ERASMUS+ PROGRAMME 2021/2022

FOREWORD: THE ERASMUS + 2021-2027 PROGRAM Mobility for study 2021/2022 will be governed by the legislation concerning the new seven-year period of the Erasmus program (2021/2027), the operational details of which are not yet known. The activities and funding provided for in this Call are therefore subject to the definition of the programmatic guidelines by the European Commission as well as the relative signing of the Erasmus 2021/2022 financial agreement between the Erasmus National Agency and Sapienza University of Rome. Therefore, in case of discrepancy with the provisions referred to in this call, the provisions of the new Erasmus 2021-27 program will prevail. The guidelines of the new Erasmus Program could provide for mobility of different duration and type compared to the previous program.

ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for one -cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtain the “Erasmus Student” status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

As per the “Regulations on Student Mobility and the Recognition of Periods of Study and Training Abroad” (D.R. N. 1436/2015 – 13/05/2015), in the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a period of academic mobility whose results will be fully recognized by the degree programme and the university.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad.](#)"

ART.1.2 PARTICIPATING COUNTRIES

For Academic Year 2021-2022, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden.
 - Following the Brexit Agreement, the UK government has decided to terminate the UK's participation in the Erasmus + program.
- **Non-EU Programme Countries:** Iceland, Liechtenstein, Norway, Republic of North Macedonia, Serbia, Turkey.

ART. 1.3 MOBILITY TOWARDS CIVIS ALLIANCE UNIVERSITIES

Sapienza is a partner of the “CIVIS - A European Civic University” Alliance financed by the European Union. The alliance has been active since October 1, 2019 and includes the following universities:

- Free University of Brussels, www.ulb.ac.be
- University of Tübingen, <https://uni-tuebingen.de/>
- Autonomous University of Madrid, <http://www.uam.es>
- Aix-Marseille University, <https://www.univ-amu.fr/>
- National Kapodistrian University of Athens, <https://en.uoa.gr/>
- University of Bucharest, <https://unibuc.ro/>
- University of Stockholm, <https://www.su.se/>

CIVIS is a synonym for the transnational collaboration of civic universities with a strong tie to the social and geographical context. It will allow the mobility of 400,000 students and 50,000 university personnel, promoting multilingualism and the diversity of European culture. The alliance is committed to implementing the principles of the Bologna Process and contribute to the development of a European Education Area. The European Civis Alliance is a space for teaching, research, cultural exchange and innovative action by citizens of Europe, the Baltic and the Mediterranean.

Over the course of time, it will activate a series of shared study programmes amongst the 8 European campuses to create a true European Higher Education Area and contribute to the development of a solid and multilingual European knowledge society. Education will be based on research and innovative didactic activities that will include, besides traditional Erasmus mobility, short mobility periods, including virtual and remote ones.

Students who participate in Civis mobility periods will become part of a European community and will benefit from upgraded services and innovative didactic programmes.

Project objectives include Erasmus mobility amongst universities in the alliance. In consideration of the fact that there will be an increase in mobility amongst partners, Sapienza will reserve **10% of total funds** for the mobility of students towards Civis Universities.

There are academic coordinators for Civis Mobility in each faculty:

<https://www.uniroma1.it/it/pagina/civis-luniversita-civica-europea>

The Civis Coordinator for the Faculty of Political Sciences, Sociology, Communication Sciences, is Prof. Mariella NOCENZI.

MOBILITY LEVELS

1 = Undergraduate (Bachelor);

2 = Postgraduate (Master, One-cycle Degree);

3 = Doctoral (Specialization or Doctoral Programmes)

PLEASE NOTE: Available places and destinations are subject to modifications if the partner universities or national and European organisations regulating the programme introduce variations. Before applying, please independently verify the feasibility of studying at your preferred destinations on the websites of the individual universities.

4. **The mobility period** indicated in this call is based on inter-university agreements. These periods may vary only in specific circumstances in which the student:

- Begins the mobility period during the second semester,
- Has already enjoyed periods of mobility during the same cycle of studies (see Art. 2.2.). In this case, the maximum mobility period will be reduced to satisfy the upper limit of 12 months per cycle of studies and 24 months for one-cycle degree programmes, in agreement with the host university.

