Call for applications and results of the selection procedure:  
[https://web.uniroma1.it/trasparenza/bando/213622\\_45/2024](https://web.uniroma1.it/trasparenza/bando/213622_45/2024)

Deadline for the submission of the application online:  
March 5, 2024 - at 14.00

Prot. n. 45/2024 del 17/01/2024

## ART. 1 – PURPOSES

Erasmus+ is the European Union programme for education, training youth and sports in force for the period 2021-2027 allowing international experience and the acquisition of new competencies. The Erasmus+ programme supports the mobility of students, PhD students and specialisation programme students for a study period abroad during which:

- **attend educational activities** (lectures) and pass the relevant proficiency assessments/tests (exams);
- combine a study period with a **curricular internship** period (only if provided for in the educational programme)
- conducting research for the **preparation of the degree programme's dissertation and/or doctoral thesis**
- conducting **research** within the framework of the relevant doctorate or specialisation school.

At the end of the mobility period, full recognition of successful educational and/or research activities undertaken abroad is guaranteed, **provided that they have been approved in advance through the Learning Agreement/Change Form<sup>1</sup>** (see Article 9 below).

## ART. 2 – TYPES AND DURATIONS OF MOBILITY

1. The duration of the mobility is defined by the inter-institutional agreement between Sapienza and the partner universities.

Study periods abroad, intended as physical mobility, may start **on June 1, 2024**, must end by **July 31, 2025**, and **must be carried out continuously**.

2. Mobility can be of **2 types**:

a. Mobility Erasmus **LONG MOBILITY** for STUDENTS in first and second-cycle degree programmes, PhD students and STUDENTS in specialisation schools, it has a **minimum duration of 2 months (60 days) and a maximum duration of 12 months** (24 months in the case of a single-cycle degree programme) and can be carried out in all the universities of the Programme Countries and Partner Countries.

The duration may vary only for justified academic reasons in the event that:

- the duration of the semesters does not coincide with the academic calendar of the international venue;
- the student has already benefited from mobility periods in the same study cycle. In this case, the maximum duration will be reduced to the remaining months with respect to the maximum limit of 12 months per study cycle (and 24 months for single-cycle degrees), subject to the authorisation of the host institution

---

<sup>1</sup> 1 Recognition is guaranteed by the approval of the [Erasmus Policy Statement](#) (EPS), of the commitments made with the ECHE and the "[Regolamento per la Mobilità studentesca e il riconoscimento di periodi di studio e formazione all'estero](#)".

b. Mobility Erasmus **SHORT MOBILITY** only for PhD STUDENTS:

The *short mobility*, which **may be carried out only by students enrolled on PhD courses**, must have a minimum duration of 5 days and a maximum of 30 days and must only take place at Programme Countries.

### ART. 3 – DESTINATIONS

It is possible to undertake Erasmus mobility for study at universities with which Sapienza has stipulated an inter-institutional agreement and belonging to one of the following country groups:

- **Programme Countries** which include all EU Member States, as well as Iceland, Liechtenstein, Norway, Turkey, Serbia and the Republic of North Macedonia;
- **Partner Countries:** United Kingdom and Switzerland.

### ART. 3.1 – MOBILITY TO CIVIS ALLIANCE UNIVERSITIES

The activities referred to in Article 1 can also be carried out at universities participating in the CIVIS European Alliance, "A European Civic University <https://www.uniroma1.it/en/civis-european-civic-university>. CIVIS Alliance universities offer mobility opportunities for all degree programmes in their faculties and integrated welcome services [Students – CIVIS - A European Civic University](#)).

2. Terms and conditions for participation vary depending on the international venue, year of enrolment/attendance, and academic requirements and are regulated in specific agreements.

## ART. 4 – TUITION FEES AND ECONOMIC BENEFITS

Mobility students are **exempt** from paying tuition fees **at the host university** but must continue to pay tuition fees to Sapienza University of Rome.

