

Faculty of Lettere e Filosofia

ERASMUS+ PROGRAMME

Student Mobility Selection Call for Study Academic Year 2022/2023

Only students enrolled in a DOUBLE DEGREE/Co-diploma will be able to leave in the I semester by applying for only those places reserved for "co-diploma."

Reserved for Mobility in the second semester for all students enrolled in non-Double Degree/Co-Diploma.

Please note that in order to proceed with the application, applicants to the first call who were found to be unsuccessful for various reasons (thus including how many eligible non-winners) will need to request cancellation of their previous application.

The request for cancellation should be sent via email to the contact persons ART. 7.1 DEADLINES AND SUBMISSION.

Call and Results of the Selection Procedure:

https://web.uniroma1.it/trasparenza/bando/191400_201/2022

On-line Application: <https://relint.uniroma1.it/candidatura/login.aspx>

Deadline for On-line Application:

June 16, 2022 – 2.00 PM (Italian time)

ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

Erasmus+ individual learning mobility is regulated by the Erasmus+ programme 2021/2027. (EU Regulation no.2021/817 of the European Parliament and of the Council of May 20, 2021 and the Erasmus+ Programme Guide 2021/2027). Through lifelong learning, the Programme promotes educational, professional and personal development of students and promotes sustainable growth, employment, innovation, social cohesion, the strengthening of the European identity and active citizenship.

The Erasmus+ programme also allows participation in non-EU countries, known as Partner Countries. The European countries traditionally included in the Erasmus+ programme are referred to as the Programme Countries. Erasmus students receive a grant and have the right to:

- attend courses and use the available structures at the hosting institution without further tuition fees (in some cases small contributions might be requested as for local students);
- combine a period of study with a period of traineeship or research for the preparation of the thesis;
- carry out research under the PhD or Specialisation School;

All activities conducted abroad (with a positive outcome) will be fully recognized in the student's career **as long as they were previously approved by the Learning Agreement/Change Form**. Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad](#)".

ART. 1.2 MOBILITY TOWARDS CIVIS ALLIANCE UNIVERSITIES

Sapienza is a partner of the "CIVIS - A European Civic University" Alliance financed by the European Union. The alliance has been active since October 1, 2019 and includes the following universities:

- Free University of Brussels, www.ulb.ac.be
- University of Tübingen, <https://uni-tuebingen.de/>
- Autonomous University of Madrid, <http://www.uam.es>
- Aix-Marseille Université, <https://www.univ-amu.fr/>
- University of Bucharest, <https://unibuc.ro/>
- University of Stockholm, <https://www.su.se/>
- National Kapodistrian University of Athens, <https://en.uoa.gr/>
- University of Glasgow, Partner University

Students who participate in CIVIS mobilities will become part of a European community and will benefit from upgraded services and innovative didactic programmes (link <https://civis.eu/en>).

The list of academic coordinators for CIVIS mobility in each Faculty is published on the webpage: <https://www.uniroma1.it/it/pagina/civis-mobility>. The CIVIS Coordinator for the Faculty of Arts and Humanities is Prof. Sarin Marchetti <https://www.lettere.uniroma1.it/users/sarin-marchetti>

ART.1.3 PARTICIPATING COUNTRIES

It will be possible to participate in the Erasmus+ programme by study at the universities with which Sapienza has signed an interinstitutional agreement, included in one of the following country groups:

- **Programme Countries** that include: Member States of the European Union, the Countries of the European Economic Area (Iceland, Liechtenstein, Norway) and the Countries applying for accession to the EU (Turkey, Serbia and the Republic of North Macedonia);
- **Partner Countries:** United Kingdom and Switzerland.

ART. 1.4 DOUBLE DEGREE MOBILITY

The Double Degree programmes allow students to spend a period of study abroad by attending courses aimed at obtaining the Italian title and the foreign title of equal level. General information is available at: <https://www.uniroma1.it/it/pagina/titoli-doppi-multipli-e-congiunti>. Conditions for participation **vary depending on the foreign University, the year of enrolment/attendance, the academic requirements which are regulated by special agreements about** the duration of mobility, the programme of studies

and the recognition of academic activities carried out at the foreign office and the number of places available. Students selected for a DOUBLE DEGREE PROGRAMME may apply for this call only for the seats reserved to this type of programme (see Art. 4 “AVAILABLE DESTINATIONS AND PLACES”) and can start their mobility in the first semester of 2022/2023.

ART. 2 REQUIREMENTS

ART. 2.1 GENERAL REQUIREMENTS

1. In order to apply to this call students must be enrolled (including part-time students) at Sapienza for **Academic Year 2021/22** in a Bachelor's, Master's, Single-cycle or PhD degree programmes, or Specialisation Schools.