PLEASE NOTE: the overall length of the mobility period cannot, in any case, be less than 90 days

5. It will not be possible to guarantee the beginning of a mobility period in the 1st semester for destinations that have a deadline (for the submission of student documents) that is not compatible with the schedule of this call (Art. 14 “END OF PROCEDURE”).

ART. 5 ACADEMIC ACTIVITIES ABROAD

1. Students must indicate the didactic activities they intend to pursue abroad on the application form. The indicated activities are not final and may be integrated upon completion of the official Learning agreement (Art. 8 “LEARNING AGREEMENT”) that will have to be approved by the Degree Programme Academic Mobility Coordinator (RAM).

2. Admissible mobility activities are:

- Attendance of courses and passing of exams;
- Preparation of graduation and/or doctoral thesis;
- Curricular traineeship (only if relevant)

3. For programme and course-related information, students should contact the agreement promoter for the destination university as indicated in Art. 4.

4. **PhD students and candidates enrolled in Specialization Schools**, after having verified their eligibility for a mobility period abroad, must agree on the educational programme abroad with the Coordinator of the PhD Programme/Specialization School in which they are enrolled. Moreover, they will have to ascertain their insurance coverage with the relevant offices.

ART. 6 APPLICATION

ART. 6.1 DEADLINES AND SUBMISSION

1. **The deadline for submission of the on-line application form is 15th March 2021 at 2.00 pm (Italian time).**

2. The application form is available at: <https://relint.uniroma1.it/candidatura/login.aspx>.

For technical issues, please contact the Help Desk form available at <https://relint.uniroma1.it/candidatura/sendmail.aspx>

3. In order to submit an application form, **you must use your university e-mail account** (familyname.studentnumber@studenti.uniroma1.it).

This will be the only official means used for communications for this call and subsequent procedures.

4. Once the application has been completed, each candidate will receive a report of all the data submitted at his/her university email address. Thus, all applicants must verify that they receive this report and that all the data submitted is correct. Any error must be immediately reported to the Faculty Erasmus Administrative Coordinator – Mr. Alessandro FRIJIA – e.mail address – erasmus.scienzepolitiche@uniroma1.it

PLEASE NOTE: the only valid receipt for your application is the e-mail you receive on your university account.

ART. 6.2 DOCUMENTS TO SUBMIT

In order to correctly complete the application process, students must fill out all fields of the on-line form and **verify the upload of the following documents**, which are an integral part of the application process:

1. **Scan of a valid identity document**,
2. **Language Certification** (see Art. 2.4.3 “EXEMPTION FROM LANGUAGE TESTS”)

Please Note: If the required documentation is not uploaded by the deadline, or the declared/self-certified information is not correct, the application will be rejected.

ART. 7 RANKING

ART. 7.1 RANKING PROCESS

1. A Commission (composed of RAM and RAEF and nominated by RAM) will evaluate all applications.
2. Two rankings will be produced: **one for CIVIS Universities and one for other Erasmus+ destinations.**

The selection process will be based on your academic transcript. Evaluation criteria will be finalized by the Commission during its first meeting and will be defined coherently with the evaluation requirements.

Evaluation criteria for selection purposes are:

1. Academic merit, 0 - 2000 points (criterion applied only to students enrolled in a three-year or master's degree course):

Number of ECTS acquired (for students enrolled in a Master's degree course, the ECTS acquired are added to the 180 ECTS of the three-year career) divided by the year of the course (for students enrolled in a Master's degree course, per year of the course add 3 years of the three-year career) multiplied by the weighted average of the marks (for those enrolled in a Master's degree course, the weighted average of the marks of the three-year career is also taken into consideration);

Note: the average of 30 with honors is calculated as 31

2. Language skills, 400 - 2000 points:

valued according to the provisions of art. 2.3.2 and 2.3.3;

For the purposes of the ranking, the following marks correspond to the levels of linguistic competence:

C2 = 2000; C1 = 1600; B2 = 1200; B1 = 800; A2 = 400;

3. Project study, 0 - 2000:

assessed by the Evaluation Body for each of the foreign offices indicated in the application.

To this end, the candidate must indicate for each chosen location, in the section called "motivation", the exams he intends to take abroad and the exams of his Italian study plan, of which he intends to obtain recognition.