### ART. 4.1 – MONTHLY ERASMUS + GRANT

1. The amount of the grant awarded from Erasmus+ Programme resources varies according to the type of mobility (Long mobility or Short mobility) and the cost of living in the destination country as well as the **actual days of mobility abroad** certified by the partner university

The EU grant for LONG MOBILITY is allocated as follows:

	Per month
<b>GROUP 1 = cost of living HIGH:</b> Denmark, Finland, Ireland, Iceland, Liechtenstein, Luxembourg, Norway, Sweden. <b>Partner Countries:</b> Switzerland, United Kingdom	350,00 euros
<b>GROUP 2 = cost of living AVERAGE:</b> Austria, Belgium, Germany, France, Greece, Spain, Cyprus, Netherlands, Malta, Portugal.	300,00 euros
<b>GROUP 3 = cost of living LOW:</b> Bulgaria, Croatia, Estonia, Czech Republic, Latvia, Lithuania, Hungary, Poland, Romania, Slovakia, Slovenia, North Macedonia, Turkey and Serbia.	250,00 euros

The EU grant for **SHORT MOBILITY** (Programme Countries only), **granted for PhD students only**, will be paid on the basis of a daily amount:

Duration	Per day
Mobility " <b>SHORT MOBILITY</b> " for a period between <b>5 and 14 days</b>	79 euros
Mobility " <b>SHORT MOBILITY</b> " for a period between <b>15 and 30 days</b>	56 euros

2. The Erasmus+ grant is incompatible with other grants from other EU-funded programmes/actions.

3. If the Erasmus+ funds run out or if the student is simultaneously awarded other EU funding (including PhD programmes funded with PON, PNRR or other types of EU funding for doctoral studies) or University funding for the same activity, for example for thesis research, it is possible to grant the student the status of "Erasmus zero eu-grant": in this way, the student may benefit from the facilities provided by the Erasmus+ programme (e.g. exemption from payment of tuition fees at the host university, Erasmus+ student status and supplementary monthly grant from Sapienza/MUR as per art. 4.2), without receiving the EU grant.

## ART. 4.2 – SAPIENZA/MUR SUPPLEMENTARY MONTHLY GRANT

1. Mobility beneficiaries **enrolled up to the first year fuoricorso** may also receive a monthly supplementary grant from Sapienza and the Ministry for University and Research ("*Fondo Giovani M.U.R.*") quantified on the basis of the beneficiary's **ISEE 2023** acquired on Infostud at the deadline for applying (in the event of lack of the latter, the Isee 2024 may be acquired):

Tax residents in Italy	
ISEE of the beneficiary	Supplementary monthly grant
≤ 26.306,25	€ 500,00
≤ 26.306,25-40.000,00	€ 400,00
≤40.000,00-55.000,00	€ 300,00
>55.000,00	€ 200,00

Students and/or PhD students and students in specialisation schools who are exempt, for any reason, from submitting the ISEE for the payment of tuition fees, to benefit from the supplementary grant referred to in this article, **must, in any case, acquire the ISEE 2023 on Infostud (in the event of lack of the latter, ISEE 2024 may be acquired).**

2. The ISEE value available on Infostud on **the day following the deadline for submitting** applications will be taken into consideration for the purposes of quantifying the supplementary grant. If no ISEE value is available, the supplementary grant will be awarded at the rate foreseen for the maximum range > € 55,000.00.

3. For **participants with tax residence abroad**, including DiscoLazio grant-holders with tax residence abroad, **the supplementary grant will be differentiated on the basis of the country in which the income is generated, according to the grant brackets set out in the resolution of the Board of Governors of May 30, 2023**, as follows:

Tax residents abroad	
Grant range <sup>2</sup>	Supplementary monthly grant
A	€ 500,00
B	€ 300,00
C	€ 200,00

The presentation of the equal ISEE will therefore not be allowed.