2. In case of Specialisation Programmes, the payment of the Erasmus grant is subject to the compatibility of the specialisation contract with Erasmus grants. Incompatibility still allows participation in the programme, but students will not receive any grant for the mobility period.

3. Students must have **adequate language skills** (see Art. 2.4 “LANGUAGE REQUIREMENTS”).

4. Students must **complete their enrolment at Sapienza University for Academic Year 2022/2023 by the established deadlines** (further information: <https://www.uniroma1.it/it/pagina-strutturale/studenti> “University Tuition”), except for graduating students, under Art. 13 of the “Student Regulations”. Hence, students who plan to graduate in the extraordinary session Academic Year 2021/2022 do not have to enrol for the A.Y. 2022/2023, but the mobility must be concluded before graduation. In case of missed graduation within the extraordinary session A.Y. 2021/2022, enrolment for the Academic Year 2022/2023 would be required.

5. Students enrolled in the third (or subsequent) year of a Bachelor's Programme (First cycle) in Academic Year 2021/2022, and who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of a Master's Degree (Second cycle). However, the mobility period **must take place in the second semester** of Academic Year 2022/2023. If such students apply for mobility periods longer than a semester, the period will be automatically reduced. Before leaving, students selected under these conditions must be enrolled in a Master's Programme for Academic Year 2022/2023. **Moreover, these students may not, under any circumstance, enjoy their mobility period during the first semester.**

6. **Graduating students on Erasmus mobility are allowed to graduate only after the end of their study period abroad and once the online recognition procedure for the educational activity scheduled in the Learning Agreement/ Change Form (exams or thesis research) is completed. If the above requirements are not complied, students have to refund the grant (Article 9 Learning Agreement).**

7. **PhD Students** must complete their mobility period before the official end of the Doctoral Programme and obtain a Declaration concerning the activity carried out from the host university.

8. **Specialisation students** must be **authorised** by the Director of their Specialisation School to benefit from a mobility period and also obtain a Declaration concerning the activity carried out from the host university.

ART. 2.2 INCOMPATIBILITY

Students applying to this call may benefit from one or more Erasmus+ mobility grants (Bachelor's, Master's, PhDs) provided **the total period does not exceed 12 months per each cycle**. For Single-cycle degrees **the maximum period is 24 months**. Any Erasmus mobility carried out in **virtual mode from the country of residence**, will not be counted in the computing of the maximum Erasmus mobility months for each cycle.

Each candidate is responsible for verifying the residual number of Erasmus mobility months for the cycle they are enrolled in and asking for a possible reduction of the mobility period if not compatible. Otherwise the mobility **could be cancelled and the grants already paid must be returned**.

Please note: as per Art. 76 - D.P.R. 28.12.2000 N. 445 "... **whoever provides false declarations, false acts or uses them for the purposes of the present call is liable for punishment as established by legislation and all special bills in this matter.**" Prior mobility periods that have already been funded during the same study cycle under: ICM (International Credit Mobility), Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1 and Erasmus Mundus Action 2 **are included in the calculation of the total number of months spent abroad**.

ART. 2.3 ACADEMIC REQUIREMENTS

1. Students in possession of the following academic requirements may apply to the call for applications of the Faculty of Humanities:

- For Bachelor's degree (LT), Master's degree (LM) and Specialist degree (LS) courses number of CFUs in an amount not less than 1/5 of those that can be acquired by the candidates up to the date of expiry of the call for applications or a number of credits not less than 6 cfu.
- For specialization schools, at least 5 credits must be acquired by July 31, 2022.

2. All credits acquired until the application submission, obtained exclusively through exams and **officially registered on Infostud**, will be accepted for the selection process. Students may self-certify exams they have taken, but that have not yet been registered on Infostud, on their application.

ART. 2.4 LANGUAGE REQUIREMENTS

Students applying to the Call must have a **minimum A2 language level** Common European Framework of Reference (CEFR) recognised by the European Council <https://www.coe.int/en/web/common-european-framework-reference-languages>. Candidates must demonstrate their linguistic competence through:

1. a passed test in November 2021, January or February 2022 sessions at the CLA (Sapienza Language Centre), before sending the online application;
2. a passed CLA test for the previous call (Bando Erasmus+ 2021/2022).
3. the satisfaction of the requirements described in Article 2.4.1 "**LANGUAGE TEST EXEMPTIONS**".

