Act N. n. 13/2019

Prot. 0000406 of 04/02/2019

ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for single-cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtains the “Erasmus Student” status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad](#)."

ART.1.2 PARTICIPATING COUNTRIES

For Academic Year 2019-20, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

ART. 1.3 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it **does not receive any EU funding** either for incoming or outgoing mobilities.

In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme, Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3.6 “Grant”).

Students applying to Swiss universities must satisfy all the requirements described in this call (see Art. 2. *Requirements and Application Procedures, Language Requirements, Selection Procedures and Incompatibility*).

ART. 1.4 MOBILITÀ STRUTTURATA PER DOPPIA LAUREA

Double and Joint Degree Programmes allow students to study abroad and attend courses that will lead to both an Italian and foreign degree of the same level. Further information is available at: <https://www.uniroma1.it/it/pagina/doppia-laurea-e-titoli-congiunti>.

Admission requirements, which are established by agreements, vary based on country, academic year and academic requisites. Moreover, the agreements regulate the length of the mobility period, the study programme and the recognition of academic activities conducted abroad, as well as the number of available places.

Students are allowed to integrate records on Infostud with credits awarded for “Further formative activities”, not registered on Infostud yet, but certified by Educational Affairs Offices of the Degree Programmes (the certificate must be requested by the student and uploaded with online Application submission).

ART. 2.3.2 LANGUAGE REQUIREMENTS

Students applying to the Erasmus+ 2019-20 Call must have a minimum **B1*** language level Common European Framework of Reference (<https://europass.cedefop.europa.eu/it/resources/european-language-levels-cefr>).

If the applicant is selected, he/she will have to provide proof of the **minimum language level (or that required by the host university)** either with a **certification** (IELTS, DELF, PLE, etc.) or by taking a test at the **Sapienza Language Centre – Centro Linguistico di Ateneo** (see below). **Students must ascertain the requirements established by their host university for an Erasmus+ mobility period, as described in Art. 4.**

If a candidate does not have any of these certifications, he/she will have to provide a self-certification for their language level. **Students providing self-certifications will be assessed through a test** during the selection procedure for the following languages: English, French, Portuguese, Spanish and German. The tests will be held at the Sapienza Language Centre – Centro Linguistico di Ateneo **after the call has been closed. The test results will be used to assess student’s final ranking or exclude him/her from ranking.**

Students can take tests for a **maximum of two languages and not more than once for each language**. Students can choose which language test to take for host universities in countries that accept two languages. Students must register on-line for tests at the Sapienza Language Centre – Centro Linguistico di Ateneo. The link will be provided only to students who must take the test.

If the **test score is inferior to the minimum level required** by the host university, the **candidate will not be considered eligible**. **Students may not take the test again.**

Please Note: self-certifications must declare the true language level of the candidate. We recommend you verify this through the many free language tests that are available on-line.

If the test score is equal to or greater than the level required by the call selection process, but **inferior to the minimum level required by the host university, the student will be obliged to attend a language course at the Sapienza Language Centre – Centro Linguistico di Ateneo (CLA)**. In any case, the student is responsible for reaching the language level required by the host university before departure.

As an example: most Dutch universities requires a TOEFL Certificate, while British universities require a IELTS Certificate. Erasmus+ students must provide these certifications together with the other documentation required by these universities before departure. Students who are assigned a mobility period at one of these universities must hold said certificates within the deadlines indicated by the foreign universities.

ART. 2.3.3 EXEMPTION FROM LANGUAGE TESTS

Students who satisfy one of the following conditions are exempted from language tests:

- Students with an official certificate issued by one of the language centres recognised by the Common European Framework of Reference for Languages and integrated by a language certification for Portuguese (Attachment 3).
- Students enrolled in degree programmes held in English. These students will have to present a valid certification (or take the test) if they apply for a university that does not require English as the language.

ART. 3. GRANTS AND FINANCIAL BENEFITS

ART. 3.1 GENERAL ASPECTS

Grants for mobility are assigned exclusively for academic activities abroad (see Art. 5 “Activities Abroad and Learning Agreement”) for a minimum period of 3 months (90 days) and a maximum period of 12 months during the “Erasmus Year”: **01/06/2019 - 30/09/2020**.

