Act N. 17 /2019

Prot. N. 87 Date: 4.12.2018

ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for single-cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtains the "Erasmus Student" status that comes with rights and duties, as established by the Erasmus Student Charter.

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "Regulation for Student Mobility and Recognition of Study and Training Periods Abroad."

ART.1.2 PARTICIPATING COUNTRIES

For Academic Year 2019-20, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and United Kingdom.

ART. 1.3 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it **does not receive any EU funding** either for incoming or outgoing mobilities.

In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme,

Erasmus+

Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3.6 “Grant”).

Students applying to Swiss universities must satisfy all the requirements described in this call (see Art. 2. *Requirements and Application Procedures, Language Requirements, Selection Procedures and Incompatibility*).

ART. 1.4 MOBILITÀ STRUTTURATA PER DOPPIA LAUREA

Double and Joint Degree Programmes allow students to study abroad and attend courses that will lead to both an Italian and foreign degree of the same level. Further information is available at: <https://www.uniroma1.it/it/pagina/doppia-laurea-e-titoli-congiunti>.

Admission requirements, which are established by agreements, vary based on country, academic year and academic requisites. Moreover, the agreements regulate the length of the mobility period, the study programme and the recognition of academic activities conducted abroad, as well as the number of available places.

- LM Double Degree Italian and French Law – Pantheon Assas University
- LM European Law School humboldt-universität zu berlin king’s college of london université panthéon-assas (paris II)

Article 4 provides a detailed list of all the degree programmes and destinations that include agreements for double degrees, along with participation requisites.

1. Students must be **enrolled** (including part-time students) at Sapienza for **Academic Year 2018-19** in a Bachelor (three years), Master, Single-cycle or PhD degree programme, or a Specialization Schools, regardless their citizenship;

In case of Specialization Programmes, the payment of the Erasmus grant is subject to the compatibility of the specialization contract with Erasmus grants. Incompatibility still allows participation in the programme, but the student will not receive any grant for the mobility period.

2. Students must have **adequate language skills** (see Art. 2.3.2 “Language Requirements”)

3. Students must complete their enrolment at Sapienza University for Academic Year 2019-20 by the established deadlines (further information: [https://www.uniroma1.it/it/pagina-strutturale/studenti/University Tuition](https://www.uniroma1.it/it/pagina-strutturale/studenti/University%20Tuition)”).

4. Students enrolled in the third (or subsequent) year of a Bachelors Degree (first cycle) in Academic Year 2018-19, and who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of a Masters Degree (second cycle). However, the mobility period **must take place in the second semester** of Academic Year 2019-20. **Before leaving, students selected under these conditions must be enrolled in a Masters Programme for Academic Year 2019-20.** Moreover, these students may not, under any circumstances, enjoy their mobility period during the first

semester, even if approved by the host university. Students who apply for mobility periods longer than a semester, will not receive any further grant.

5. Students on mobility programmes may not graduate before the end of their period of study abroad and before the recognition of the academic activities conducted abroad by the Academic Coordinator of the Mobility Period (RAM).

6. Students enrolled in PhD Programmes must end their mobility period before the official end of the Doctoral Programme.

7. Specialisation school students must check with their school if they are eligible for a study period abroad under this call.

ART. 2.2 INCOMPATIBILITY

Incompatibilities concern both grants and the Erasmus student “status.”

For one-cycle degrees the maximum is 24 months.

1. Students applying to this call may receive one or more Erasmus+ mobility grants for each study cycle (Bachelor, Master, PhD) provided the total period does not exceed 12 months for each cycle. For single-cycle degrees (i.e. EU Architecture), the limit is 24 months. This requirement does not apply to mobility periods in Switzerland, which are regulated by the Swiss-European Mobility Programme (SEMP).

2. Prior mobility periods that have already been funded during the same study cycle under Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1 and Erasmus Mundus Action 2 are included in the calculation of the total number of months spent abroad.

ART. 2.3. REQUISITES

ART. 2.3.1 ACADEMIC REQUISITES

It's mandatory to be enrolled at the second year of each academic course and to have sustained exams for at least 24 credits ECTS

Students who have must have successfully sustained the examinations of Institutions of Private Law and Institutions of Public Law (the Faculty Committee, considering the kind the courses of study to which is open this concourse, may examine the career of studies and the documentation attached in order to prove ti have passed these exams, or to examine the three-year career prior to the two-year enrollment (eg LM90)).

It is mandatory to have sustained at the University the examination of Juridical English or other language exams recognized with level B2 demonstrated by documents (the Faculty commission reserves the right to verify at the time of submission of the application and / or assignment of the places of destination, the attached certification and additional language certificates with level B2

obtained from other certified institutions or to the CLA, as an alternative to the B2 level obtained at the faculty).

All credits acquired as of the application submission, obtained exclusively through exams and registered on Infostud, will be accepted for the selection process.