Tests or other exemption certificates must be obtained before sending the online application. **New tests will not be possible at CLA for the purpose of applying for this Call for Applications.**

PLEASE NOTE: the CLA test does not exempt students from verifying and complying with the language requirements of the host university, which must be respected to benefit from the selected mobility.

In fact, if the result of the language assessment test or other certifications that allow exemption are lower than the minimum required in the details of the location for which the student is applying, the application will be considered ineligible.

For countries where a dual language of instruction is indicated, it is possible to take a test in one of the two languages, it being understood that during the assignment of places, preference will be given to the candidate who has a suitable language assessment concerning the main language of instruction or "first language of instruction" of the location(s) of interest. Only the "second language of instruction" will be accepted if there are no candidates with a "first language of instruction" at the location(s) of interest.

ART. 2.4.1 EXEMPTION FROM LANGUAGE TESTS

Only students who meet one of the following requirements are exempt from having taken the CLA language proficiency test referred to in Article 2.4. item 1), subject to the minimum requirement of the host institutions:

- 1) Students who have passed the language test held at CLA for application to the Erasmus+ call for A.Y. 2021-22, under conditions set in Article 2.4.
- 2) Mother tongue – for the language selected for the mobility; as indicated by the Ministry of Public Education with Circular N. 5494 - 29/12/1982 (ref: C.U.N. 30/10/1982), the quality of a foreign

mother tongue speaker is recognised for "Italian and foreign citizens only when it is proven that they have completed at least all of their elementary and secondary education in the country where that language is spoken, either at public or (recognized) private schools of the same nationality." Mother tongue language level corresponds to level C2 of the Common European Framework of Reference for Languages.

- 3) You have an official **certificate for level A2** issued by an agency recognized by CEFR (see Annex 1) for the language/s selected for mobility.
- 4) Enrolment in a Sapienza degree programme that is held entirely in English, only in case the student applies for a destination that requires English for mobility purposes.
- 5) High School Diploma from an international lyceum recognised by MUR for English, French (ESABAC diploma), German, Spanish or Portuguese. (A High School Diploma at an international high school corresponds to level B2).
- 6) Level A2 language skills acquired during a mobility period in academic year 2019/2020 and 2020/2021 for at least one of the languages indicated in Art. 2.4.1 "LANGUAGE TESTS" issued by the Language Centre at the host university.
- 7) Bilingual when the second language is the same one selected for the mobility (bilingual status is acknowledged to students who have completed at least the primary, secondary and high school cycles in the Special Administrative Regions or in the Autonomous Provinces in which bilingualism exists according to the regional law). Students who want to make use of this exemption need to provide a self-declaration in accordance with D.P.R. 445/2000.

PLEASE NOTE:

- If students intend to apply for a **host university that requires a higher level** than the one required in the cases above, or where a different language is required, they **must possess a positive result obtained by testing at CLA in the above sessions of November 2021, January or February 2022 or other valid certification.**
- Students **enrolled in an English course** will be exempted from taking the test only if the language level needed in their degree programme is the same (or higher) of the one requested by the host university.

Language tests taken as part of a degree programme do NOT exempt you from the CLA Test. Similarly, declarations issued by professors, even university professors, and language exams will not be considered valid.

ART. 2.5 OTHER REQUIREMENTS

This call for applications is open to students enrolled in the following inter-faculty courses, exclusively for the disciplines of the Faculty of Arts:

- Bachelor of Science "Geographical Sciences for the Environment and Health".
- Please note that this call is not open to students enrolled in other faculties.
- This call for applications is open to students enrolled in one of the PhD Programmes of the Departments of the Faculty of Humanities.
- The present call is open to students enrolled in one of the Specialization Schools related to the Departments of the Faculty of Humanities.
- For students enrolled in a PhD program or in a School of Specialization, the authorization of the Coordinator of the PhD program or Director of the School of Specialization is required.
- Students who intend to carry out research activities for their thesis must indicate the topic of the research and obtain the approval of the Italian supervisor and the indication of a foreign supervisor and obtain the recognition of credits before graduating.

ART. 3 DURATION

This announcement is reserved exclusively for mobility for the second semester of the 2022-2023 academic year. The only exception is for students enrolled in a DOUBLE degree/co-diploma pathway who will be able to leave on mobility in the first semester by applying for destinations reserved for "co-diploma"). The length of the mobility is defined by the inter-institutional agreement signed between Sapienza and the partner universities. The mobility can be started from **January 1, 2023**, to be concluded by **September 30, 2023** and should be performed **continuously**. **The duration could be reduced compared to the call-in case the semester period does not coincide with the academic calendar of the foreign university.**

There are two types of mobility:

1. Erasmus **LONG MOBILITY** for I, II and III study cycle:

It can be carried out by all those belonging to the I, II and III cycle at the partner universities (Programme Countries and Partner Countries, see Art. 1.3 Participating Countries). Each *long mobility* must have a **minimum duration of 2 months (60 days)** and maximum 12 or 24 months (in case of single cycle).

