- **Partner Countries:** United Kingdom and Switzerland.

Please note that starting from January 1st, 2021 for travelling to the United Kingdom, you need a passport, entry visa, health care and other additional paperwork to be allowed to stay in the UK. Costs and management of these practices are entirely borne by the students and vary according to the period of stay. Please, consult the websites of the foreign offices and of the British diplomatic missions in Italy.

ART. 1.4 DOUBLE DEGREE MOBILITY

1. The Double Degree programmes allow students to spend a period of study abroad attending courses aimed at obtaining the Italian qualification and the foreign qualification of the same level. General information is available at: <https://www.uniroma1.it/it/pagina/titoli-doppi-multipli-e-congiunti>.
2. The conditions for participating **vary according to the foreign locations, the year of enrolment/attendance, the academic requirements and they are governed by special agreements which indicate** the duration of the mobility, the study plans and the recognition of the academic activities carried out at the foreign University and the number of places available.

Students who intend to take part in a DOUBLE DEGREE programme can apply for this Call exclusively **for the destinations reserved for this programme** (see art. 5 "AVAILABLE DESTINATIONS AND PLACES").

ART. 2 REQUIREMENTS

ART. 2.1 GENERAL REQUIREMENTS

2. The student will also have to **renew the enrolment at Sapienza for the a.y. 2023/2024 within the deadlines set by the University** (see the page <https://www.uniroma1.it/it/pagina-strutturale/studenti> section "University fees"), with the exception of graduating students³.
3. Students who are enrolled in the 3rd year or beyond the regular duration (*fuori corso*) in a Degree Programme (1st cycle) in the a.y. 2022/2023 and plan to graduate in the a.y. 2022/2023, can leave during the first year of a master's degree programme (II cycle) as long as the latter

To benefit from the mobility, students must enrol in a master's degree programme of the department of Communication and Social research for the a.y. 2023/2024 and the mobility can be carried out **exclusively in the second semester** of the a.y. 2023/2024. If the student applies for a mobility period of one year, the latter will be automatically reduced with the prior authorization of the host institution. The application must be for host institutions involving the master's degree level (2) only, except for Spanish universities that offer a single study cycle (GRADO or GRAU) and identified by level 1. The departure during the first semester will not be granted in no way.

9. **Extra-EU citizens**, in addition to being regularly enrolled in Sapienza, must be in possession of a residence permit. - 2) with the result of the CLA test passed for the application to the ERASMUS+ Call 2022/2023. Students who do not intend to take advantage of this exemption can choose to take the test again. In this case, the new result obtained (minor, superior or failed test for the language in which the test is repeated) will replace the previous one;
- 3) with the possession of one of the requisites that allow exemption from the test, as indicated in art. **2.4.2 "LINGUISTIC TEST EXEMPTION"**.

The tests or other certifications that allow for exemption must be passed/obtained **before concluding** the online application.

The CLA test **does not exempt the student from verifying** and complying with the linguistic requirements of the host university, **which the student is required to comply with otherwise he/she will not be able to benefit from the mobility at that destination.**

It will be possible to take **only one test** for each language up to a maximum of **two languages**.

There are no recovery sessions. For those who have already taken tests in the sessions from September to November 2022, it will not be possible to repeat the test.

The organizational methods are described in annexes 1 and 2.

They must indicate their disability in the booking form: the CLA reserves the right to ascertain the knowledge of the language according to the methods deemed most appropriate and best suited to the student's needs.
2. Disabled students and those with SLD, pursuant to law n.170/2010 and Ministerial Decree n. 5669/2011, who need special aids in relation to the type of disability/SLD to carry out the test, must report it (to the Disability and LD Office). In any case, candidates will be granted an additional time of 30% compared to that defined for the test.
3. The SLD certification must refer to the nosographic codes and the explicit wording of the SLD (of Reading and/or Writing and/or Calculation).
4. The diagnosis must be updated after 3 years if certified to the student when he was a minor.