Students are NOT allowed to integrate exams that have not been officially registered with self-certifications (see Art. 6 “Candidature”).

ART. 2.3.2 LANGUAGE REQUIREMENTS

Students applying to the Erasmus+ 2019-20 Call must have a minimum **B2** language level Common European Framework of Reference (<https://europass.cedefop.europa.eu/it/resources/european-language-levels-cefr>).

If the applicant is selected, he/she will have to provide proof of the **minimum language level (or that required by the host university)** either with a certification (IELTS, DELF, PLE, etc.) or by taking a test at the Sapienza Language Centre – Centro Linguistico di Ateneo (see below). **Students must ascertain the requirements established by their host university for an Erasmus+ mobility period, as described in Art. 4.**

If a candidate does not have any of these certifications, he/she will have to provide a self-certification for their language level. **Students providing self-certifications will be assessed through a test during the selection procedure for the following languages: English, French, Portuguese, Spanish and German. The tests will be held at the Sapienza Language Centre – Centro Linguistico di Ateneo after the call has been closed. The test results will be used to determine the student’s final ranking.**

Students can take tests for a **maximum of two languages and not more than once for each language**. Students can choose which language test to take for host universities in countries that accept two languages. Students must register on-line for tests at the Sapienza Language Centre – Centro Linguistico di Ateneo. The link will be provided only to students who must take the test.

In any case, the committee will reject the applications of those students who are not able to prove with documents or by attestation by the CLA that they possess the necessary linguistic requisites.

If the **test score is inferior to the minimum level required** or the documents attached cannot prove the level required by the host university, the candidate will not be considered eligible. Students may not take the test again.

Please Note: self-certifications must declare the true language level of the candidate, in any case without specific documentation attached in order to confirm the level of knowledge, the

Erasmus+

self certification will NOT be considered sufficient. We recommend you verify this through the many free language tests that are available on-line.

If the test score is equal to or greater than the level required by the call selection process, but **inferior to the minimum level required by the host university, the student will NOT be able to apply for that University.**

As an example: most Dutch universities requires a TOEFL Certificate, while British universities require a IELTS Certificate. Erasmus+ students must provide these certifications together with the other documentation required by these universities before departure. Students who are assigned a mobility period at one of these universities must hold said certificates within the deadlines indicated by the foreign universities not later than the day of assignement of University destination.

The linguistic assessment will take place by checking the documentation filed at the time the application is submitted or alternatively attached by the candidate to the application form at the time the day of assignment of the destination. The student is in any case responsible for achieving the linguistic requirement required by the host office.

ART. 2.3.3 EXEMPTION FROM LANGUAGE TESTS

Students who satisfy one of the following conditions are exempted from language tests:

- Students with an official certificate issued by one of the language centres recognised by the Common European Framework of Reference for Languages and integrated by a language certification for Portuguese (Attachment 3).
- Students enrolled in degree programmes held in English. These students will have to present a valid certification (or take the test) if they apply for a university that does not require English as the language.

ART. 3. GRANTS AND FINANCIAL BENEFITS

Erasmus+

ART. 3.1 GENERAL ASPECTS

Grants for mobility are assigned exclusively for academic activities abroad (see Art. 5 “Activities Abroad and Learning Agreement”) for a minimum period of 3 months (90 days) and a maximum period of 12 months during the “Erasmus Year”: 01/06/2019 - 30/09/2020.

Grants are provided by funding from the European Commission and integrated by MIUR (*Fondo Giovani*) and Sapienza funding. They are considered as a contribution to expenses abroad and are limited to the academic activities authorised before leaving.

In order to receive their mobility grants, students must sign, **before their departure**, the financial contract that is available on selected students’ personal web page and follow all the directions provided upon acceptance of the mobility period.

Moreover, Erasmus+ grants are directly connected to studies and/or other academic activities conducted at foreign universities that have been previously authorised by the Academic Programme Coordinator (RAM) as described in Art. 6.4 “Learning Agreement”). Therefore, students who do not obtain the recognition of at least 3 CFUs by the end of their mobility period **will be required to partially or fully refund the MIUR grant**. This does not apply to PhD and Specialisation School students.

ART. 3.2 EU GRANTS

The EU Erasmus+ grant 2019-20 is based on the cost of living in the destination country. Mobility grants are defined at the national level and amount to:

- **Group 1 Countries** (Programme Countries with high living costs): Denmark, Finland, Iceland, Ireland, Lichtenstein, Luxembourg, Norway, Sweden, United Kingdom **300,00 €/month**.
- **Group 2 and 3 Countries** (Programme Countries with medium living costs): Austria, Belgium, Germany, France, Italy, Greece, Spain, Cyprus, Netherlands, Malta, Portugal, Bulgaria, Croatia, Czech Republic, Estonia, Latvia, Lithuania, Hungary, Poland, Romania, Slovakia, Slovenia, Former Yugoslav Republic of Macedonia, Turkey, Serbia: **250,00 €/month**.

