ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for one-cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtain the “Erasmus Student” status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

As per the “Regulations on Student Mobility and the Recognition of Periods of Study and Training Abroad” (D.R. N. 1436/2015 – 13/05/2015), in the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a period of academic mobility whose results will be fully recognized by the degree programme and the university.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the ["Regulation for Student Mobility and Recognition of Study and Training Periods Abroad."](#)

ART. 1.2 PARTICIPATING COUNTRIES

For Academic Year 2020-2021, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and United Kingdom*.

**All mobility towards the United Kingdom, indicated at Art. 4 as “available places” are conditioned by the developments of Brexit. They may therefore not be available.*

- **Non-EU Programme Countries:** Iceland, Liechtenstein, Norway, Republic of North Macedonia, Serbia, Turkey.

ART. 1.3 MOBILITY TOWARDS CIVIS ALLIANCE UNIVERSITIES

Sapienza is a partner of the “CIVIS - A European Civic University” Alliance financed by the European Union. The alliance has been active since October 1st, 2019 and includes the following universities:

Free University of Brussels, www.ulb.ac.be
University of Tübingen, <https://uni-tuebingen.de/>
Autonomous University of Madrid, <http://www.uam.es>
Aix-Marseille Universit, <https://www.univ-amu.fr/>
National Kapodistrian University of Athens, <https://en.uoa.gr/>

University of Bucharest, <https://unibuc.ro/>
University of Stockholms, <https://www.su.se/>

CIVIS is a synonym for the transnational collaboration of civic universities with a strong tie to the social and geographical context. It will allow the mobility of 400,000 students and 50,000 university personnel, promoting multilingualism and the diversity of European culture. The alliance is committed to implementing the principles of the Bologna Process and contribute to the development of a European Education Area. The European Civis Alliance is a space for teaching, research, cultural exchange and innovative action by citizens of Europe, from the Baltic to the Mediterranean.

Over the course of time, it will activate a series of shared study programmes amongst the 8 European campuses to create a true European Higher Education Area and contribute to the development of a solid and multilingual European knowledge society. Education will be based on research and innovative didactic activities that will include, besides traditional Erasmus mobility, short mobility periods, including virtual and remote ones.

Students who participate in Civis mobility periods will become part of a European community and will benefit from upgraded services and innovative didactic programmes.

Project objectives include Erasmus mobility amongst universities in the alliance. In consideration of the fact that there will be an increase in mobility amongst partners, Sapienza will reserve **10% of total funds** for the mobility of students towards Civis Universities.

There are academic coordinators for Civis Mobility in each faculty:
<https://www.uniroma1.it/it/pagina/civis-luniversita-civica-europea>

The Civis Coordinator for the Faculty of Medicine and Psychology is Prof. Maria Gerbino:

ART. 2 GENERAL REQUISITES FOR APPLICATION AND ADMISSIBILITY

ART. 2.1 GENERAL ADMISSION REQUIREMENTS

1. In order to apply to this call students must be **enrolled** (including part-time students) at Sapienza for **Academic Year 2019/20** in a Bachelor, Master, one-cycle or PhD degree programme, or a Specialization School.
2. In case of Specialization Programmes, the payment of the Erasmus grant is subject to the compatibility of the specialization contract with Erasmus grants. Incompatibility still allows participation in the programme, but the student will not receive any grant for the mobility period.
3. Students must have **adequate language skills** (see Art. 2.4 “LANGUAGE REQUIREMENTS”).
4. Students must **complete their enrolment at Sapienza University for Academic Year 2020/2021 by the established deadlines** (for further information see the webpage “Tuition Fees and Grants”: <https://www.uniroma1.it/it/pagina/tasse-contributi>).
5. Students enrolled in the third (or subsequent) year of a Bachelor Degree (first cycle) in Academic Year 2019/2020, and who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of a Master Degree (second cycle). However, the mobility period **must take place in the second semester** of Academic Year 2020/21. **Before leaving, students selected under these conditions must be enrolled in a Master Programme for Academic Year 2020/2021.** Moreover, **these students may not, under any circumstance, enjoy their mobility period during the first semester, even if approved by the host university.** If such students apply for mobility periods longer than a semester, the period will be automatically reduced.