The duration could change only for well-proved academic reasons in which the students:

- Start the mobility in the second semester,
- Have already benefited from mobility periods in the same cycle (Art. 2.2). In this case the maximum length will be reduced to the residual months according to the limit of 12 per cycle and 24 months for single cycle, subject to prior approval of the partner university.

2. Erasmus **SHORT MOBILITY** only for PhD students:

The *short mobility* can be carried out only by students enrolled in a PhD Programme. It must have a **minimum duration of 5 days and maximum 30 days** and it should be performed only in Programme Countries.

The short mobility must always be previously authorised by the host university (see Art. 7.3 APPLICATION "SHORT MOBILITY" FOR PhD STUDENTS).

ART. 4 GRANTS

The determination of grants will be subject to the approval of the agreement with the National Agency Erasmus+ Indire and the University Board of Governors.

Mobility grants **are assigned exclusively for academic activities at the partner university** (see art. 6 "ACADEMIC ACTIVITIES ABROAD"). In order to receive Erasmus grants, the mobility student must accept the terms of the financial contract before departure and follow the instructions that will be provided at the time of the assignment of the mobility.

ART. 4.1. EU GRANTS

Grants must be considered as a contribution to the expenses related to their stay abroad.

Erasmus EU grants are incompatible with grants from other programmes/actions funded by the European Union.

The amount of grants varies according to:

1. Type of mobility (*Long mobility* o *Short mobility* for PhD students);
2. Destination Country.

The EU Grants for "*LONG MOBILITY*", is related to living cost of destination country and to the days of attendance certified by the partner Universities:

Programme Countries

GROUP 1 HIGHER living cost: Denmark, Finland, Ireland, Iceland, Liechtenstein, Luxembourg, Norway, Sweden.	350,00 euro
GROUP 2 MEDIUM living cost: Austria, Belgium, Cyprus, France, Germany, Greece, Malta, Netherlands, Portugal, Spain.	300,00 euro
GROUP 3 LOWER living cost: Bulgaria, Croatia, Estonia, Latvia, Lithuania, North Macedonia, Poland, Romania, Serbia, Slovakia, Slovenia, Czech Republic, Turkey, Hungary.	250,00 euro

Partner Countries

United Kingdom, Switzerland	350,00 euro
-----------------------------	-------------

PLEASE NOTE:6

Mobility to Switzerland, **if directly financed by the Swiss Government, will not receive the EU Grant**

EU Grant reserved to "**SHORT MOBILITY**" (limited to Programme Countries), **only for PhD students** will be paid on the basis of a daily amount

Duration	Daily amount
" SHORT MOBILITY " for a period between 5 and 14 days	70 euro
" SHORT MOBILITY " for a period between 15 and 30 days	50 euro

In case EU funds are depleted, and/or students receive other university or EU grants, students may receive an "Erasmus-Zero-EU-Grant" status that will allow them to enjoy the benefits of the mobility period, but without receiving an EU grant.

ART. 4.2 ADDITIONAL MUR AND SAPIENZA GRANT FOR STUDENTS WITH DISADVANTAGED BACKGROUNDS

In addition to the EU grant, mobility students will receive additional funding from Sapienza and the Ministry of University and Research (MUR). **The MUR grant** allocation will be paid **according to the economic conditions of students** who are obliged to prove it through ISEE/ISEE PARIFICATO 2022 (ISEE for right to university study DPCM 159/2013). **The data must be available on Infostud by November 30, 2022** or before the acceptance of the terms of the Financial Agreement. Otherwise the MUR grant cannot be allocated.

IMPORTANT:

- All students and/or PhD students, Specialisation School students **who are exempted from submitting the ISEE** for the payment of fees, **in order to benefit from the MUR Grant, will still have to apply for the ISEE 2022 (ISEE for right to university study);**
- The Sapienza and the MUR grants **will not be paid to irregular students** (beyond the allotted time to attain a degree) from the second year onwards (calculation will take the initial enrolment year at Sapienza into account, also in case of transfer to another degree programme).

