

VALENTINA BACCOLINI  
Curriculum Vitae – WEB version

**Part I – Education and training**

Type	Time period	Description
PhD	01/11/2022 - ongoing	PhD in Innovative Biomedical Technologies in Clinical Medicine (Cycle XXXVIII) Sapienza University of Rome, Rome, Italy
Master	03/09/2019 - 28/05/2020	Master's degree in Public Health, Quantitative Methods track Harvard TH Chan School of Public Health, Boston, USA
Post-graduate school	8/11/2019	Diploma in Hygiene and Preventive Medicine Sapienza University of Rome, Rome, Italy
Post-graduate course	14/12/2020 - 17/12/2020	Course “Stata Programming: A Little Bit of Programming Goes an Awfully Long Way...” T-Stat school, Rome (online)
Post-graduate course	22/03/2018 - 30/01/2019	Advanced Training Course "Medical Pedagogy and Didactics" Sapienza University of Rome, Rome, Italy
Post-graduate course	13/12/2019 - 14/12/2019	Course "Linear and logistic regression in health care using Stata" T-Stat school, Rome, Italy
Post-graduate course	03/05/2018 - 11/10/2018	Advanced Training Course "Cochrane Systematic Reviews and Meta-Analysis" University of Modena and Reggio Emilia, Italy
Post-graduate course	10/05/2017 - 11/05/2017	Course “Atlas.ti for starters” Erasmus University, Rotterdam, The Netherlands
Post-graduate course	05/12/2016 - 09/12/2016	Course "Epidemiology for Planning and Evaluation in Public Health" "G. D'Alessandro" School of Epidemiology and Preventive Medicine, Erice (Trapani), Italy
Post-graduate course	20/06/2016 - 24/06/2016	Course “Foundations of Economic Evaluation in Healthcare” Center for Health Economics, University of York, York, United Kingdom
University graduation	02/10/2014	Degree in Medicine and Surgery University of Modena and Reggio Emilia, Italy
University training	31/01/2012 - 20/07/2012	Erasmus Project Universitat Rovira i Virgili, Tarragona, Spain
High school Diploma	07/2008	Diploma “Alessandro Tassoni” High School, Modena, Italy

**Part II – Appointments and professional experience**

Time period	Description
01/11/2022 - ongoing	PhD student in Innovative Biomedical Technologies in Clinical Medicine (XXXVIII Cycle), Sapienza University of Rome, Rome, Italy
04/10/2022	National Scientific Qualification to the functions of Associate Professor (06/M1 – MED/42, General and Applied Hygiene, Nursing Sciences and Medical Statistics)
13/05/2022 - ongoing	Editor of the Special Issue entitled “Public Health Literacy and COVID-19 Pandemic”, International Journal of Environmental Research and Public Health
01/03/2022 - ongoing	Editor of the Methodology section of Archives of Public Health (IF: 2,736, JCR 2021)
02/02/2021 - ongoing	Assistant Professor - Researcher type A (RTD-A, SSD: MED/42, General and Applied Hygiene), Department of Public Health and Infectious Diseases, Sapienza University of Rome
26/01/2021 - 28/02/2023	Editor of the Special Issue entitled “Epidemiology, Vaccination and Public Health”, in the Vaccines journal (IF: 4.961, JCR 2021)
01/12/2019 - 31/01/2021	Research fellow (SSD: MED/42, General and Applied Hygiene), Department of Public Health and Infectious Diseases, Sapienza University of Rome
03/09/2019 - 28/05/2020	Research activities at Harvard TH Chan School of Public Health, Boston MA, USA
19/02/2019 - ongoing	Member of the Technical Secretariat of the National Committee for the Verification of

	the Elimination of Measles and Rubella in Italy, Decree of the Ministry of Health dated 19/02/2019 and Decree of the Ministry of Health dated 24/05/2023
01/11/2015 - 31/10/2019	Postgraduate School in Hygiene and Preventive Medicine, Sapienza University of Rome
01/03/2017 - 31/08/2017	Research activities at VU University Medical Center Amsterdam, Amsterdam, The Netherlands
02/2015	Professional license to practice and registration to the Modena Register of Surgeons and Dentists No. 6944

