrust propulsion	Space technology	Space debris detect. rem.
13-14	Low thrust propulsion	Space technology	Low thrust propulsion	Space technology	Space debris detect. rem.
15-16	Law in space activity	Adv. topics aerosp. eng.	Law in space activity	Adv. topics aerosp. eng.	Adv. topics aerosp. eng.
16-17	Law in space activity	Adv. topics aerosp. eng.	Law in space activity	Adv. topics aerosp. eng.	Adv. topics aerosp. eng.
17-18	Formation flying	Formation flying	Formation flying	Adv. topics aerosp. eng.	Electr. space telec. syst.
18-19	Formation flying	Formation flying		Law in space activity	Electr. space telec. syst.

	first year mandatory		second year mandatory
	first year optional (3 courses out of 7)		second year optional (1 course out of 4)
			second year optional (1 course out of 12)