6. Students on an Erasmus mobility period **may not graduate** before the end of their period of study abroad and before the recognition of the academic activities conducted abroad by the Academic Coordinator of the Mobility Period (RAM).

7. **Students enrolled in PhD Programmes** must end their mobility period before the official end of the Doctoral Programme.

8. **Specialisation students** must be authorised by the Director of their Specialisation School to apply for a mobility period abroad as part of this call.

This does not apply to mobility periods towards Switzerland which are regulated by the Swiss-European Mobility Programme (SEMP).

2. Prior mobility periods that have already been funded during the same study cycle under: ICM (International Credit Mobility), Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1 and Erasmus Mundus Action 2 are included **in the calculation of the total number of months spent abroad**.

ART. 2.3 ACADEMIC REQUIREMENTS

1. The following Faculty specific requirements are related to the general ones above listed. The applications will be taken into consideration, provided that the applicants have obtained:

- 1st year students: minimum 5 ECTS
- 2nd year students: minimum 10 ECTS
- students enrolled from the 3rd year onwards: minimum 20 ECTS

2. All credits earned until application submission, acquired after passing **exams with a grade and officially registered on Infostud**, will be taken into consideration and accepted for the selection process. For students enrolled in three-year Bachelors Degrees and two-year Masters Degrees in Healthcare Professions, credits earned with other learning activities (i.e., AAF1186 – for the knowledge of at least one foreign language) with a pass/fail grade and required in the curriculum by the 1st semester of academic year 2019/2020, passed at the moment of the submission of application and no later than the deadline for submissions declared in this selection call, will be taken into consideration.

3. **Students may self-certify exams they have taken, but that have not yet been registered on Infostud, on their application.**

*Please note: as per Art. 76 - D.P.R. 28.12.2000 N. 445, **whoever provides false declarations, false acts or uses them for the purposes of the present call is passable of punishment as established by legislation and all special bills in this matter.***

ART. 2.4 LANGUAGE REQUIREMENTS

Before completing the on-line application form, each candidate must take the language test at the University Language Centre (Centro Linguistico di Ateneo – CLA). **Students who satisfy the requisites described at Art. 2.4.3 on “LANGUAGE TEST EXEMPTIONS” do not have to take the language test.**

The test will verify the language level of each student.

Students applying to the Call must have a minimum **A2 language level** within the Common European Framework of Reference for Languages (CEFR) of the Council of Europe:
<https://www.coe.int/en/web/common-european-framework-reference-languages>

The test results will be used to determine the student's final ranking.

ART. 2.4.1 LANGUAGE TESTS

The tests – only for **FRENCH, ENGLISH, PORTUGUESE, SPANISH, GERMAN** – will be held at CLA “Marco Polo” Building (Circonvallazione Tiburtina 4, Rome - former Viale dello Scalo S. Lorenzo, 82). In order to be admitted to the test, students must bring a valid identity document (identity card, passport or driving license), after having registered on-line for one of the provided options of the following schedule:

Students can take tests for a maximum of two languages, based on their mobility destinations, even on the same day, but in different shifts. Only one test can be taken for each language.

If a destination requires two or more alternative languages, the students can take only one test for one of the languages required.

Tests are computer-delivered and multiple choice (no speaking, no listening). The level starts at A2 and progresses step by step, based on the candidate's score, up to level C1. Maximum amount of time permitted is 60 minutes (if the candidate completes all four levels). No test simulations are available.

PLEASE NOTE: there will be no further available dates.

As scheduled, there are 6000 places available. There will be a maximum of 400 tests per day (100 per shift) and each shift may be booked as long as places are available.

We recommend candidates to book their tests as soon as possible to have the widest possible choice.

Test results will be automatically inserted by CLA on the candidate's on-line application within 5 working days. **The certificate including the test results will only be provided to students who will be selected for an Erasmus mobility period.** These students will be able to download their certificate directly from their Erasmus personal page.