Grants are provided by funding from the European Commission and integrated by MIUR (*Fondo Giovani*) and Sapienza funding. They are considered as a contribution to expenses abroad and are limited to the academic activities authorised before leaving.

In order to receive their mobility grants, students must sign, **before their departure**, the financial contract that is available on selected students’ personal web page and follow all the directions provided upon acceptance of the mobility period.

Moreover, Erasmus+ grants are directly connected to studies and/or other academic activities conducted at foreign universities that have been previously authorised by the Academic Programme Coordinator (RAM) as described in Art. 6.4 “Learning Agreement”). Therefore, students who do not obtain the recognition of at least **3 CFUs** by the end of their mobility period **will be required to partially or fully refund the MIUR grant**. This does not apply to PhD and Specialisation School students.

ART. 3.2 EU GRANTS

The EU Erasmus+ grant 2019-20 is based on the cost of living in the destination country. Mobility grants are defined at the national level and amount to:

- **Group 1 Countries** (Programme Countries with high living costs): Denmark, Finland, Iceland, Ireland, Lichtenstein, Luxembourg, Norway, Sweden, United Kingdom **300,00 €/month**.
- **Group 2 and 3 Countries** (Programme Countries with medium living costs): Austria, Belgium, Germany, France, Italy, Greece, Spain, Cyprus, Netherlands, Malta, Portugal, Bulgaria, Croatia, Czech Republic, Estonia, Latvia, Lithuania, Hungary, Poland, Romania, Slovakia, Slovenia, Former Yugoslav Republic of Macedonia, Turkey, Serbia: **250,00 €/month**.

The actual grant will be calculated on the effective days of the mobility period as certified by the host university in the certificate of attendance.

Erasmus grants are incompatible with grants from other programmes/actions funded by the European Union.

In the case that EU funds are depleted, or should students receive other university or EU grants, or if students do not require funding, the students may receive an “**Erasmus-Zero-EU-Grant**” status that will allow them to enjoy the benefits of the mobility period, but without receiving an EU grant.

All Erasmus+ grants are however subject to the approval of Erasmus activities/funding, proposed by Sapienza for the Academic Year 2019-20 by Indire - the National Agency for Erasmus+.

ART. 3.3. MIUR AND SAPIENZA FUNDING

European grants for mobility periods (Art.3.2) are integrated by the following funds:

- **MIUR** Grants (Fondo Giovani);
- **Sapienza** Grants.

The MIUR “Fondo Giovani” Grant varies based on the ISEE Form for University Welfare Services (related to academic year 2018-2019). **Both forms of additional funding are only allocated to students, who during the mobility period are not more than one year “fuori corso.”**

Therefore, Sapienza (Board of Administrators Resolution N. 485/18 – 18/12/2018) has established the following monthly payments (including the EU Grant based on destination country):

ISEE Beneficiary	Grant/Month
ISEE < 13.000	€ 900-850,00
13.000 - 21.000	€ 850-800,00

40.000 - 50.000	€ 550-500,00
ISEE > 50.000	€ 500-450,00

In case of depletion of EU funding (EU zero grant), students will only receive MIUR and Sapienza grants.

ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS

In order to allow a wider student participation in the mobility programme, Indire - the National Agency for Erasmus+ allocates grants intended to support disabled students and/or students with special needs.

Students must communicate their disability/special need both through their application form and upon acceptance, if assigned a mobility period.

The above-mentioned selected students will receive information about possible EU grants during the year at: <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

ART. 3.5 GRANTS FOR MOBILITY TO SWITZERLAND

The grant for Academic Year 2019-20 SEMP mobility periods is provided by Swiss Universities. For further information, please consult the website of the relevant Swiss university.

Students who did not declare their ISEE at the time of enrolment for the academic year 2018-2019, in order to benefit of the above mentioned grants, should consult their financial advisor, a CAF Centre or the INPS website (<http://servizi2.inps.it/servizi/lseeriforma/home.aspx>) to obtain their **ISEE**.

