

## Europass Curriculum Vitae

### Personal information

First name(s) / Surname(s) **Prof. Domenico ALVARO**

Address(es)

Telephone(s)

Fax(es)

E-mail

Nationality Italy

Gender Male

### Work experience

SSD= MED/12 (Gastroenterology)

Work experience

Dates 2005-present Full Professor of Gastroenterology, Univ. Sapienza, Rome

2002-2005 Associate Professor of Gastroenterology, Univ. Sapienza, Rome

2001-2002 Researcher, Gastroenterology, Univ. Sapienza, Rome

1988-2001 "Funzionario Tecnico, Univ. Sapienza, Rome

1990-1992, Associate Researcher" Digestive Diseases, YALE Univ. USA.

Current:

Full Professor of Gastroenterology, Chief of Department of Translational and Precision Medicine

Chief of Div. Gastroenterology, Policlinico Umberto 1° University Hospital.

Dates

Occupation or position held **Div. Gastroenterology, Policlinico Umberto 1° University Hospital.**

Main activities and responsibilities

2003-present, Teaching Patologia Integrata III, CCLE  
2003-present, Teaching at Scuola di Specializzazione Gastroenterologia , Sapienza Rome  
2004-present, Appointed Coordinator of Patologia Integrata III, Medical School Faculty, CCLA Sapienza Univ. of Rome, Italy  
2005-present, Teaching at Master in Experimental and Clinical Hepatology  
2008-Present, Editorial Board Digestive and Liver Diseases  
2008-2010, President Italian Society Gastroenterology (Sezione Lazio)  
2008-2016, Responsabile (law)-Editor of Digestive and Liver Disease  
2010-present, Member of Medical Academy Rome  
2010-present, Chief of the Latina Regional Center for Celiac Disease  
2011-present, Member of Editorial Board Hepatology  
2011-2012, Member Working Team, Italian Drug Agency (AIFA)  
2011-2016, Member of steering committee Department of "Scienze e Biotecnologie Medico-Chirurgiche", University of Rome "Sapienza".  
2014-present, Responsible of the Centre of Rare Disease, ASL Latina  
2015-present, Member of the Faculty Committee for the appointment of Professor Emeritus  
2015-preent, Representative of the Sapienza University in the consortium for organ transplant  
2016-2018 Member of the steering committee Italian Society of Gastroenterology  
2018-present. President of Italian Society of Gastroenterology (SIGE)  
2018- Chief of Department of Translational and Precision Medicine, University of Rome Sapienza, Italy

Name and address of employer	Department of Translational and Precision Medicine, University of Rome Sapienza, Italy																																		
Type of business or sector	Gastroenterology (MED12)																																		
<b>Education and training</b>																																			
Dates	1988 Bursary National Health Institute, Rome 1987 Bursary National Health Institute, Rome 1986 Bursary National Health Institute, Rome 1988 Specialization Gastroenterology Univ. Sapienza Rome 1985 Specialization Internal Medicine, Univ. Sapienza Rome 1981 Bursary Health Ministry, Rome 1980 Master's degree in medicine at the University of Rome "La Sapienza" with honours																																		
Title of qualification awarded																																			
Principal subjects/occupational skills covered																																			
Name and type of organisation providing education and training																																			
Level in national or international classification	(remove if not relevant, see instructions)																																		
<b>Personal skills and competences</b>	Research activity in the field of liver damage, liver regeneration, drug-induced liver damage, drug-transporters in the liver, hepatic cell proliferation and apoptosis, cholestasis, liver disease pathophysiology and treatment, Hepatic Stem-cells, regenerative medicine of liver and pancreas, cholangiocarcinoma.																																		
Mother tongue(s)	<b>Specify mother tongue</b> (if relevant add other mother tongue(s), see instructions)																																		
Other language(s)																																			
Self-assessment																																			
<i>European level (*)</i>

Serum and biliary insulin-like growth factor I and vascular endothelial growth factor in determining the cause of obstructive cholestasis. ANNALS OF INTERNAL MEDICINE (ISSN: 0003-4819), 451- 459, 147(7);

**Patent:**

1. 2011. International patents in biliary tree stem cells. . WO 2011053690 A1. U.S. Patent Application No.:61/256,846
  2. 2014: Method of Treating Pancreatic and Liver Conditions by Endoscopic-Mediated (or Laparoscopic-Mediated) Transplantation of Stem Cells into/onto Bile Duct Walls of Particular Regions of the Biliary Tree
- Textbooks (Chapters, etc.) Co-Editor of the book on "Pathophysiology of the Bile Duct System", Landes Biosciences Publishing, Georgetown, Texas, USA.
- Co-Editor of the book on "Pathophysiology of the Intrahepatic biliary epithelium", Transworld Research Network.

Rome, November 19, 2018.