### Part III – Teaching experience

Academic Year(s)	Institution	Teacher/Lecturer
2022/2023 - ongoing	Sapienza University of Rome	"Epidemiology" course (module: MED/42, 2 credits) at "Nursing Sciences B" degree course
2022/2023 - ongoing	Sapienza University of Rome	"Basic Medical Scientific Methods II" course (module: MED/42, 1 credit) at "Dentistry and Dental Prosthodontics" degree course (taught in English)
2021/2022 - ongoing	Sapienza University of Rome	"Medical Scientific Methods: Public Health X" course (module: MED/42, 1 credit) at "Medicine and Surgery Degree F" degree course (taught in English)
2021/2022 - ongoing	Sapienza University of Rome	"Health Promotion and Safety" course (module: MED/42, 1 credit) at "Nursing Sciences H" degree course
2020/2021 - ongoing	Sapienza University of Rome	"Basic Medical Scientific Methods II" course (module: MED/42, 1 credit) at "Medicine and Surgery Degree F" degree course (taught in English)
2020/2021 - ongoing	Sapienza University of Rome	"Evidence-Based Rehabilitation" course (module: MED/42, 1 credit) at "Physiotherapy C" degree course
2020/2021 - ongoing	Sapienza University of Rome	"Advanced training in Epidemiology and Biostatistics" course (24 hours) at "Hygiene and Preventive Medicine" post-graduate school
2019/2020 - ongoing	Sapienza University of Rome	"Orientation to Excellence and Application of Evidence in Organizational Settings" module (8 hours) at "Management for Coordinating Functions of Healthcare Professionals" master's degree course
Academic Year(s)	Institution	Other roles
2021/2022 - ongoing	Sapienza University of Rome	PhD Advisor for n. 1 student enrolled in the "Advances in Infectious Diseases, Microbiology, Legal Medicine and Public Health Sciences" PhD program
2020/2021 - ongoing	Sapienza University of Rome	Supervisor of resident physicians enrolled in the "Hygiene and Preventive Medicine" post-graduation school
2022/2023	Sapienza University of Rome	Thesis co-advisor for n.1 student enrolled in the "Medicine and Surgery Degree C" degree course
2020/2021	Sapienza University of Rome	Thesis advisor for n.1 student enrolled in the "Medicine and Surgery Degree F" degree course (taught in English)
2020/2021	Sapienza University of Rome	Subject Expert in Public Health at "Medical Scientific Methods: Public Health X" (module: MED/42, 2 credits) at "Medicine and Surgery Degree F" degree course (taught in English)
2017/2018 - 2018/2019	Sapienza University of Rome	Teaching Assistant at "Medical Scientific Methods: Public Health X" (module: MED/42, 2 credits) at "Medicine and Surgery Degree F" degree course (taught in English)

**Part IV - Society memberships and awards**

<b>Year(s)</b>	<b>Membership</b>
2017 - ongoing	Member of the Italian Society of Hygiene, Preventive Medicine, and Public Health (S.It.I)
2017 - ongoing	Member of the European Public Health Association (EUPHA)
2018 - ongoing	Member of the Roman Academy in Public Health
<b>Year</b>	<b>Award</b>
2021	Young Researcher Award DSPMI 2021, Department of Public Health and Infectious Diseases, Sapienza University of Rome, Rome, Italy
2022	Finalist among the eight best posters at the 5th GISA National Congress (Italian Group for Antimicrobial Stewardship)

**Part V – Projects and funding information (grants as PI-Principal Investigator, I-Investigator, or SC-Scientific Coordinator)**