ISEE data will be collected by Sapienza University directly from the INPS dedicated platform by **15/07/2019**.

If, at this date, there is no available ISEE 2019 data for Right to University Education, the student will be placed in the **ISEE > 50.000 grant bracket** by default.

ART. 3.7 DOCUMENT COMPLIANCE

Documents concerning the mobility period will be checked by the International Office – Erasmus Sector.

If the provided documentation is not correct, students will be required to partially or fully reimburse allocated grants.

ART. 3.8 TAXATION OF THE ERASMUS + GRANT

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law N. 105 - 9 May 2003, converted with amendments into Law N. 170 - 11 July 2003, except further amendments.

Please note: Available mobility destinations and places may be subject to modifications based on the decisions of EU and national bodies regulating the programme or partner universities.

ART. 7 RANKINGS

ART. 7.1 RANKING PROCESS

A Commission - composed of the Faculty C.A.M. (Academic Coordinators for International Mobility), R.A.M. (Academic Supervisor for International Mobility) and R.A.E.F.(Faculty Administrative Erasmus Officer) and by a student representative, and nominated by the Faculty Dean - will evaluate all applications based on qualifications, according to the evaluation criteria established by the preliminary meeting of the commission. The criteria will be formalised in the Commission’s Report in agreement with the elements established in Art. 2.4.

Selection Evaluation Criteria:

- cGPA of exams passed;
- Ratio between credits acquired by the student and total number of credits contemplated by the student’s Study Plan (“percorso formativo”) and Degree Programme regulations. The number of credits contemplated by the student’s degree programme will be normalized at 30 per semester,

Student scores will be expressed out of 100, as follows:

- a) Up to 50 points for cGPA;
- b) Up to 50 points for the ratio between credits acquired, and overall expected credits contemplated by the student’s Study Plan (“percorso formativo”) and Degree Programme regulations, normalized to 30 per semester;
- c) in case of equal ranking, additional language proficiency qualifications will be taken into consideration to assign destinations.

On the basis of the above criteria the Commission will produce a provisional ranking.

Please Note: the following exams do not count for the calculation of the GPA and acquired CFUs:

- Exams taken abroad during Erasmus periods that have not yet been officialised as they refer to exams still in the process of being validated;
- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary for degree and are not used to calculate GPA;

- Integrated exams and elective educational activities (ADE, attività didattiche elettive) if the credits relating to all the parts constituting each integrated examination have not been passed;
- Exams for single courses that have not been recognised as part of the degree programme (Bachelors, Masters, Single Cycle) for which the student is currently enrolled;
- Exams cancelled due to lack of prerequisites;
- Exams declared to have been taken, but which were only booked and not taken or, not even booked.

In assigning mobility periods, in case of identical scores, priority will be given to students who have not had a prior Erasmus experience for study and placement/traineeship.

The Commission will produce a ranking of candidates based on the above-mentioned criteria and publish the provisional ranking at <https://web.uniroma1.it/trasparenza/bandiconcorso>

The ranking will be considered final when, 10 natural and consecutive days after its publication, no re-evaluation requests are at Erasmus Office, Faculty of Economics, Sapienza University of Rome, Via del Castro Laurenziano n. 9, 00161, Roma – e-mail: exchangestudents-eco@uniroma1.it orario e luogo di ricevimento: 10.00 – 13.00 MONDAY – WEDNESDAY – FRIDAY.

The final ranking will be published on the Faculty site at: https://web.uniroma1.it/trasparenza/bandi_trasparenza

ART. 7.2 GRANT ACCEPTANCE

Ten days after the rankings have been published, selected candidates have 7 more days to accept their grants.

Candidates who do not respect this deadline will be excluded.

The final allocation of an Erasmus+ mobility grant requires:

- Submission of requested documents
- Approval of the Learning Agreement
- Signature and upload to the student's personal page of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility grant is assigned.

Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

Please note: the student's mobility is subject to acceptance by the foreign Institution (i.e., academic curriculum, language skills) which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.