Students who do not obtain, by December 31, 2023, the online recognition of at least **6 CFUs** (reduced to **3 CFUs** for students who perform exclusively research activities for the preparation of the thesis), will be required to refund the total grant. Credit recognition must be completed exclusively through the digitised procedures on the Erasmus personal page, which provides for validation by the Academic Coordinator for International Mobility (RAM, Article 9).

The above limits do not apply to **PhD students and Specialisation School students**.

ART. 4.3 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS

1. In order to allow a wider student participation in the mobility programme, **Indire - the National Agency for Erasmus+ allocates grants intended to support disabled students and/or students with special needs.**
2. Students must communicate their disability/special need both through their **application form and upon acceptance**, if assigned a mobility period.
3. The above-mentioned selected students will receive information about the application as soon as Indire – the National Agency for Erasmus+ provides details; the relevant note will be published on the webpage <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.
4. The financing of the Grant for special needs will be subject to the allocation of funds from the National Agency Erasmus Plus INDIRE. If financial coverage is not available in full or in part, students will have to bear the costs themselves.

ART. 4.4 TAXATION OF THE ERASMUS + GRANT

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law N. 105 - 9 May 2003, converted with amendments into Law N. 170 - 11 July 2003, except further amendments.

ART. 5 AVAILABLE DESTINATIONS AND PLACES

1. The student can apply for a minimum of n. 1 to a maximum of n. 2 destinations: a first choice and a second choice.

A merit list will be drawn up on the basis of the first choice. The available places (locations) not assigned will be the subject of a further ranking of merit that will cover the second choices of candidates found reserves and unsuitable candidates in the first list, subject to verification of their eligibility in the second list. PLEASE NOTE: the assignees in the first ranking will not be allowed to move to the second choice even if there are places available for it.

In choosing the partner institutions, students must take into consideration the coherence between the study program that they intend to carry out at the foreign university and the area of study of the selected institution.

2. The priority order indicated on your application is binding for the assignment of destinations, if the candidate is eligible for more than one destination. Please make sure you have the necessary language level that will allow you to attend lessons and take exams at the chosen destination (See Art. 2.4 "LANGUAGE REQUIREMENTS").

3. The following **table** lists the number of available places, mobility period and requisites to apply for:

- Destination with Erasmus+ mobility agreements as part of the CIVIS Alliance (Art. 1.5);
- Destination with Erasmus+ mobility agreements;
- Destinations with Erasmus+ mobility agreements reserved for double degree students.

MOBILITY LEVELS

1 = Undergraduate (Bachelor's);

2 = Postgraduate (Master's, Single-cycle Degree);

3 = Doctoral (Specialisation or PhD Programmes)

PLEASE NOTE: Available places and destinations listed in the call are subject to modification if the partner universities or national and European organisations regulating the programme introduce variations. Before applying, please independently verify the feasibility of studying at your preferred destinations on the websites of the individual universities.

Moreover, at the time of the publication of the call the agreements are still not officially signed because, as required by the new programme Erasmus+ 2021-2027, agreements should be approved digitally through Erasmus Without Papers, still to be implemented in all Programme Countries. Consequently, some conditions might change during the signing phase and not all the selected students might actually take part in the mobility and/or participate under the same conditions listed in this call. The impact of this transitional phase on student selection will be limited as far as possible. However, it is important that candidates are aware that the availability of all the places published in the call is under condition.

When choosing mobility please pay attention to the level of language required for attendance at the host location. The requirements in the table have been indicated by the individual partner universities. Interested

students are however invited to personally investigate the real correspondence of these requirements with respect to the requested locations.

4. It will be possible to guarantee departure only for the second semester a.y. 2022/2023 (Only students enrolled in a DOUBLE DEGREE/Co-diploma will be able to spend the first semester by applying only for the destinations re-served for "co-diploma").

ART. 6 ACADEMIC ACTIVITIES ABROAD

Students must indicate the didactic activities they intend to pursue abroad in the Application Form. In addition, they have to consider the coherence between the subject area of the host university and their own course of study. In case of applications submitted in the transition period between a Bachelor's (I cycle) and a Master's Degree (II cycle), students should consider the academic activities scheduled for the Master's Study Plan.

The indicated activities are not final and may be integrated upon completion of the official study plan (Art. 9 "LEARNING AGREEMENT") that will have to be approved by the Degree Programme Academic Coordinator for International Mobility (RAM). **Admissible mobility activities** are:

- Attendance of courses and exams;
- Research for graduation and/or doctoral thesis;
- Curricular traineeship (only if relevant to the didactic plan)

After having consulted the course catalogue of the foreign university, students should contact the Agreement Promoter (Art. 4. AVAILABLE DESTINATIONS AND PLACES) for didactic information.