PLEASE NOTE: students with disabilities or with SLD residing in foreign countries, who intend to take advantage of the previously mentioned measures, must present the certification attesting the status of disability or SLD issued in the country of residence, accompanied by a sworn translation in Italian or in English language.

5. Particular situations will be examined taking the certifications presented into account.
6. The requests referred to points 1 and 2 above must be received by the deadline for enrollment in the language assessment test (see **Annex 1: ORGANIZATION OF LANGUAGE TESTS AT THE CLA**) and will be subject to verification by the Office Disability and SLD which may require suitable certification issued by NHS structures or by specialists and structures accredited by the latter.
7. Further information is available at <https://www.uniroma1.it/it/pagina/contatti-e-servizi-disabilita-edsa> or by writing to servizio.disabilita@uniroma1.it or counselingdsa@uniroma1.it

ART. 2.4.2 EXEMPTION FROM LANGUAGE TESTS

1. **Without prejudice to the minimum requirement required by the host institutions which remains a criterion for access to mobility** students are exempt from taking the CLA language assessment test if they possess one of the following requisites:

- a. Having **passed the test** at the CLA in the case of any previous application to the ERASMUS+ 2022/2023 call, under the conditions indicated in the previous article 2.4.
- b. Being **native speaker** of the language chosen for the mobility:

According to the directives issued by the Ministry of Public Education with circular letter no. 5494 of 12/29/1982 (ref. CUN of 10/30/1982), the status of foreign native speaker is recognized "for Italian and foreign citizens only when it is proven that they have completed at least the entire cycle of elementary education and secondary school in the country whose language they intend to profess, in state or private (recognised) schools of the same nationality". Students who intend to make use of this exemption **must provide a copy of the Diploma obtained or other suitable documentation to prove that they fall within the category of point b.** Mother tongue corresponds to level C2 of the Common European Framework of Reference (CEFR).

- c. Having achieved a minimum level of linguistic proficiency equal at least to **level A2, attested by an official certificate issued by one of the Certifying Bodies** envisaged in the CEFR equivalence table, as per Annex 3, for the language(s) chosen for the purposes of the mobility.
- d. Being **enrolled in study programmes entirely taught in English** at Sapienza if English is the language required for the purposes of the mobility. Students will be exempt from taking the test only if the access level of English to their degree programme is equal to or higher than that required by the foreign institution.
- e. Having obtained a **high school diploma from an international high school recognized by the MUR** for English, French (ESABAC diploma), German, Spanish or Portuguese (the high school diploma from an international high school corresponds to level B2).
- f. Having obtained, during the mobility period carried out in **a.y. 2022/2023**, a minimum level of linguistic proficiency equal at least to **level A2** for one of the languages indicated in **Annex 1: ORGANIZATION OF LANGUAGE TESTS AT THE CLA** by means of a certificate of linguistic proficiency issued by **the Language Centre of the host University**.
- g. Being **bilingual** where the second language is the one chosen for the purposes of mobility. ⁴

If the student intends to apply for a university **that requires a level of linguistic proficiency higher** than that provided for in the cases indicated above, or **for a university that requires a language other than the certified one**, the student must take the test at the CLA

Language proficiency passed in the context of one's own study programme DOES NOT exempt from taking the assessment test at the CLA. Similarly, declarations issued by teachers, including university teachers, or the passing of curricular language exams will not be considered valid for the competition.

Students who intend to conduct thesis research should:

- indicate the topic of the research
- obtain the approval of the Italian thesis advisor
- indicate the foreign co-rapporteur
- obtain credit recognition before graduating
- check the willingness of the foreign location to accept the Learning Agreement without any examination study activities.

ART. 3 DURATION

1. The duration of the mobility is defined by the interinstitutional agreement stipulated between Sapienza and the partner universities. Periods of study abroad, intended as physical mobility, can start from **1 June 2023**, must end by **30 September 2024** and **must be carried out**

⁴ The quality of bilingual individual is recognized to students who have completed at least the whole cycle of primary and secondary education in the Special Administrative Regions or in the Autonomous Provinces in which bilingualism exists according to the regional law. Students who intend to benefit from this exemption can declare it by a self-certification under DPR 445/2000.

continuously. If the duration of the semesters does not coincide with the academic calendar of the foreign institution, the mobility may be subject to reductions with respect to what is foreseen in the call for applications.

