An immunocytochemical and ultrastructural study", presented in Ghent (Belgium) at the Vth International Congress of pediatric otorhinolaryngology, 5th-9th June 1990</p> <p>-Italian Society of Otolaryngology Head &amp; Neck Surgery Award for the article: "Studio pilota sull'efficacia della S-Carbosimetil-Cisteina nella terapia delle rino-sinusiti acute e croniche", Stresa, Maggio 1990</p> <p>-Premio Lecco nell'anno 1991 per il lavoro "l'interleuchina 6 è il fattore di crescita autocrino di una linea tumorale di adenoma pleomorfo della parotide"</p> <p>-Premio "Caliceti, Citelli, Pietrantonio", terzo posto, per l'anno 1995 per il lavoro: "La espressione dell'antigene Sialosil-In è correlata con la sopravvivenza nei</p>

pazienti con adenocarcinoma di tipo intestinale naso-sinusale"

-Selezione dell'articolo "Prognostic significance of clinically false positive cervical lymph nodes in patients with laryngeal carcinoma" per la pubblicazione sullo Year Book of Otolaryngology- Head and Neck Surgery dell'anno 1996

-Selezione dell'articolo "p53 oncoprotein expression in parotid gland carcinoma is associated with clinical outcome" per la pubblicazione sullo Year Book of Pathology and Clinical Pathology dell'anno 1997

-Premio Firenze del Centro Culturale Firenze - Europa: Diploma d'onore per la Ricerca Medica. 14/11/1998.

-2001. Premio "Bilancioni, Ferreri, Gradenigo" a Genova per il lavoro: Analisi dei microsatelliti nella determinazione del rischio di molteplicità tumorale nei pazienti con carcinomi della testa e del collo

-2002 Grant Pharmacia Inc. and American Society of Clinical Oncology (ASCO) for the study project: "Phase III Randomized Placebo-Controlled, Double-blind Study of Celecoxib in Patients with Advanced Squamous Cell Carcinoma of the Oral Cavity and Oropharynx Treated by Concomitant Chemo-Radiation Therapy".

-2003 Primo premio per la miglior microanastomosi nel corso: "Experimental microsurgery in Head and Neck reconstruction". Pavia 2003 diretto dal Prof. Mira e Prof. Benazzo.

-Primo premio Francesco Marzetti per il miglior video oncologico al Congresso Nazionale SIO, anno 2008, Torino: "Infrahyoid cervical flap in oral cavity reconstruction"

-Premio "Bilancioni, Ferreri, Gradenigo" per l'anno 2009, per il lavoro: Amplificazione genica dell'espressione di EFGR negli adenocarcinomi nasosinusal di tipo intestinale

-Premio "Bilancioni, Ferreri, Gradenigo" per l'anno 2010, per il lavoro: Fattori di rischio per i tumori multipli nei pazienti affetti da cancro del testa-collo

-2010 Terzo premio SIO per il lavoro: "Le cellule staminali cancerose nei tumori squamocellulari del distretto testa-collo".

-Premio "Caliceti, Citelli, Pietrantonio" anno 2012, primo classificato per il miglior lavoro sperimentale in ambito chirurgico oncologico: I margini di resezione nella chirurgia conservativa della laringe: potenziale impatto prognostico della strumentazione chirurgica

-Premio "Bilancioni, Ferreri, Gradenigo", terzo posto, per l'anno 2013 per il lavoro: "Caratterizzazione fenotipica e funzionale in vitro di una popolazione di cellule staminali stromali mesenchimali a potenzialità immunosoppressiva nei tumori a cellule squamose della testa e del collo"

-Premio "Caliceti, Citelli, Pietrantonio", terzo posto, per l'anno 2014 per il lavoro:

	<p>"Valutazione dell'efficacia dell'agopuntura nella terapia della sindrome algico-disfunzionale della spalla dopo svuotamento linfonodale del collo"</p> <p>-Secondo premio "Caliceti" 2014 per il miglior lavoro sperimentale in oncologia del testa-collo</p> <p>-Premio Lecco 2014 per il lavoro dal titolo: metastasi a distanza da carcinoma parotideo: analisi retrospettiva di un singolo istituto</p>