ART. 2.4.2 INFORMATION FOR DISABLED STUDENTS AND SERVICES FOR STUDENTS WITH LEARNING DISORDERS

ART. 5 ACADEMIC ACTIVITIES ABROAD

1. Students must indicate the didactic activities they intend to pursue abroad on the application form. The indicated activities are not final and may be integrated upon completion of the official Learning agreement (Art. 8 "LEARNING AGREEMENT") that will have to be approved by the Degree Programme Academic Mobility Coordinator (RAM).

When filling in the fields "Course code", "Course title", and "ECTS credits", of the on-line application, students shall refer to the study curriculum of the degree programme activated at the host institution (**in case of missing information about the course code, students shall fill in the field as in the following example: "00"**).

2. Admissible mobility activities are:

- Attendance of courses and passing of exams;
- Preparation of graduation and/or doctoral thesis;
- Curricular traineeship (only if relevant).

3. For programme and course-related information, students should contact the Faculty Erasmus office – Medicine and Healthcare professions (contacts: T 0633776100 – email: erasmusmed2@uniroma1.it) as well as their Degree Programme Academic Mobility Coordinator – RAM (for list, please see: <https://www.uniroma1.it/it/pagina/facolta-di-medicina-e-psicologia-coordinatori-e-responsabili-accademici-mobilita>)

4. **PhD students and candidates enrolled in Specialization Schools**, after having verified their eligibility for a mobility period abroad, must agree on the educational programme abroad with the Coordinator of the PhD Programme/Specialization School in which they are enrolled. Moreover, they will have to ascertain their insurance coverage with the relevant offices.

ART. 6 APPLICATION

ART. 6.1 DEADLINES AND SUBMISSION

1. The deadline for submission of the on-line application form is: Wednesday March 4th, 2020 at 2.00 pm (Italian time)

2. The application form is available at: <https://relint.uniroma1.it/candidatura/login.aspx>.
For technical issues, please contact the Help Desk form available at:
<https://relint.uniroma1.it/candidatura/sendmail.aspx>

3. In order to submit an application form, **you must use your university e-mail account** (familyname.studentnumber@studenti.uniroma1.it).

This will be the **only official means used for communications** for this call and subsequent procedures.

4. Once the application has been completed, each candidate will receive a report of all the data submitted at his/her university email address. Thus, all applicants must verify that they receive this report and that

all the data submitted is correct. Any error must be immediately reported to the Faculty Erasmus Administrative Coordinator (contact details: T 0633776100 – email: erasmusmed2@uniroma1.it).

PLEASE NOTE: the only valid receipt for your application is the e-mail you receive on your university account.

ART. 6.2 DOCUMENTS TO SUBMIT

In order to correctly complete the application process, students must fill out all fields of the on-line form and **verify the upload** of the following documents, which are an integral part of the application process:

1. **Scan of a valid identity document;**
2. **Language Certification** (see Art. 2.4.3 “EXEMPTION FROM LANGUAGE TESTS”);
3. **Study Project** (indicating what the student will do during the mobility period: exams, internships, thesis research), compatible with the students’ academic programme and signed by the Academic Mobility Coordinator – RAM (for list, please see: <https://www.uniroma1.it/it/pagina/facolta-di-medicina-e-psicologia-coordinatori-e-responsabili-accademici-mobilita>) and, if required, by the thesis supervisor, using the “**Allegato A**” form provided by Faculty Erasmus office or available on the Erasmus Faculty website – Medicine and Healthcare Professions at: https://web.uniroma1.it/fac_medpsico/facmedpsico/internazionale/erasmus-area-medicina-e-professioni-sanitarie

PLEASE NOTE: If the students complete the forms and have them signed for approval by the RAM for more than one destination, they will have to upload the forms on-line as a single file.

It is important to comply with the maximum limit of 60 credits (CFU) per academic year (12 months) and with the prerequisites required by the student’s Italian degree programme.

PLEASE NOTE: If the required scan of a valid identity document is not uploaded by the deadline, or the declared/self-certified information is not correct, THE APPLICATION WILL BE REJECTED.