4. The **supplementary grant** referred to in this article **may be granted only if:**
- the beneficiaries have paid for enrolment at Sapienza for the 2024/2025 academic year, unless the beneficiary is a graduating student in the 23-24 academic year (by January 31, 2025);

<sup>2</sup> To check your grant bracket, please refer to the Regulations for attending Bachelor's and Master's degree programmes 23-24 (Article 18, p.27).

[https://www.uniroma1.it/sites/default/files/field\\_file\\_allegati/regolamento2024\\_0.pdf](https://www.uniroma1.it/sites/default/files/field_file_allegati/regolamento2024_0.pdf)

- b) First-cycle and second-cycle students are enrolled within the first year *fuoricorso* (for the calculation, reference will be made to the year of enrolment at Sapienza, even in the case of degree programme transfer).
- c) The beneficiaries manage to obtain by November 30, 2025, the recognition in their educational career of at least **12 ECTS** (reduced to **3 ECTS** for students who exclusively carry out research activities for the preparation of their thesis and to 10 ECTS for the qualifying internship). The above does not apply to **PhD students** and **students in Specialisation Schools**.

Students who do not obtain the recognition referred to in paragraph 5 letter c) above **will be asked to return any supplementary grant already paid** and to cancel any integrations.

Recognition within the educational career must be completed exclusively by following the digitalised procedures via the personal Erasmus page, which requires validation by the Academic Supervisor for International Mobility (see Article 8).

#### **ART. 4.3 INTEGRATION FOR STUDENTS WITH DISABILITIES AND/OR SPECIAL NEEDS**

1. **Additional funds** are available to support students with disabilities and/or special needs. Students interested should indicate the disability/special need, both at the application stage and at the mobility acceptance stage, in order to receive instructions on how to apply for dedicated funding, as indicated on the webpage:  
<http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

2. The payment of the grant for special needs is subject to approval by the Erasmus+ National Agency *Indire*. In the event that financial coverage is not available in whole or in part, the student will have to bear the costs independently.

#### **ART. 5 – APPLICATION REQUIREMENTS**

##### **ART. 5.1 GENERAL REQUIREMENTS**

1. To apply you must:
  - be **enrolled** (including on part-time status) at Sapienza University of Rome, in the academic year 2023/2024 in a bachelor's degree, master's degree, single-cycle degree, PhD or specialisation school;
  - **renew enrolment at Sapienza University of Rome for the academic year 2024/2025 within the deadlines set by the University;**
2. Students who, in the academic year 2023/2024, plan to graduate within the 2025 extraordinary graduation session and carry out their mobility during the subsequent Master's degree programme, may do so during the first year of their Master's degree programme exclusively in the second semester 2024-25, provided that the chosen venue provides for the second-cycle programme and congruent educational activities. In this case, if the chosen venue provides for mobility beyond the semester, mobility will be reduced ex officio.
3. Since Erasmus+ mobility may be carried out for a total period not exceeding 12 months for each cycle of studies (bachelor's degree, master's degree, PhD and specialisation school, 24 months for single-cycle degree programmes), even if carried out at another university, by

submitting an application for the Erasmus+ call for students for the academic year 2024/2025, **candidates confirm that they have a number of remaining months of study congruent with the above-mentioned rule<sup>3</sup>.**

**Any grants received for a number of months in excess of the above-mentioned limit must be returned**, without prejudice to the further civil and penal consequences deriving from the issue of false declarations pursuant to art. 76 of D.P.R. December 28, 2000 no. 445.

3. **Language qualifying exams** passed as part of the student's degree programme **do NOT exempt** them from taking the assessment test at *CLA*. 2. Candidates with disabilities and Specific Learning Difficulties as defined by law no. 170/2010 and Ministerial Decree no. 5669/2011, who require special aids for the carrying out of the test in relation to the type of disability/specific learning difficulty, must notify the Office for students with disabilities and specific learning difficulties. 3. Before starting the mobility, the Erasmus Office of the Faculty **must receive formal confirmation** of the "Short mobility" from the host university.