<b>N</b>	<b>Years</b>	<b>Title</b>	<b>Institution/organization, funding program</b>	<b>Total grant value, role (PI, I, SC)</b>
1	2015 - 2018	Personalized PREvention of Chronic DIseases (PRECeDI)	European Commission, Horizon 2020 - Marie Skłodowska-Curie Research and Innovation Staff Exchange (RISE 2014)	
2	2016 - 2017	Predisporre strumenti per l'innovazione del Sistema Sanitario basata sull'uso delle conoscenze genomiche e sulla medicina personalizzata [Set up tools for Health System innovation based on the use of genomic knowledge and personalized medicine]	Ministry of Health, CCM Project 2015 - Central Actions	
3	2016 - 2018	Azioni a sostegno del piano nazionale per l'eliminazione del morbillo e della rosolia congenita [Actions to support the national plan for the elimination of measles and congenital rubella]	Ministry of Health, CCM Project 2015 - Central Actions	
4	2017 - 2020	Adult Cognitive Decline Consciousness	European Commission, Erasmus + Project 2017	
5	2017 - 2021	Improving maternal health literacy on vaccinations to contrast vaccine hesitancy and increase immunization rates. A long-term public health strategy	Sapienza University of Rome, Large Research Projects 2017	
6	2019 - 2022	Finding ITACA (Information, Training, Accessibility, Caregivers, Assessment). Effect of a family nurse-led multifactorial intervention on health-related quality of life, self-care, and avoidable healthcare use among discharged chronic patients. A randomized controlled trial	Sapienza University of Rome, Large Research Projects 2019	
7	2019 - 2023	European network staff eXchange for integrATing precision health in the health Care sysTEms (EXACT)	European Commission, Horizon 2020 - Marie Skłodowska-Curie Research and Innovation Staff Exchange (RISE 2018)	
8	2019 - 2023	Definizioni e promozione di programmi per l'implementazione delle azioni	Ministry of Health, CCM Project 2019 - Central	

		centrali di supporto al “Piano --per l’innovazione del sistema sanitario basata sulle scienze omiche” [Definitions and promotion of programs for the implementation of central actions to support the "Plan--for health system innovation based on omics sciences"]	Actions
9	2020 - 2022	Impatto della pandemia da COVID-19 nella popolazione residente a Roma: uno studio pilota [Impact of the COVID-19 pandemic on people living in Rome: a pilot study]	Sapienza University of Rome, Research Projects for Beginners 2020
10	2020 - 2022	Indagine sulle attitudini nei confronti della vaccinazione anti – SARS-CoV2 nella popolazione generale e tra gli operatori sanitari del territorio italiano [Survey of attitudes toward anti-SARS-CoV2 vaccination in the general population and among healthcare workers in the Italian territory]	Ministry of Health, CCM Project 2020 - Central Actions
11	2021 - 2023	Strategia genomica italiana: istituzione di una cabina di regia a supporto dell’iniziativa europea 1+Million Genomes (1+MG) e Beyond 1+MG (B1MG) e del coordinamento interistituzionale per la genomica in sanità pubblica [Italian Genomics Strategy: establishment of a steering committee to support the European 1+Million Genomes (1+MG) and Beyond 1+MG (B1MG) initiative and interinstitutional coordination for genomics in public health]	Ministry of Health, CCM Project 2021 - Central Actions
12	2021 - 2023	Analisi dei Piani Pandemici Regionali e monitoraggio del loro stato di attuazione [Analysis of Regional Pandemic Plans and monitoring of their implementation status]	Ministry of Health, CCM Project 2021 - Central Actions
13	2022 - 2025	La cultura delle vaccinazioni come salvaguardia della salute pubblica ed individuale: pianificazione, realizzazione e valutazione di un intervento formativo negli studenti universitari di Sapienza ed elaborazione di strategie per la promozione dell'adesione vaccinale [Immunization culture as a tool to safeguard public and individual health: planning, implementation and evaluation of an educational intervention at Sapienza University students and development of strategies to promote vaccination adherence]	Sapienza University of Rome, Medium Research Projects 2021
14	2022 - 2025	PREvenire, Sorvegliare e Ulteriormente MONitorare le Infezioni Correlate all'Assistenza (PRE.S.U.MO-ICA) [Preventing, surveilling and further monitoring healthcare-associated infections]	Sapienza University of Rome, Medium Research Projects 2021