ART. 7 RANKING

ART. 7.1 RANKING PROCESS

- A Commission nominated by the Dean will evaluate all applications.
- Two rankings will be produced: **one for CIVIS Universities and one for other Erasmus+ destinations.**

The selection process will be based on candidates’ academic transcript. Evaluation criteria will be finalized by the Commission during its first meeting and will be defined coherently with the evaluation requirements (see Art. 2).

SELECTION EVALUATION CRITERIA:

a. Students enrolled in a Healthcare Professions Degree and in the six-year Degree programme in Medicine and Surgery.

1. Percentage of passed exams.

The number of exams taken, scheduled for the student’s degree programme until the first semester of 2019/2020 and passed by the student at the date of application and no later than the call deadline (see Article 6) will be considered. The score is calculated as in the following example: *number of passed*

$exams = 17$; number of exams scheduled for the degree programme until the first semester of 2019/2020 = 17; $Percentage = (17:17) \times 100 = 100$.

2. GPA Percentage for exams passed at the date of application and scheduled for the first semester 2019/2020.

The score is given as in the following example, considering that 30/30 with honours is counted as 31: $average\ of\ passed\ exams = 31$; $Percentage = (31:31) \times 100 = 100$.

3. Language skills.

- 100 points for students whose level of language knowledge is equal to or greater than the level required by the host university, according to the test score of the Sapienza Language Centre (see Article 2.4.1 "LANGUAGE TESTS") or according to a certificate, as described in the Article 2.4.3 "EXEMPTION FROM LANGUAGE TESTS".

- 70 points to students whose level of language knowledge is inferior to the level required by the host university.

PLEASE NOTE: Students enrolled in the degree programmes held in English "Infermieristica – Nursing" are exempted from the English language test (see Art. 2.4.3) if they apply for a university that requires English. These students will be assigned the points corresponding to the English B2 level, basing on the knowledge requested by their degree programme.

4. Study project abroad.

. 100 points if the uploaded study project form of the student is signed for approval by the Academic Mobility Coordinator (RAM) (a list of RAMs is available at: <https://www.uniroma1.it/it/pagina/facolta-di-medicina-e-psicologia-coordinatori-e-responsabili-accademici-mobilita>) of the candidate's degree (and by the thesis advisor, if required).

. 50 points if the form lacks the signature of the RAM or if the candidate did not upload the form.

FINAL SCORE CALCULATION (rounded to two decimal numbers).

The sum of the score obtained by the previously listed 4 points will be multiplied by a correction coefficient related to the year of enrolment as shown:

- Students enrolled in the six-year Masters Degree in Medicine and Surgery
6th and 5th year = 1.00; 4th year = 0.97; 3rd and 2nd year = 0.95; 1st year = 0.90.

- Students enrolled in a three-year Bachelors Degree in Healthcare professions
3rd year = 1.00; 2nd year = 0.95; 1st year = 0.90.

- Students enrolled in a two-year Masters Degree in Healthcare professions
2nd year = 1.00; 1st year = 0.90.

For "fuori corso" and repeating students in the academic year 2019/2020, or repeating students in previous years, an additional correction coefficient of 0.95 will be applied.

For students that have already benefitted from mobility funds for Erasmus mobility for study or for placement/traineeship, an additional coefficient of 0.95 will be applied.

IN CASE OF EQUAL SCORES.

If two students applying for the same destination obtain the same score, the candidate that never benefitted from an Erasmus mobility period for study or placement/traineeship will receive priority. In the event of further equal score, the student closer to the end of the degree will receive priority, and in the case of same year of the course, the student with the higher grades in his/her study project will receive priority. If there still is an equal score, the student with a higher GPA receives priority, and if they still are the same, the student with the higher number of "30 with honour" grades will receive priority.

b. Students enrolled in Specialization Schools or Doctoral Degrees.

1. Previous year final judgement: for students enrolled in Specialization Schools, the following scores will be awarded: sufficiency = 20, satisfactory = 40, good = 60, excellent = 80, honours = 100.

2. Language skills.

- 100 points for students whose level of language knowledge is equal to or greater than the level required by the host university, according to the test score of the Sapienza Language Centre (see Article 2.4.1 "LANGUAGE TESTS") or according to a certificate, as described in the Article 2.4.3 "EXEMPTION FROM LANGUAGE TESTS".