2. Mobility can be of **2 types**:

a. Erasmus mobility **LONG MOBILITY** for I, II and III study cycle:

It can be carried out by all those pertaining to the I, II and III study cycle at partner universities (Programme Countries and Partner Countries, see art. 1.3 Participating Countries). Each *long mobility* must have a **minimum** duration of **2 months** and a maximum of 12 or 24 months in the case of a single-cycle programme.

The duration may vary only for proven academic reasons if the student:

- starts the mobility in the second semester
- has already benefited from periods of mobility in the same study cycle (see art. 2.2.). In this case, the maximum duration will be reduced to the remaining months with respect to the maximum limit of 12 months for each study cycle and 24 months for single-cycle degree programmes, subject to authorization by the institution of destination.

b. Erasmus mobility **SHORT MOBILITY** only for PHD STUDENTS:

The *short mobility* can only be carried **out by students enrolled in doctoral programmes**, it must have a minimum duration of **5 days and a maximum of 30 days**, and it must be carried out only in Programme Countries.

the *Short mobility* must **always be authorized in advance** by the host university (see art. 7.3 "SHORT MOBILITY" APPLICATION FOR PHD STUDENTS).

ART. 4 ECONOMIC CONTRIBUTIONS

1. Mobility contributions **are assigned exclusively for carrying out academic activities in the partner university** (see art. 6 "ACADEMIC ACTIVITIES IN THE FOREIGN UNIVERSITY"). In order to be eligible for Erasmus contributions, the student assigned to the mobility **must**, strictly before departure, **accept the terms of the financial contract** and follow the instructions that will be provided at the time of assignment of the mobility.

ART. 4.1 EUROPEAN UNION CONTRIBUTION

1. The mobility contribution is to be understood as an **economic support for the higher expenses** associated with the stay abroad: therefore, it is not intended to fully cover the expenses incurred.

2. The use of the Erasmus+ grant is incompatible with further grants deriving from other programmes/actions financed by the European Union. The amount of the contribution varies according to:

- Type of mobility (Long mobility or Short mobility for PhDstudents);
- Destination Country.

3. The EU contribution intended for "**LONG MOBILITY**" mobility is related to the cost of living in the country of destination and the days of attendance certified by the partner university:

<i>Programme Countries</i>	<i>per month</i>
GROUP 1 = cost of living HIGH: Denmark, Finland, Ireland, Iceland, Liechtenstein, Luxembourg, Norway, Sweden.	350.00 euros

GROUP 2 = cost of living MEDIUM: Austria, Belgium, Cyprus, France, Germany, Greece, Malta, Netherlands, Portugal, Spain.	300.00 euros
GROUP 3 = cost of living LOW: Bulgaria, Croatia, Estonia, Latvia, Lithuania, North Macedonia, Poland, Romania, Serbia, Slovakia, Slovenia, Czech Republic, Turkey, Hungary.	250.00 euros

<i>Partner Countries</i>	<i>per month</i>
United Kingdom, Switzerland	350.00 euro

The EU contribution for the "**SHORT MOBILITY**" mobility (Programme Countries only), **provided only for PhD students** will be paid on the basis of a daily amount

<i>Duration</i>	<i>day</i>
Mobility " SHORT MOBILITY " for a period between 5 and 14 days	70 euros
Mobility " SHORT MOBILITY " for a period between 15 and 30 days	50 euros

4. In the event that the Erasmus + funds run out or if the student benefits from the simultaneous assignment of other university or EU funding, it will be possible to attribute the status of "Erasmus zero eu-grant" to the student: in this way the student will be able to take advantage of the benefits linked to the mobility, without receiving the EU contribution.