PhD students and candidates enrolled in Specialisation Schools, after having verified their eligibility for a mobility period abroad, must agree on the educational programme abroad with the Coordinator of their PhD Programme/Specialisation School. Moreover, they will have to ascertain their insurance coverage with the relevant offices.

ART. 7 APPLICATION

ART. 7.1 DEADLINES AND SUBMISSION

1. **The deadline for submission of the on-line application form is *March 4, 2022*, at 2.00 pm (Italian time).**

2. The application form is available at: <https://relint.uniroma1.it/candidatura/login.aspx>

For technical issues, please contact the Help Desk form, available at the following link:

<https://relint.uniroma1.it/candidatura/sendmail.aspx>

3. In order to apply, **you must use your university email account (famlyname.studentnumber@studenti.uniroma1.it).**

This will be the only official means used for communications related to this call and the subsequent procedures.

Once the application has been completed, candidates will receive a report of all the data submitted at their university email address **as the only valid receipt for their application**. Thus, all applicants must verify that they receive this report and that all the data submitted is correct. Any errors must be immediately reported to the Faculty Erasmus Administrative Officer:

Ms. Claudia Magnoni Referente Amministrativo Erasmus per le sedi (prima destinazione scelta) afferenti ai Dipartimenti: "Scienze dell'Antichità", "Lettere e Culture Moderne" tel. 06 4991 3897 – email claudia.magnoni@uniroma1.it

Ms. Lorena De Amicis Referente Amministrativo Erasmus per le sedi (prima destinazione scelta) afferenti al Dipartimento: "Storia Antropologia Religioni Arte Spettacolo" tel. 06 4969 3279 – email lorena.deamicis@uniroma1.it

Mrs. Alberto Guerra Referente Amministrativo Erasmus per le sedi (prima destinazione scelta) afferenti ai Dipartimenti: "Istituto italiano di Studi Orientali - ISO", "Studi europei, americani e interculturali" e "Filosofia" tel. 06 4991 3372 – email alberto.guerra@uniroma1.it

ART. 7.2 DOCUMENTS TO SUBMIT

In order to correctly complete the application process, students must fill out all fields of the on-line form and **verify the upload of the following documents**, which are an integral part of the application process: (IT IS RECOMMENDED THAT THE ACTUAL UPLOAD OF DOCUMENTS, AND ESPECIALLY THOSE IN ITEMS 1 AND 3, BE CHECKED TO AVOID EXCLUSION).

1. Scan of a valid identity document

2. Language Certification (only in the case provided in Article 2.4.1 "EXEMPTION FROM LANGUAGE TESTS")

3. Form with vote of the Formative Project, duly filled in and signed by the candidate and signed and evaluated by the teacher(s) of the chosen destination(s) (downloadable from the website https://web.uniroma1.it/trasparenza/bando/191400_201/2022), without any erasures or inversions in pen of the chosen locations)

4. Evaluation in thirtieths on the validity of the doctoral activity given by the Board of Teachers (for doctoral students only)

PLEASE NOTE: use the "Other documents required by the call (.pdf)" in the document upload area of the online application to upload all the necessary documents required by combining them into a single file format ".pdf".

PLEASE NOTE: If mandatory documents are not uploaded by the deadline, or the declared/self-certified information is not correct, **the application will be rejected.**

ART. 7.3 SHORT MOBILITY APPLICATION FOR PhD STUDENTS

PhD students who wish to apply for an Erasmus+ "SHORT MOBILITY" are required to declare it when applying by flagging the proper field next to the selected university. If students do not declare their willingness to carry out a short mobility in their application, the mobility will be considered as a "LONG MOBILITY" and will have to comply with the related requirements (Article 3 DURATION).

ART. 8 RANKING

ART. 8.1 RANKING PROCESS

1. A Committee - composed of the Faculty Committee Prof. Franca Sinopoli, the Departmental Committees Prof. Monika Wozniak, Prof. Alessandro Vanzetti, Prof. Paolo De Troia, Prof. Antonio Musarra, Prof. Roberta Cerone, Prof. Sarin Marchetti, the Faculty Erasmus Administrative Referents Prof. Lorena De Amicis, Prof. Claudia Magnoni, Prof. Alberto Guerra and a student nominated by the dean Prof. Arianna Punzi - will evaluate the applications.
2. Two rankings will be produced: **one for CIVIS Universities and one for other Erasmus+ destinations.**

The selection process will be based on your or your titles.
valuation criteria will be finalised by the Commission during its first meeting and will be defined coherently with the evaluation requirements.