## ART. 7 – RANKINGS

### ART. 7.1 DRAFTING OF THE RANKING LISTS

1. A Committee – composed of CAM, RAM and RAEF and a student representative and appointed by the Dean of Faculty - will evaluate the applications. Two rankings will be drawn up:
  - a ranking for the offices of the CIVIS alliance
  - a ranking for the other Erasmus+ destinations.
2. The selection will be carried out according to the evaluation criteria that will be formalised by the Committee in the minutes of establishment and will, in any case, be defined in full consistency with the elements to be evaluated.

Evaluation elements for selection purposes will be:

#### 1. Academic merit and in particular:

- Weighted average of the exam scores taken;
- Ratio between the number of credits achieved and the number of credits foreseen by the study plane from the degree course regulations.

The total score obtained by each candidate will be expressed based on **100 total points**, attributed as follows:

- up to 50 points for the weighted average of the exam scores taken;
- up to 50 points for the ratio between the number of credits achieved and the number of credits foreseen by the

study plan and degree course regulations;

- if the score is equal, any additional qualifications in linguistic knowledge will be considered as preferential qualifications when assigning the preferred locations.

#### **NOTE: In the calculation of the weighted average and the CFU acquired will not be considered:**

- exams taken abroad during the Erasmus stay for which the validation procedure has not yet been completed;
- extracurricular exams pursuant to art. 6 of RD n. 1269/38 since these tests do not contribute to the

achievement of the ECTS required to obtain the qualification;

- integrated exams and elective teaching activities if the credits relating to all the tests that make up each integrated exam have not been obtained;
- "single course" exams if they have not already been recognized in the bachelor's, single-cycle master's or single-track degree courses in which the student is enrolled for the current academic year;

- exams canceled due to failure to comply with the preparatory requirements;

- exams declared as taken and which are, instead, only booked and not taken or, even, not booked. In the assignment of mobility, **with equal scores**, priority will be given to students who have never benefited from Erasmus mobility for study reasons, Erasmus placement/traineeship.

#### 2. Language knowledge:

Language knowledge will be assessed in relation to the documentation provided during the application phase as per art. 2.3.2 and 2.3.3. In the event of equal merit, candidates with superior linguistic knowledge will obtain a higher score.

The result of the test, in addition to being a requirement for access to the tender, could constitute an element of evaluation for the purposes of placement in the ranking.

The test result, as well as being a requirement for access to the call for applications, could be an element of assessment for ranking purposes.

3. In the allocation of mobility, **in the case of a tie, preference** will be given to students who have never benefited from Erasmus mobility for study purposes, Erasmus placement/traineeship.
4. Based on the above criteria, the Committee will draw up a provisional ranking list, which will be published at [https://web.uniroma1.it/trasparenza/bando/213622\\_45/2024](https://web.uniroma1.it/trasparenza/bando/213622_45/2024)
5. The ranking shall be considered final if, after 10 natural and consecutive days from the date of publication, no request for revision has been submitted to the Faculty of Economics, Via del Castro Laurenziano, n° 9, 00161, Rome. E-mail address: [exchangestudents-eco@uniroma1.it](mailto:exchangestudents-eco@uniroma1.it)

## ART. 7.2 – ACCEPTANCE OF MOBILITY

1. Successful candidates must accept the awarded mobility within the following **7 calendar days** from the date of publication of the final ranking list or from the date of assignment. **Failure to comply with the 7-day deadline will be considered as an ex officio withdrawal.**
2. **Acceptance of the mobility is a serious commitment made by the candidate.** Eligible students must therefore limit withdrawals, after acceptance or at the beginning of the mobility period, to serious and proven cases of force majeure, to be communicated in writing and duly justified in order to allow the first reserve candidate to take over in good time.
3. **In the event of withdrawal**, the Faculty Erasmus Office will proceed to award the mobility to the next students on the ranking list, who may then be contacted via e-mail and be invited to respond within 2 working days, under penalty of revocation of mobility.

Inclusion in the final rankings will not automatically entail the right to mobility, since the actual award will depend on compliance with the educational constraints/requirements defined by each programme, the faculty and the assigned venue.