ART. 4.2 ERASMUS+ TRAVEL CONTRIBUTIONS

1. As part of Action 1 envisaged by the Erasmus+ 2021/2027 programme, *green transport*, i.e. travel methods with a low level of CO2 emissions, will be fostered to make international mobility more inclusive and sustainable.
2. A "*Travel Grant Green*" contribution will therefore be recognized to those who use sustainable means of transport (such as train, car sharing, bus) to reach their destination in Erasmus Partner Countries.
3. The contribution will be recognized at the end of the Erasmus mobility carried out **and will be paid following the presentation of the supporting documents proving the actual green trip.**

Those who undertake a sustainable journey will be awarded: a one-off TOP UP contribution of € **50.00** and a **daily allowance with a value corresponding to the daily amount relating to the monthly grant.** The allowance will be recognized for each day of green travel (both outward and return) necessary in order to reach the destination for **a maximum of 4 days.**

ART. 4.3 SAPIENZA AND MUR SUPPLEMENTARY CONTRIBUTIONS FOR DISADVANTAGED ECONOMIC CONDITIONS

1. In addition to the EU contribution, mobility beneficiaries will be able to receive additional supplementary contributions from Sapienza and the Ministry for University and Research (MUR).
2. The assignment of the **MUR contribution** will be graduated **on the basis of the economic condition of the student** who is obliged to prove it through ISEE (ISEE for the right to university study DPCM 159/2013).

3. **The data must be available on Infostud** before accepting the terms of the Financial Contract and in any case no later than **31.12.2023**. Otherwise, the ministerial quota cannot be assigned.

4. MUR contributions can only be paid if the student has renewed enrolment at Sapienza for the a.y. 2023/2024 unless in the condition of graduating (see art. 2.1, point 4)

IMPORTANT:

- All students and/or doctoral students, who **are exempt for any reason from presenting the ISEE** for the purposes of paying tuition fees, **in order to benefit from the MUR supplementary contribution, they will still have to apply for the ISEE 2023** (ISEE for the right to university study);
- MUR contributions **will not be paid to students who are enrolled after the first year onwards the regular duration of degree programme (fuori corso)** (for the count, reference will be made to the year of enrollment at Sapienza, even in the case of degree programme transfer).

5. For participants with tax residence abroad, the MUR contribution will be differentiated on the basis of the contribution levels of the country of origin, based on the resolution of the Board of Directors no. 455/2022 of 19.12.2022.

Students who fail to acquire during the mobility the recognition in their career, by 31/12/2023, of at least **6 credits**, reduced to **3 credits** for students who exclusively carry out research activities for the preparation of the thesis, **will be asked to return the MUR contribution possibly already paid** and the cancellation of any additions.

The recognition in the career must be completed exclusively by following the digitized procedures via the Erasmus personal page, which requires validation by the Academic Mobility Manager (see art. 9). The above limits do not apply to **PhD and Specialization students**

ART. 4.4 INTEGRATION FOR STUDENTS WITH DISABILITIES AND/OR WITH SPECIAL NEEDS

1. In order to allow for a wider participation in the mobility by students, **the Erasmus+ National Agency Indire disburses additional funds to support students with disabilities and/or with special needs.**

2. Interested students must report the disability/special need, **both in the application phase and in the mobility acceptance phase.**

3. Students who intend to take advantage of the special needs contribution will receive information on how to apply as soon as the Erasmus+ INDIRE National Agency provides details, the information note will be published on the web page: <http://www.uniroma1.it/erasmus/students-students/erasmus-students-withdisabilities> .

4. **The disbursement of the contribution for special needs is subject to the allocation of funds from the Erasmus Plus National Agency INDIRE.** If financial coverage is not available in whole or in part, the student will have to bear the costs independently.

ART. 4.5 TAX TREATMENT OF THE ERASMUS + CONTRIBUTION

1. Pursuant to Art. 1, paragraph 50 of Law no. 208 of 28.12.2015 the exemptions provided for in article 1, paragraph 3, of decree-law n. 105 of 9 May 2003, converted, with amendments, by law no. 170 of 11 July 2003, subject to further regulatory changes.