The actual grant will be calculated on the effective days of the mobility period as certified by the host university in the certificate of attendance.

Erasmus grants are incompatible with grants from other programmes/actions funded by the European Union.

In the case that EU funds are depleted, or should students receive other university or EU grants, or if students do not require funding, the students may receive an “**Erasmus-Zero-EU-Grant**” status that will allow them to enjoy the benefits of the mobility period, but without receiving an EU grant.

All Erasmus+ grants are however subject to the approval of Erasmus activities/funding, proposed by Sapienza for the Academic Year 2019-20 by Indire - the National Agency for Erasmus+.

ART. 3.3. MIUR AND SAPIENZA FUNDING

European grants for mobility periods (Art.3.2) are integrated by the following funds:

Erasmus+

- MIUR Grants (Fondo Giovani);
- Sapienza Grants.

The MIUR “Fondo Giovani” Grant varies based on the ISEE Form for Right to University Education (2019). Both forms of additional funding are only allocated to students, who during the mobility period are not more than one year “fuori corso.”

Therefore, Sapienza (Board of Administrators Resolution N. 485/18 – 18/12/2018) has established the following monthly payments (including the EU Grant based on destination country):

ISEE Beneficiary	Grant/Month
ISEE < 13.000	€ 900-850,00
13.000 - 21.000	€ 850-800,00
21.000 - 26.000	€ 800-750,00
26.000 - 30.000	€ 750-700,00
30.000 - 40.000	€ 600-550,00
40.000 - 50.000	€ 550-500,00
ISEE > 50.000	€ 500-450,00

In case of depletion of EU funding (EU zero grant), students will only receive MIUR and Sapienza grants.

ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS

In order to allow a wider student participation in the mobility programme, Indire - the National Agency for Erasmus+ allocates grants intended to support disabled students and/or students with special needs.

Students must communicate their disability/special need both through their application form and upon acceptance, if assigned a mobility period.

The above-mentioned selected students will receive information about possible EU grants during the year at: <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

ART. 3.5 GRANTS FOR MOBILITY TO SWITZERLAND

The grant for Academic Year 2019-20 SEMP mobility periods is provided by Swiss Universities. For further information, please consult the website of the relevant Swiss university.

It should be noted that SEMP students are not entitled to receive EU grants, including grants for special needs, whereas they are entitled to the additional Sapienza and MIUR grants (except as provided by Art. 3.3)

ISEE Beneficiary	Grant/Month
ISEE < 13.000	€ 600,00
13.000 - 21.000	€ 550,00
21.000 - 26.000	€ 500,00
26.000 - 30.000	€ 450,00
30.000 - 40.000	€ 300,00
40.000 - 50.000	€ 250,00
ISEE > 50.000	€ 200,00

ART. 3.6 ISEE 2019 FOR RIGHT TO UNIVERSITY EDUCATION

Students should consult their financial advisor, a CAF Centre or the INPS website (<http://servizi2.inps.it/servizi/Iseeriforma/home.aspx>) to obtain their **ISEE 2019 Form for Right to University Education**. ISEE data will be collected by Sapienza University directly from the INPS dedicated platform by **31/07/2019**.

If, at this date, there is no available ISEE 2019 data for Right to University Education, the student will be placed in the **ISEE > 50.000** grant bracket by default.

ART. 3.7 DOCUMENT COMPLIANCE

Documents concerning the mobility period will be checked by the International Office – Erasmus Sector.

If the provided documentation is not correct, students will be required to partially or fully reimburse allocated grants.

ART. 3.8 TAXATION OF THE ERASMUS + GRANT

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law N. 105 - 9 May 2003, converted with amendments into Law N. 170 - 11 July 2003, except further amendments.

Erasmus+

Therefore, we advise that students autonomously verify the possibility of studying abroad by checking course catalogues of the host institutions before applying. A dedicated Erasmus+ Agreement search engine is available at: <https://relint.uniroma1.it/mobilitysearch>

The **length of the mobility period** indicated in the agreement may be shortened, if the student completes a shorter mobility period or decides to leave during the second semester. Moreover, for students who have enjoyed previous mobility periods, the maximum stay will be calculated on the basis of remaining months with respect to the 12-month limit per cycle of study and the 24-month limit for single cycle degrees, following the consent of the host university.

In selecting the host university, students must take note of the required language level (see Art. 2.3.2).

Students can select a minimum of 3 to a maximum of 5 destinations.

The priority order stated in the application will be a binding criterion for the assignment of the destination if the candidate is eligible for more than one destination.

Please note that it is **NOT** possible to guarantee departure during the 1st semester for destinations whose deadline is close to the date specified in Art 14 “END OF PROCEDURE” for publication of the selection results.