Evaluation elements for selection purposes will be:

- from 18 to 30 points to the fraction in thirtieths of the average of the exams taken (weighted average)

- up to 30 points for the ratio, expressed in thirtieths, between the credits accrued and those that should have been accrued with respect to the year of the course according to the following scheme (note A):

Bachelor's Degree:

First-year enrolled: 15

Enrolled in the second year: 75

Third-year enrolled students: 135

Out-of-course students: 180

Master's or Specialist Degree:

Enrolled in first year: 15

Enrolled second year: 75

Out-of-course: 120

- from 0 to 30 points for the validity of the training project to be carried out abroad.

For doctoral students the following criteria will be used:

- from 0 to 30 points to the judgment on the validity of the doctoral activity given by the Coordinator of the doctoral program, possibly after consultation with the Board of teachers

- up to 30 points based on the regularity of the passages of the year

- from 0 to 30 points for the validity of the training project to be carried out abroad

For residents the following criteria will be used:

- from 18 to 30 points to the fraction in thirtieths of the average of the exams taken (weighted average)

- up to 30 points for the ratio, expressed in thirtieths, between the credits accrued and those that should have been accrued with respect to the year of the course

- from 0 to 30 points for the validity of the training project to be carried out abroad.

For each year out of the course, two points (n. 2) of penalty will be assigned. In the calculation of the weighted average, 30 cum laude will be considered as 30.

The minimum score for the ranking is 54/90. Those who score lower than 54/90 (54/90 excluded) will not be admitted.

note A

The following are valid for the purposes of calculating merit:

the credits foreseen by the Course of Study Manifesto which, instead of a grade in thirtieths, are evaluated with "suitable/unsuitable".

Eligibility and profit exams must be recorded in the Infostud information system. Eligibility and/or exemptions which - in some courses - are non-verbalised ongoing tests that contribute to the passing of an exam, but are not recorded in the information system, cannot be considered valid;
cfu obtained as validation of exams taken abroad as part of mobility programs.

They are not valid for the purposes of calculating merit:

the cfu obtained by taking extracurricular profit exams ex. art. 6 of R.D. n. 1269/38 (art.42 of the 2017-18 academic year manifesto);

cfu obtained by taking single courses (art. 41 manifesto degli studi a.a. 2017-18);

cfu obtained as validation for course shortening (art. 49 manifesto degli studi a.a. 2017-18).

PLEASE NOTE: the following do not concur to the calculation of your GPA and CFUs:

- Exams taken abroad during Erasmus periods that have not yet been validated through the online recognition procedure;
- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary to graduate;
- Integrated exams and elective educational activities (ADE) if the credits related to all the modules of each integrated exam have not been completed yet;
- Exams for single courses that have not been recognised as part of the degree programme (Bachelor's, Master's, Single Cycle) where the student is currently enrolled;
- Exams cancelled due to lack of prerequisites;
- Exams declared as taken, which instead are only or not even booked.

In assigning mobility periods, **in case of identical scores**, priority will be given to students who have never benefited from an Erasmus mobility for study and placement/traineeship.

If this does not solve the problem, the Commission will assign the available place to the youngest student with the same merit. The Commission will produce a ranking of candidates based on the above-mentioned criteria and publish the **provisional ranking** at https://web.uniroma1.it/trasparenza/bando/191400_201/2022

The ranking will be considered final if from the date of publication, after 10 natural and consecutive days, no request for revision is submitted to the Faculty Erasmus Office responsible for the Department (see contacts art. 7.1). The **final ranking** will be published at the link https://web.uniroma1.it/trasparenza/bando/191400_201/2022

ART. 8.2 ACCEPTANCE OF MOBILITY PERIOD

Selected students must accept their assigned mobility destination within 7 calendar days from the date of publication of the final ranking or assignment

Candidates who do not respect this deadline will be excluded.

The final assignment of an Erasmus+ mobility requires students to:

- Submit the necessary documentation *(if required)*;
- Formalise the Learning Agreement to be approved by the Academic Coordinator for International Mobility (RAM) on the personal page;
- Finalise the Financial Agreement between the student and Sapienza, following the directions provided when the mobility is assigned. This step must take place **before** starting the mobility, otherwise **students would not be allowed** to benefit from the mobility and would not receive the funding, where provided, and insurance coverage.

Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and prerequisites.

PLEASE NOTE: the student's mobility is subject to acceptance by the foreign Institution which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.

ART. 8.3 REFUSAL OF THE MOBILITY AND REPLACEMENT

The acceptance of mobility is a serious commitment for the candidate. Thus, selected candidates are expected to limit refusals, after acceptance or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate in due time.