ART. 5 AVAILABLE DESTINATIONS AND PLACES

1. Students can apply for a minimum of 1 to a maximum of 2 destinations.

2. **The order of priority indicated at the time of application is binding for the assignment of the destination if the candidate is eligible for more than one destination. When choosing the destination, it is essential to pay attention to the language level required in order to be able to attend lessons and sit exams** (see art. 2.4 " EXEMPTION FROM LANGUAGE TESTS").

MOBILITY LEVELS

1 = Undergraduate (Bachelor's);

2 = Postgraduate (Master's, Single-cycle Degree programmes);

3 = Doctoral (Specialisation or PhD Programmes)

Destinations and available places could undergo changes should amendments be introduced by the partner universities or by the European or national bodies that regulate the programme. It is recommended **that you independently inquire about the possibilities of studying at foreign campuses by checking the educational offer** on the websites of the individual universities.

4. Furthermore, for agreements that have yet to be stipulated digitally through the Erasmus Without Papers network, as foreseen by the new Erasmus + 2021-27 programme, it is possible that some conditions change during the stipulation phase and that not all selected students can actually take part in the exchange and/or can do so with the conditions set out in this notice. It will be the responsibility of the offices to ensure that this transition phase does not impact, as far as possible, on the selection of students, but it is important that candidates are informed that all locations with available places, as published, **are to be considered as "subject to"**.

5. It will not be possible to guarantee departure for the 1st semester to locations whose deadline for sending student nominations is prior to the publication of the final ranking. (art. 14 "END OF THE PROCEDURE").

6. When choosing mobilities, please pay attention to the language level required for attendance at the host location. The requirements in the table have been indicated by the individual partner universities. Students interested are nevertheless invited to personally investigate the actual correspondence of these requirements.

7. For locations with mobility for all levels (1, 2 and 3), one position is exclusively reserved for the third level.

ART. 6 EDUCATIONAL ACTIVITIES IN THE FOREIGN UNIVERSITY

1. In the application form, the student must indicate the learning activities he intends to carry out abroad, verifying in advance the consistency between the disciplinary framework envisaged by the host institution and that envisaged by his/her own study programme. In the event of an application submitted during the transition from a bachelor's degree programme (1st cycle) to a master's degree programme (2nd cycle), it is necessary to consider the academic activities envisaged by the study programme relating to the master's degree programme.

2. The activities will be indicative and can be perfected by preparing the official study plan (see art. 9 "LEARNING AGREEMENT") which must be approved by the Academic Responsible for Mobility of the study programme (RAM).

The **activities eligible** for mobility are as follows:

- Attendance of learning activities (courses) and passing of the related assessment tests (exams);
- Preparation of the degree and/or doctoral thesis;
- Curricular internship (only if provided for by the study plan). For information of an educational nature, the student, after having consulted the course catalogue of the foreign university, can contact the promoter of the agreement indicated next to the destination in art. 5 "AVAILABLE DESTINATIONS AND PLACES"
- **Doctoral students** and **students enrolled in Specialization Schools**, after having verified the actual possibility of carrying out the mobility abroad, must agree on the activity to be carried out with the Coordinator of the Doctoral /School of Specialization programmes and verify insurance coverage with the competent offices.

ART. 7 APPLICATION

ART. 7.1 DEADLINES AND SUBMISSION

1. **The deadline for completing the online application form is 6 March 2023 at 2.00 pm (Italian time).**

For technical assistance, it is possible to fill in the Help Desk form, available at the link: <https://relint.uniroma1.it/candidatura/sendmail.aspx>

3. For the submission of the application, **the use of the institutional e-mail account (surname.matricola@studenti.uniroma1.it) is mandatory.**

The institutional e-mail address will be the only contact used for all communications relating to the Call and subsequent procedures.

