Venerdì 10 Maggio 2019, ore 11:00-13:00,

Aula 12, Facoltà di Medicina e Psicologia, Via dei Marsi 78

Professor Maria Kovacs

Maria Kovacs is a Distinguished Professor of Psychiatry at the **University of Pittsburgh School of Medicine**. She is a fellow of the **Association for Psychological Science**. She received the 2013 **Paul Hoch Award** from the American Psychopathological Association in recognition of her research into psychopathology. In 2003, Kovacs was included in the **ISI Highly Cited** database. She published the Children's Depression Inventory and its revised version the **Children's Depression Inventory - 2** (2015), that is a widely used and accepted assessment for the severity of depressive symptoms in children and youth.