15	2022 - 2025	HEAL ITALIA – Health Extended Alliance for Innovative Therapies, Advanced Lab-research, and Integrated Approaches of Precision Medicine	European Union, Italian National Recovery and Resilience Plan (PNRR) - projects 2022
16	2022 - 2025	AGE-IT – A novel public-private alliance to generate socioeconomic, biomedical and technological solutions for an inclusive Italian ageing society	European Union, Italian National Recovery and Resilience Plan (PNRR) - projects 2022
17	2022 - 2025	INF-ACT – One Health Basic and Translational Research Actions addressing Unmet Needs on Emerging Infectious Diseases	European Union, Italian National Recovery and Resilience Plan (PNRR) - projects 2022
18	2023 - 2025	Analisi sull'accessibilità dei servizi di cure primarie e dell'impatto sugli accessi ad un Dipartimento di Emergenza Urgenza e Accettazione di I livello di un ospedale della Città Metropolitana di Roma [Analysis on the accessibility of primary care services and the impact on access to a Level I - Emergency Department of a hospital in the Metropolitan City of Rome]	Sapienza University of Rome, Medium Research Projects 2022
19	2023 -2025	TRACER-ICA: sviluppo di un approccio integrato evidence-based per monitorare, conoscere e prevenire le infezioni correlate all'assistenza in terapia intensiva neonatale [TRACER-ICA: development of an integrated evidence-based approach to monitor, study, and prevent healthcare-associated infections in the neonatal intensive care unit]	Sapienza University of Rome, Medium Research Projects 2022

### Part VI – Personal competencies

Mother tongue	Italian			
Other languages	COMPREHENSION		ORAL PRODUCTION	WRITTEN PRODUCTION
	Listening	Reading		
English	C1	C1	C1	C1
	IELTS: 7.5 - C1 (24/02/2018)			
Spanish	B2	B2	B2	B2
Digital competencies	Excellent knowledge of Microsoft Office Suite, Stata, RevMan Good knowledge of SAS, GraphPad, SPSS, TreeAge			

### Part VII – Scientific achievements

Product type	Number	Database	Start	End
Papers	53	Scopus	2016	2023
	49	Web of Science	2016	2023
Books or book chapters	8	/	2017	2022
Abstracts	76	/	2016	2023

Summary metric		Source
Total N. of products recognized for the National Scientific qualification as associate professor (ASN)	53	Scopus and/or Web of Science (07/06/2023)

Total impact factor *	200.301	
Average impact factor per product	3.78	
Total citations	519	Scopus (07/06/2023)
Average citations per product	9.79	
Hirsch (H) index	15	Scopus (07/06/2023)
Hirsch (H) index (last 10 years)	15	Scopus (07/06/2023)

\*Calculated using the JCR report referring to the product's publication year or the latest available (for 2022).

## Part VIII – Publications

### *In extenso publications*

- a1. Siena LM, Mussetto I, Renzi E, [Baccolini V](#), Migliara G, Sciurti A, Covelli A, De Vito C, Marzuillo C, Villari P, Massimi A. Decline in academic performance and mental health during the COVID-19 pandemic: a cross-sectional survey among Sapienza University of Rome students. Submitted for publication.
- a2. Antinozzi M, Cammalleri V, Ceparano M, [Baccolini V](#), Tufi D, De Giusti M, Villari P, Marzuillo C. Compliance with hand-hygiene guidelines among healthcare workers: a cross-sectional study at the Umberto I Teaching Hospital of Rome, Italy. Submitted for publication.
- a3. Isonne C, Petrone D, Del Manso M, Iera J, Caramia A, Bandini L, Fadda G, Grossi A, [Baccolini V](#), Costantino C, Pezzotti P, Siddu A, D'Ancona F. The Impact of Rotavirus Vaccination on Discharges for Pediatric Gastroenteritis in Italy: An Eleven Year (2009–2019) Nationwide Analysis. *Vaccines*. 2023; 11(6):1037. DOI: 10.3390/vaccines11061037. [IF 4.961, JCR 2021]