4. At the end of completing the application, the student will receive, **at his institutional e-mail address**, the report relating to the data entered **as the only proof of the correct submission of the application**. Each candidate will therefore have to verify receipt of the report, check the accuracy of the data provided and promptly communicate any compilation/receipt errors to the Faculty Erasmus Administrative Manager erasmuscomunicazione@uniroma1.it

ART. 7.2 DOCUMENTS TO BE SUBMITTED

a. a valid **identity document**

b. **Linguistic certification** (only in the case provided for by art. 2.4.2 "LINGUISTIC TEST EXEMPTION")

PLEASE NOTE: Failure to upload the mandatory documents, as well as the lack of truthfulness of the self-certified information, will constitute grounds for exclusion.

ART. 7.3 "SHORT MOBILITY" APPLICATION FOR DOCTORAL STUDENTS

1. Doctoral students who intend to apply for the locations intended for them and who intend to carry out an Erasmus+ "SHORT MOBILITY" mobility, are required to declare it in the application phase by placing a flag in the appropriate field corresponding to the selected university.

2. **If the option short mobility has not been declared in the application, the mobility will be considered a long mobility and must comply with the requirements** (see Art. 3 DURATION).

3. Before starting the mobility, [the Erasmus office of the Faculty](#) must acquire formal **confirmation** of the "Short mobility" from the host University.

ART. 8 RANKINGS

ART. 8.1 FORMULATION OF THE RANKINGS

1. A Commission - made up of CAM/RAM and RAEF of the department and appointed by CAM Giovanna Gianturco - will evaluate the applications.

2. Two rankings will be drawn up:

- a ranking for the CIVIS alliance destinations
- a ranking for the other Erasmus+ destinations

3. The selection will be made by qualifications according to the evaluation criteria that will be formalized by the Commission in the settlement report and will in any case be defined in full coherence with the elements being evaluated.

1. Academic merit: 0 – 2000 points

Academic merit is calculated with the following formula:

$$\frac{n. ECTS\ acquired}{YEAR\ OF\ STUDY} \times WEIGHTED\ AVERAGE\ of\ votes$$

In case of "Departure in the next cycle", the academic merit is still calculated in the basis of Bachelor career.

For students enrolled in a master's degree course, the 180 credits of the Bachelor career are added to the credits acquired; the year of the course is determined by adding the 3 years of the bachelor career to the year of enrollment. The weighted average of votes is determined by arithmetic average of the weighted average of bachelor career and that of master's degree.

For students of a master's degree program, who have obtained a three-year degree abroad, the Bachelor graduation mark on a flat-rate basis is 88/110 (arithmetic average rounded down, between minimum and maximum degree mark in Italy).

The average 30 with honors is calculated as 31; the graduation mark 110 with honors is calculated as 111.

PLEASE NOTE: In calculating the weighted average and the credits acquired, the following will not be taken into consideration:

- exams taken abroad during the Erasmus stay for which the validation procedure has not yet been completed;
- extracurricular exams pursuant to art. 6 of the Royal Decree n. 1269/38 since these exams do not contribute to the achievement of the credits required for the achievement of the title;
- integrated exams and ADE (elective teaching activities) if the credits relating to all the tests that make up each integrated exam have not been achieved;
- "single course" exams if they have not already been recognized in the Bachelor's degree course, single-cycle Master's degree course or single-course degree course in which the student is enrolled for the current academic year;
- exams cancelled due to failure to comply with the propaedeutic requirements;
- exams declared as taken and which are, on the other hand, only booked and not taken or even not booked.

In the assignment of the mobility, **with equal scores**, priority will be given to students who have never benefited from Erasmus mobility for study reasons, Erasmus placement/traineeship.

2. Linguistic competence: 0 - 2000 points.

The linguistic competence is evaluated according to what is indicated in the art. 2.4, with the following scores:

A2= 50 points; B1=500 points; B2=1000 points; C1=1500 points; C2=2000 points.

If the requirements for a destination include different languages and the candidate is competent in them, the score will be given for the principal one spoken in the destination country.

In case of different titles for the same language, the Commission will take into consideration the one with the higher score.