## ART. 7.3 – FINAL AWARD OF MOBILITY

1. Mobility grants **are awarded exclusively for the carrying out of educational activities** at the partner institution. In order to be eligible for Erasmus grants, the student recipient of mobility grants must, strictly before departure, **accept the terms of the financial contract** and follow the instructions that will be provided when the mobility grant is awarded.
2. For the final award of Erasmus+ mobility the student must have taken care of:
  - a) Completion of the Learning Agreement on the personal Erasmus page and approval by the Academic Coordinator for International Mobility;

**Eligibility for mobility is in any case subject to acceptance by the international university, which may request further certification or reject the application on the basis of its own rules not specified in the inter-institutional agreement between Sapienza and the partner university.**

## **ART. 8 – THE LEARNING AGREEMENT**

1. Mobility beneficiaries must draw up an official study plan, the so-called **Learning Agreement (L.A.)**, which defines the educational activities to be carried out abroad and which guarantees the recognition of credits (ECTS) obtained by passing exams/theses research abroad.

**The drawing up and consequent approval of the L.A. are compulsory and binding for the purposes of taking part in the mobility, under penalty of exclusion from the mobility.**

2. The L.A. must include exams or educational activities aimed at the attainment and recognition of **at least 12 ECTS (not less than 3 ECTS in the case of mobility for thesis research only and not less than 10 ECTS for the qualifying internship)**.

3. In order to be able to draw up the study plan to be carried out at the destination university, students should consult the information available on the web pages of the host institutions before submitting their application. This information will also be binding for the purposes of the mobility assignment.

In order to carry out research for the thesis, PhD or specialisation school, the project must be agreed upon in advance with the Italian supervisor and the Academic Coordinator for International Mobility (RAM), in accordance with the agreements established with the professor at the host university.

4. At the end of their courses, Erasmus students must sit the exams as laid down by the host university. At the end of the mobility period, **the student must obligatorily start the procedure for career recognition of the academic or research activity** carried out at the international university. The computerised procedure must be completed **exclusively via the personal Erasmus page**.

5. Recognition of educational activities carried out will take place as indicated by the Faculty and by the *"Regulations for Student Mobility and Recognition of Periods of Study and Training Abroad"*. Exams taken abroad must be recognised in compliance with any propaedeuticity constraints laid down in the regulations for one's degree programme.

## **ART. 9 – USEFUL INFORMATION**

The students must find out for themselves about any **accommodation** opportunities offered by the host universities. They must also find out about:

- **Health care** in the host country by contacting their local health authority or diplomatic representation and consulting the link: <http://www.salute.gov.it/>;
- **How to enter the host country**, non-EU citizens should contact the respective diplomatic representations (Embassies and Consulates) in good time. The legislation and regulations governing the entry of non-EU students in the countries participating in the Erasmus+ Programme are related to the nationality of these students: it is the student's responsibility to gather, with the

necessary advance notice, the information and obtain the documents that will allow entry and stay in the country of destination.

**The accident and civil liability insurance** that the student benefits from automatically upon enrolment at Sapienza is extended, under the same terms, for the entire period spent abroad at the host institution <https://www.uniroma1.it/en/pagina/student-insurance>.

However, it is recommended to consider taking out additional insurance coverage for travel and medical expenses not covered by the European TEAM card. It is also recommended to register on the MAECI website managed by the Crisis Unit "*Dove siamo nel mondo*" (<https://www.dovesiamonelmundo.it>), clearly indicating the required data: names, city/country, university of destination, updated contact details and period of stay.

## ART. 10 CHECKS

1. Pursuant to Article 71 of Presidential Decree 445 of December 28, 2000, the Administration will proceed to carry out appropriate checks, also on a sample basis, and in all cases in which grounded doubts arise as to the truthfulness of self-certifications.

Failure to provide truthful information, whether declared or self-certified, constitutes grounds for exclusion/disqualification.