- 70 points to students whose level of language knowledge is inferior to the level required by the host university.

3. Study project abroad.

. 100 points if the uploaded study project form of the student is signed for approval by the Academic Mobility Coordinator (RAM) (a list of RAMs is available at: <https://www.uniroma1.it/it/pagina/facolta-di-medicina-e-psicologia-coordinatori-e-responsabili-accademici-mobilita>) of the candidate's degree (and by the thesis advisor, if required).

. 50 points if the form lacks the signature of the RAM or if the candidate did not upload the form.

FINAL SCORE CALCULATION (rounded to two decimal numbers)

The sum of the score obtained by the previously listed 3 points will be multiplied by a correction coefficient related to the year of enrolment as shown:

- Students enrolled in a Specialization School

6th and 5th year = 1,00; 4th and 3rd year = 0.95; 2nd and 1st year = 0.90.

- Students enrolled in a Doctoral Degree

3rd year = 1,00; 2nd year = 0,97; 1st year = 0,95.

For students that have already benefitted from mobility funds for Erasmus mobility for study or for placement/traineeship, an additional coefficient of 0,95 will be applied.

IN CASE OF EQUAL SCORES.

If two students applying for the same destination obtain the same score, the candidate that never benefitted from an Erasmus mobility period for study or placement/traineeship will receive priority. In the event of further equal score, the student closer to the end of the degree will receive priority.

Please Note: the following exams do not count for the calculation of the GPA and acquired CFUs:

- Exams taken abroad during Erasmus periods that have not yet been officialised as they refer to exams still in the process of being validated;
- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary for degree and are not used to calculate GPA;
- Exams for single courses that have not been recognised as part of the degree programme (Bachelors, Masters, one Cycle) for which the student is currently enrolled;
- Integrated exams and elective educational activities (ADE) if the credits related to all the modules of each integrated exam have not been successfully completed;
- Exams cancelled due to lack of prerequisites;
- Exams declared to have been taken, but which were only booked and not taken, or not even booked.

- The Commission, according to the previously listed criteria, will produce a ranking of eligible candidates according to the destinations indicated as the first choice by the candidates.

In the case of no candidate indicating a specific destination as his/her first choice, eligible unallocated candidates for their first choice that indicated that destination as their second choice will be selected. In the case of no candidate indicating a specific destination as his/her first or second choice, eligible unallocated candidates for their first and second choice that indicated that destination as their third choice will be selected.

PLEASE NOTE: this Call is the only Erasmus+ Student Mobility Selection Call for Study for a.y. 2020/2021 for the Medicine and Healthcare Professions Area of the Faculty. **If Students want to be contacted in case they are not selected and there are destinations not assigned, they should select the option “I am willing to leave for other destinations provided that they are compatible with my language skills and my degree programme” in the online application form section “Destination choice and foreign study plan”.**

Provisional rankings will be published on the Faculty website:

https://web.uniroma1.it/trasparenza/bandi_struttura_spec/FACOLTA%27-DI-MEDICINA-E-PSICOLOGIA

The ranking will be considered final when, 10 natural and consecutive days after its publication, no re-evaluation requests are presented personally to the Erasmus Administrative Coordinator – Medicine and Health Professions (see Article 15). Appeals presented after the deadline will not be considered valid.

ART. 7.2 ACCEPTANCE OF MOBILITY PERIOD

1. **Selected students must accept their assigned mobility destination within 7 days from the communication by email of the assignment.**

2. **Candidates who do not respect this deadline will be excluded.**

3. The final assignment of an Erasmus+ mobility requires:

- Submission of necessary documentation (see the first point of the art. 2.4.3);
- Formalization and approval of the Learning Agreement by the Academic Coordinator for International Mobility (RAM);
- Signature and upload to the student's personal page of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility is assigned.

4. Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

PLEASE NOTE: the student's mobility is subject to acceptance by the foreign Institution (i.e., academic curriculum, language skills) which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.

ART. 7.3 REFUSAL OF THE MOBILITY AND REPLACEMENT

The acceptance of the mobility is a serious commitment by the candidate. Thus, selected candidates are expected to limit refusals, after acceptance or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate.

