Deadline: September 13, 2022

THE RECTOR

- HAVING REGARD TO the Statute of the University of Rome La Sapienza Issued by R.D. N. 3689 on October 29, 2012;
- HAVING REGARD TO the Board of Governors resolution n. 438 that approved the University Budget annual prevision on December 20, 2021
- HAVING REGARD TO the resolution of the Board of Governors (C.d.A) n. 439 that approved the three-year Budget 2022-2024 with the relative resource allocations to the budget accounts on December 20, 2021
- HAVING REGARD TO the D. D. (Directors' Provision) n. 172 of January 17, 2022, that provided for the budget allocation to the Area Directors for the year 2022;
- HAVING REGARD TO the D.D. n. 1051/2021 of March 12, 2021 with which was reserved the amount of € 102.641,00 for the allocation of n. 11 biennial scholarships of € 4.300,00 per year (gross of legal deductions to be paid by the student and net of those to be paid by the University) intended for EU and non-EU graduates enrolled in a Master's Degree Programme in the a.y. 2021/2022;
- HAVING REGARD TO the R.D n. 35085 of May 03, 2021 and n. 49388 of June 22, 2021 that issued and consequently extended, the call Don't Miss Your Chance, a.y. 2021-22, for the assignment of the aforementioned 11 scholarships;
- HAVING REGARD TO the Resolution of the Board of Governors n. 234/21 which approved the document of the 2021-2023 Three-year Programme on the meeting of July 22, 2021 that provides for "the extension from 11 to 50 of the number of two-year scholarships, annual amount of € 4,665,50 inclusive of *Irap* for the competition Don't Miss Your Chance for EU and non-EU graduates (excluding Italian citizens) who enrol in a Master's Degree at Sapienza with an investment of € 466,550.00";
- HAVING REGARD TO the D.D. n. 362/2022 of January 24, 2022, with which was reserved the additional € 363.909,00 for the extension of the number of scholarships of the competition Don't Miss Your Chance;

ACKNOWLEDGED	that among the winners of the competition Don't Miss Your Chance a.y. 2021-22, which ranking was approved by R. D. N. 77239 of September 29, 2021, only 6 winners actually enrolled in a Master's Degree at Sapienza within the deadline of the 31 of January 2022. Therefore, it was possible to assign only 6 of the 50 scholarships, determining a surplus of 44 biennial scholarships for a total of 410.564,00 € (44 scholarships x 4.665,50 € = 205.282,00 € x 2 annuities = 410.564,00 €);
HAVING REGARD TO	the ineffectiveness of the re-proposal of the same call to attract international students in the period after the beginning of the first semester and the closure of the procedures for obtaining study visas.
CONSIDERED	the substantial consistency of the reinvestment of the amount resulting from the non-assignments of Don't Miss Your Chance scholarships, a.y 2021-22 (intended for EU and non-EU graduates excluding Italian citizens), with the issuance of a call of competition for the provision of scholarships for the same subjects, enrolled in the 1st year of a Master's Degree in Sapienza University a.y. 2021-22, and not recipients of regional scholarships awarded by the Regional Institute for the right to education and promotion of knowledge (LazioDisco);
CONSIDERED	the merit of these students should be enhanced by awarding scholarships after verification of the number of university ECTS acquired by August 10, 2022 in order to support the continuation of the studies of the most worthy

ART. 4 – Criteria for the merit ranking

The Educational Welfare Unit drafts a provisional merit ranking of the candidates admitted to the competition, attributing them a score given by the sum of the following parameters:

- 1- the ratio between all university ECTS obtained by August 10, 2022 and all ECTS in the study plan to be achieved within the first year of the degree programme attended, including qualifying examinations and final dissertations/papers and internships. The result of the ratio is multiplied by 30.
- 2- The weighted average of the marks (weighed with the relative ECTS) of all the exams passed for the degree programme attended at the time of application and by September 30, 2022. Exams registered without marks, dissertations/final exams and internships will not be considered for the weighted average. The weighted average is obtained with the formula:

$$V_{medio} = \frac{\sum_{i=1}^N C_i \cdot V_i}{\sum_{i=1}^N C_i}$$

Exams passed with honours have an additional score equal to 0.10 to the mark. Therefore, each honours, is equal to 30.10.

The weighted average obtained is multiplied by a parameter, "revaluation coefficient", which allows to homogenize the weighted averages of the students enrolled in the different Faculties of Sapienza. The values of the coefficients are established for the entire University on the basis of the minimum average relative to all the exams obtained by all students at Sapienza in the last three academic years.

Faculty	Revaluation coefficient
Architecture	1,04
Economics	1,13
Medicine and Pharmacy	1,04