PLEASE NOTE: In calculating the weighted average and the CFU acquired, the following do NOT count: - Exams taken abroad during the Erasmus stay if not yet validated as referring to exams for which the validation procedure has not yet been completed; - Extracurricular exams pursuant to art. 6 of the Royal Decree n. 1269/38 since these exams do not contribute to the achievement of the CFU foreseen for the achievement of the qualification and are not included in the calculation of the average; - The integrated exams and ADE (elective teaching activities) if the credits for all the tests that make up each integrated exam have not been achieved; - Exams "single courses" if they have not already been recognized in the Bachelor's, single-cycle or single-cycle degree program to which the student is enrolled for the current academic year; - Exams canceled due to non-compliance with the preparatory requirements; - Exams declared as passed and which, on the other hand, are only booked and not taken or, even, not booked. In the assignment of mobility, with the same score, students who have never benefited from

Erasmus mobility for study purposes, Erasmus placement / traineeship will have priority. It should also be noted that any assignment of the location will be carried out on the basis of the order of priority of the choices indicated by each student at the time of submitting the application, albeit with the attribution of a lower score. On the basis of these criteria, the Commission will draw up a provisional ranking list which will be published on the following links:

https://web.uniroma1.it/trasparenza/bandi_trasparenza?field_tipologia_bando_tid=1137&field_data_publicazione_value%5Bvalue%5D%5Byear%5D=2020&field_user_centro_spesa_ugov_tid=1414

<https://web.uniroma1.it/disp/disp/dipartimento/uffici/erasmus>

The ranking will be considered final when, 10 natural and consecutive days after its publication, no reviews will have been presented to Erasmus Office – Department of Political Sciences.

The final ranking will be published on the following links:

https://web.uniroma1.it/trasparenza/bandi_trasparenza?field_tipologia_bando_tid=1137&field_data_publicazione_value%5Bvalue%5D%5Byear%5D=2020&field_user_centro_spesa_ugov_tid=1414

<https://web.uniroma1.it/disp/disp/dipartimento/uffici/erasmus>

ART. 7.2 ACCEPTANCE OF MOBILITY PERIOD

1. Selected students must accept their assigned mobility destination within 7 days from the publication of the final ranking or assignment.

2. Candidates who do not respect this deadline will be excluded.

3. The final assignment of an Erasmus+ mobility requires:

- Formalization and approval of the Learning Agreement by the Academic Coordinator for International Mobility (RAM);
- Signature and upload to the student's personal page of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility is assigned.

4. Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

Please note: the student's mobility is subject to acceptance by the foreign Institution (i.e., academic curriculum, language skills) which may require further certificates or reject the

application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.

ART. 7.3 REFUSAL OF THE MOBILITY AND REPLACEMENT

The acceptance of the mobility is a serious commitment by the candidate. Thus, selected candidates are expected to limit refusals, after acceptance or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate.

ART. 8 LEARNING AGREEMENT

1. All students who have accepted their assigned destination must complete an official Learning Agreement (LA). The LA is a document that is prepared before departure and defines the academic activities that will be completed abroad.

2. The LA, which guarantees the recognition of credits obtained for passed exams and thesis research work conducted abroad, must be:

- **Completed on-line by students on their personal page:**
<https://relint.uniroma1.it/pp2013/login.aspx>
- **Approved on-line by the Academic Coordinator for International Mobility (RAM – The full list is available at <https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>**
- **Signed by the student**
- **Approved (stamp and signature) by the partner university**

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

The LA includes the exams you plan to take or other didactic activities that will ensure you earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility).**

Students who do not earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)** will be forced to return their mobility funding to MIUR. This limit does not concern PhD and Specialisation students.

ART. 9 ONLINE LINGUISTIC SUPPORT AND EU SURVEY

ART. 9.1 ONLINE LINGUISTIC SUPPORT (OLS)

1. The Erasmus + Program requires the successful candidate to take an online test of his / her language skills before and after the mobility, with the exception of mobility to Switzerland.
2. Based on the result of the OLS test, the student may be assigned a license to follow an online language course, useful for linguistic preparation for the mobility period.
3. The methods relating to online language tests and courses will be communicated to the student at the institutional email address.

2. On the basis of the result in the assessment test, the student may receive a licence for an on-line preparatory language course to prepare for the mobility period

3. Procedures concerning the language test will be communicated directly to the student at the email address provided on the application form.

3. At the end of their courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Academic activities will be recognized as indicated by the Faculty and the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad".