3. Learning Agreement (proposal): da 0 - 2000 points.

The Learning Agreement (L.A.) is the official study plan that defines the teaching activity to be carried out abroad and guarantees the recognition of the credits obtained by passing the exams/ thesis research. The Learning Agreement proposal is a draft of the official study plan.

For applicants enrolled in a Bachelor's or Master's degree program:

the Learning Agreement proposal is a draft of the study plan containing the list of exams to be taken at each chosen location and should be indicated in the online application section called "motivation" (for each location). In this section you must enter only the list of foreign examinations with a clear indication of the correspondence with each Italian exam of your educational path which you want to obtain recognition.

Foreign and Italian exams must be listed with epigraph (name of the exam) and ECTS/CFU. The epigraph of foreign examinations must be given in the same language of study as that intended for use in the chosen location and subject to CLA test or exemption.

The online application form contains a special section in which to list the foreign exams that you intend to take in each chosen location. This section does not allow to indicate the correspondence with the Italian exams. This section must also be completed.

The Learning Agreement proposal is evaluated by RAM Prof. Giovanna Gianturco. The score is awarded on the basis of quality, consistency and consistency of the proposed project. The score for the Learning Agreement proposal is therefore not assigned exclusively based on the number of CFUs that compose it. Each CFU is worth 66.66 points. The resulting score is rounded up or down. The foreign exams indicated in the proposed Learning Agreement must all be delivered in the same semester of mobility. The number of CFUs/ECTS indicated must correspond to the number subsequently entered in the L.A.: minor decreasing variations are allowed, while for increasing variations there are no limits. The examinations formalised in L.A may differ from those indicated in the study plan.

Application for "starting the next cycle": in the "motivation" field, it is also necessary to indicate the Master's Degree Programme for future enrolment.

If the L.A. proposal is not completed or is not consistent with these indications, the score will be equal to "0".

Students wishing to benefit from Erasmus mobility for thesis research must indicate in the study project the title, the subject of the thesis and the name of the speaker.

For applicants enrolled in a PhD program:

The Learning Agreement proposal consists in indicating the title of the thesis and the object of the research; it is assigned a score from 0 to 2000 points, based on a qualitative evaluation carried out by RAM Prof.ssa Giovanna Gianturco.

If the L.A. proposal is not completed or is not consistent with these indications, the score will be equal to "0".

The flow of ranking for students who appear in both rankings referred to in point 2 of art. 8.1, occurs on the basis of the highest score.

The scrolling list for students appearing in both lists (point 2 of 8.1 article), will be based on the highest score.

4. On the basis of the criteria indicated above, the Commission will draw up a **provisional ranking** which will be published at the link <https://web.uniroma1.it/coris/internazionalizzazione/erasmus/bandi>

5. The ranking will be considered definitive if, after 10 consecutive calendar days from the date of publication, no requests for revision have been presented to the Faculty of Political Sciences, Sociology, Communication – Department of Communication and Social Research – Via Salaria 113, 00198, Rome RM erasmuscomunicazione@uniroma1.it

6. The **final ranking** will be published on the link: <https://web.uniroma1.it/coris/internazionalizzazione/erasmus/bandi>

ART. 8.2 ACCEPTANCE OF MOBILITY

1. Winners must accept the assigned mobility within the following **7 calendar days from the assignment**.
2. **Failure to comply with the 7 day deadline will be understood as a waiver.**
3. For the final assignment of the Erasmus+ mobility, the student must have:
 - Completed the *Learning Agreement* on the Erasmus personal page and approved by the RAM;
 - Approval of the terms of the Financial Contract between the student and Sapienza, according to the indications that will be provided at the time of the mobility assignment, which must take place **before** the start of the mobility, otherwise **the student will not be authorized** to benefit from the mobility and will not receive any financial coverage, where provided, and insurance coverage.
4. **Inclusion in the final rankings will not automatically entail the right to carry out the mobility, since the actual assignment will depend on compliance with the teaching constraints/requisites defined by each Study Programme, by the Faculty and by the assigned destination.**

The benefit of the mobility is in any case subject to acceptance by the foreign which could request further certifications or **refuse the candidacy on the basis of its own rules** not specified in the interinstitutional agreement signed by Sapienza with the partner university.