In case of renunciation, the Faculty Erasmus Office will proceed to the assignment of mobility to the next students in the ranking who can then be contacted by email and be asked to give feedback within 7 working days, otherwise the mobility will be revoked.

ART. 9 LEARNING AGREEMENT

All students who have accepted their assigned destination must complete an official Learning Agreement (LA) which defines the academic activities to be completed abroad. The LA guarantees the recognition of credits obtained for passed exams and thesis research work conducted abroad.

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

The L.A. must include exams or didactic activities that will ensure the recognition of **at least 6 CFUs (or no less than 3 CFUs only for thesis research)**. Students who do not meet these requirements will be forced to return the MUR funding. This limit does not concern **PhDs and Specialisation students**.

At the end of the mobility, **students must mandatorily start the procedure for the recognition** in their **career of the academic activities or research** carried out at the foreign university. The online procedure must be completed **exclusively through the Erasmus personal page**. Otherwise students shall refund the total MUR grant.

ART. 10 PROCEDURES AND LOGISTICS

In order to prepare their curricular project at the host university, students should carefully examine all available information on the university websites before applying. In fact, this information is binding for the mobility assignment.

For degree, PhD or Specialisation thesis work, students must agree on the project with their Italian Supervisor and Academic Coordinator for International Mobility, based on the agreement with the partner professor at the host university.

At the end of their courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Academic activities will be recognized as indicated by the Faculty and the "Regulation for Student Mobility and Recognition of Study Periods and Training Abroad". Credits for exams taken at host universities must be acquired respecting all the rules and regulations of degree programme curricula.

Students must autonomously acquire information regarding housing opportunities provided by destination universities. Moreover, students are also responsible for informing themselves about:

- Health Assistance in the host country, requesting information from their local health office, diplomatic missions or at the following link
<http://www.salute.gov.it>
- Entrance into the host country, timely checking for requirements with embassies and consulates (for non-EU citizens). Laws regulating the entrance of non-EU students in countries participating in the Erasmus+ Programme are based on the nationality of these students. Students are responsible for promptly obtaining information and all the documents needed to be admitted and allowed to sojourn in the destination country from the relevant diplomatic missions.

The civil liability and accident insurance coverage that students get automatically when enrolled at Sapienza is extended with the same procedures for the entire mobility period abroad at the host university <https://www.uniroma1.it/it/node/24654>

However, students are recommended to consider the opportunity of an additional insurance to cover travel and medical costs not covered by the European Health Care Card (TEAM).

It is also recommended to visit the webpage of the [Ministry of Foreign Affairs](http://www.dovesiamonelmondo.it) (www.dovesiamonelmondo.it) and register your stay abroad filling with the required data: name, city/country, host university, updated contact info and period of stay.

ART. 11 CHECKS

As per Article 71 - DPR 445 - 28/12/2000, the university administration will verify all application information through random checks on any candidature application that poses reasonable doubts on the information provided through self-certifications.

Non-compliance of information, declared or self-certified, constitutes a cause of exclusion/forfeiture.

ART. 12 PERSONAL DATA PROCESSING

The protection of personal data is regulated by the new European Regulation n. 679 - 27.4.2016 – GDPR (General Data Protection Regulation) as well as current national legislation.

ART. 13 FINAL AUTHORITY

Under Bill N. 241 - 7.8.1990 and subsequent amendments and integrations, in the framework of the exclusive competence of Sapienza University of Rome, Faculty of Arts and Humanities the final authority for this procedure is the Erasmus Administrative Officer:

Referente Amministrativo Erasmus Sig.ra Claudia Magnoni tel. 06 4991 3897 – email claudia.magnoni@uniroma1.it per le sedi afferenti ai Dipartimenti: Scienze dell’Antichità, Lettere e Culture Moderne

Referente Amministrativo Erasmus Dott.ssa Lorena De Amicia tel. 06 4969 3279 – email lorena.deamicis@uniroma1.it per le sedi afferenti al Dipartimento: Storia Antropologia Religioni Arte Spettacolo

Referente Amministrativo Erasmus Dott. Alberto Guerra tel. 06 4991 3372 – email alberto.guerra@uniroma1.it per le sedi afferenti ai Dipartimenti: Istituto italiano di Studi Orientali - ISO, Studi europei, americani e interculturali e Filosofia.

ART. 14 END OF PROCEDURE

The results of the selection process under this announcement will be completed and published presumably by July 30, 2022.

This call is also available in Italian.

In case of conflicting interpretation between the English and Italian versions of this call, the Italian language version prevails.