ART. 7.3 REFUSAL OF THE MOBILITY GRANT AND REPLACEMENT

The acceptance of the mobility grant is a serious commitment by the candidate. Thus, selected candidates are expected to limit refusals, after accepting grants or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate.

In caso di rinuncia, l'Ufficio Erasmus di Facoltà procederà all'assegnazione della mobilità agli studenti successivi in graduatoria che quindi potranno essere contattati via e-mail/telefonicamente ed essere invitati a dare riscontro entro 2 giorni lavorativi, pena la revoca della mobilità.

In case of mobility grant refusal, the Faculty Erasmus Office will assign the grant to the next ranked candidate that will be contacted by e-mail/phone and invited to accept the grant within 2 working days or be automatically excluded.

ART. 8 LEARNING AGREEMENT

All students who have accepted their assigned destination must complete an official Learning Agreement (L.A.).

The L.A. is a document that is prepared before departure and defines the academic activities that will be completed abroad (exams, thesis research).

The L.A. must be approved by the Academic Mobility Coordinator (RAM – List available at <https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>) and signed by the student and the host Institution to ensure the recognition of credits taken abroad for successful exams/thesis.

Students must fill out their L.A. on their personal webpage at: <https://relint.uniroma1.it/pp2013/login.aspx>.

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

ART. 9 ONLINE LINGUISTIC SUPPORT AND EU SURVEY

ART. 9.1 ONLINE LINGUISTIC SUPPORT (OLS)

The Erasmus+ Programme requires **selected candidates to take an on-line language skills assessment, both before and after the mobility period**, if the language used abroad and indicated in the Learning Agreement is one of the following: Bulgarian, Czech, Croatian, Danish, Dutch, English, Finnish, French, Hungarian, German, Greek, Polish, Portuguese, Rumanian, Slovakian, Spanish and Swedish, except students who are assigned a mobility to Switzerland.

On the basis of the result in the assessment test, the student may receive a licence for an on-line preparatory language course to prepare for the mobility period.

Procedures concerning the language test will be communicated directly to the student at the email address provided on the application form.

ART. 9.2 EU SURVEY

At the end of the mobility period, students (with the exception of students assigned a mobility period Switzerland) must complete the EU SURVEY.

N. 34218 - 13.05.2015 and in the framework of the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a mobility period and have all exams recognised and included in their official transcripts.

ART. 11 PROCEDURES AND LOGISTICS

In order to prepare their curricular project at the host university, students should carefully examine all available information on the university websites before applying. In fact, this information is binding for receiving the mobility grant.

For Bachelors degree, Masters Degree or PhD thesis work, after having consulted the website of the host university, students must agree on the project with their Italian supervisor and Academic Mobility Coordinator, based on the agreement with the partner professor at the host university.

At the end of their courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Academic activities will be recognized as indicated by the Faculty and the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad". Credits for exams taken at host universities must be acquired respecting all the rules and regulations of degree programme curricula.

Usually, foreign universities do not provide student housing for Erasmus students. Housing information is available on the websites of partner universities. Students should check any deadlines or specific procedures that must be followed.

Moreover, students must autonomously acquire information regarding:

- Health Assistance in the host country, requesting information from their local health office, diplomatic missions or at the following link: http://www.salute.gov.it/portale/temi/p2_6.jsp?lingua=italiano&id=897 &area=Assistenza%20sanitaria&menu=italiani
- Entrance into the host country, checking for requirements with embassies and consulates (in Italy for non-EU citizens).

Laws regulating the entrance of non-EU students in countries participating in the Erasmus+ Programme are based on the nationality of these students. Students are responsible for promptly obtaining information and all the documents needed to be admitted and allowed to sojourn in the destination country from the relevant diplomatic missions.

The civil responsibility and accident insurance coverage that students enjoy automatically when enrolled at Sapienza is extended with the same procedures for the entire mobility period abroad at the host university: <https://www.uniroma1.it/it/node/24654>

Students on mobility periods must:

- a) autonomously procure their own health and travel insurance for the entire stay abroad, as per the host country's requirements;