In case of mobility grant refusal, the Faculty Erasmus office will assign the grant to the next ranked candidate, who will then be invited to provide feedback by the deadline and according to the information provided by the Faculty Erasmus office by email to the official student email account. Non-compliance to the above deadline will be considered as a renunciation.

Once the procedures related to the acceptance of first, second and third destinations are completed, if there are destinations not assigned, the Faculty Erasmus office may contact eligible students not selected who choose the following option in the online application: **“I am willing to leave for other destinations provided that they are compatible with my language skills and my degree programme”** (see the section “Destination choice and foreign study plan” of the online application form). These students will

then be invited to provide feedback by the deadline and according to the information provided by the Faculty Erasmus office by email to the official student email account.

ART. 8 LEARNING AGREEMENT

1. All students who have accepted their assigned destination must complete an official Learning Agreement (LA). The LA is a document that is prepared before departure and defines the academic activities that will be completed abroad.
2. The LA, which guarantees the recognition of credits obtained for passed exams and thesis research work conducted abroad, must be:

- **Completed on-line by students on their personal page:**
<https://relint.uniroma1.it/pp2013/login.aspx>
- **Approved on-line by the Academic Coordinator for International Mobility** (RAM – The full list is available at: <https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>)
- **Signed by the student**
- **Approved (stamp and signature) by the partner university**

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

The LA includes the exams you plan to take or other didactic activities that will ensure you earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)**.

Students who do not earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)** will be forced to return their mobility funding to MIUR. This limit does not concern PhD and Specialisation students.

ART. 9 ONLINE LINGUISTIC SUPPORT AND EU SURVEY

ART. 9.1 ONLINE LINGUISTIC SUPPORT (OLS)

1. The Erasmus+ Programme requires **selected candidates to take an on-line language skills assessment, both before and after the mobility period**, if the language used abroad and indicated in the Learning Agreement is one of the following: Bulgarian, Czech, Croatian, Danish, Dutch, English, Finnish, French, Hungarian, German, Greek, Estonian, Irish, Latvian, Lithuanian, Maltese, Polish, Portuguese, Rumanian, Slovakian, Slovenian, Spanish and Swedish, except students who are assigned a mobility to Switzerland.
2. On the basis of the result in the assessment test, the student may receive a licence for an on-line preparatory language course to prepare for the mobility period.
3. Procedures concerning the language test will be communicated directly to the student to his/her official university email account.

ART. 9.2 EU SURVEY

At the end of the mobility period, students must complete the EU SURVEY.

Information concerning the procedures to be followed will be sent directly to the students' official university email account.

ART. 10 RECOGNITION OF ACADEMIC ACTIVITIES

Under the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad" R.D. N. 34218 - 13.05.2015 and in the framework of the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a mobility period and have all exams recognised and included in their official transcripts.

ART. 11 PROCEDURES AND LOGISTICS

1. In order to prepare their curricular project at the host university, students should carefully examine all available information on the university websites before applying. In fact, this information is binding for receiving the mobility grant.

Further information is available on the Faculty and University websites:

Academic activities will be recognized as indicated by the Faculty and the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad". Credits for exams taken at host universities must be acquired respecting all the rules and regulations of degree programme curricula.

4. Students must autonomously acquire information regarding housing opportunities provided by destination universities. Moreover, students are also responsible for informing themselves about:

5. Laws regulating the entrance of non-EU students in countries participating in the Erasmus+ Programme are based on the nationality of these students. Student are responsible for promptly obtaining information and all the documents needed to be admitted and allowed to sojourn in the destination country from the relevant diplomatic missions.

6. The civil responsibility and accident insurance coverage that students get automatically when enrolled at Sapienza is extended with the same procedures for the entire mobility period abroad at the host university: <https://www.uniroma1.it/it/node/24654>

ART. 12 ACTIVITIES AND GRANTS

Activities and grants provided for in this call are subject to the signature of the Erasmus+ Convention 2020-21 between the Erasmus+ National Agency and Sapienza University of Rome.