ART. 8.3 RENOUNCEMENT OF MOBILITY AND REPLACEMENTS

1. **Acceptance of mobility is a serious commitment undertaken by the candidate.** Eligible students will therefore have to limit withdrawals, after acceptance or at the beginning of the mobility period, to serious and proven cases of force majeure, to be communicated in writing and duly justified to allow the first reserve candidate to take over in good time.

In case of renunciation, the Faculty Erasmus Office will proceed to assign the mobility to students next in the ranking who can then be contacted by e-mail at their institutional address and be asked to give feedback within 3 working days, failing which the mobility will be revoked.

ART. 9 LEARNING AGREEMENT

1. Mobility beneficiaries must complete the official study plan, the so-called **Learning Agreement (LA)** which **defines the teaching activity to be carried out abroad** and which **guarantees the recognition of the credits obtained** by passing the exams/thesis research abroad.
The definition and consequent approval of the LA are mandatory and binding for the purposes of benefiting from the mobility, under penalty of exclusion from the mobility.
2. The LA must include exams or teaching activities aimed at obtaining and recognizing at **least 6 credits (not less than 3 credits in the case of mobility for thesis research only)**.
3. **Students who do not meet these conditions, if assigned a MUR contribution, will be required to fully return this contribution:** PhD and Specialization Students are excluded from this limit.

At the end of the mobility, **the student will have to start the procedure for recognition of the academic or research** carried out at the foreign university. The digitized procedure must be completed **exclusively through the Erasmus personal page**. Otherwise, the student will be required to repay the MUR contribution in full

ART. 10 PROCEDURAL AND LOGISTICAL INFORMATION

1. Before submitting their application, students must consult the information available on the web pages of the host universities in order to formulate the study plan to be carried out at the host university. This information will also be binding for the purpose of assigning the mobility.

To carry out research for Degree, Doctoral or Specialization theses, the project must be agreed in advance with the Italian supervisor and the RAM, on the basis of the agreements established with the professor of the host University.

2. Erasmus students, at the end of the courses, will have to take the exams as required by the host university. The recognition of the educational activities carried out will take place as indicated by the Faculty and by the "Regulations for student mobility and the recognition of periods of study and training abroad". Exams taken abroad must be validated in compliance with any propaedeutic constraints envisaged by the regulations of your degree course.

3. The student must independently inform himself about any accommodation opportunities offered by the host universities. He must also inquire about:

- Health care in the host country, by contacting his ASL or diplomatic missions and consulting the link: <http://www.salute.gov.it/>;
- How to enter the host country, if you are a non-EU citizen, by promptly contacting the respective diplomatic missions (Embassies and Consulates). The legislation and regulations governing the entry of non-EU students into the countries participating in the Erasmus+ Program are linked to the nationality of these students: it is the student's responsibility to collect, with the necessary advance, the information and obtain the documents that will allow the entry and stay in the country of destination.

4. The accident and civil liability insurance that the student automatically benefits from when enrolling at Sapienza is extended, in the same manner, for the entire period of stay abroad at the host institution <https://www.uniroma1.it/it/node/24654>.

However, it is recommended to evaluate the opportunity to take out additional insurance coverage for travel and medical expenses not covered by the European TEAM card. It is also recommended to register on the MAECI website managed by the "Where we are in the world" Crisis Unit (www.dovesiamonelmondo.it), clearly indicating the requested data: names, city/town, destination university, updated contact details and period of stay.

ART. 11 CHECKS

1. On the basis of art. 71 of Presidential Decree 445 of 28/12/2000, the Administration will proceed to carry out appropriate checks, even on a random basis, and in all cases in which there are well-founded doubts about the truthfulness of the self-certifications.

The lack of truthfulness of the information, declared or self-certified, constitutes a reason for exclusion/forfeiture.
