## ART. 1 GENERAL INFORMATION

### ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for single-cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtains the "Erasmus Student" status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad](#)."

### ART.1.2 PARTICIPATING COUNTRIES

For Academic Year 2019-20, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

### ART. 1.3 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it **does not receive any EU funding** either for incoming or outgoing mobilities.

In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme, Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3.6 "Grant").

Students applying to Swiss universities must satisfy all the requirements described in this call (see Art. 2. *Requirements and Application Procedures, Language Requirements, Selection Procedures and Incompatibility*).

## ART. 1.4 MOBILITÀ STRUTTURATA PER DOPPIA LAUREA

Double and Joint Degree Programmes allow students to study abroad and attend courses that will lead to both an Italian and foreign degree of the same level. Further information is available at: <https://www.uniroma1.it/it/pagina/doppia-laurea-e-titoli-congiunti>.

Admission requirements, which are established by agreements, vary based on country, academic year and academic requisites. Moreover, the agreements regulate the length of the mobility period, the study programme and the recognition of academic activities conducted abroad, as well as the number of available places.

**In the Faculty of Medicine and Psychology - Psychology, Pedagogy, and Social Services Area there are not Joint and Double Degree Programmes ERASMUS+.**

Article 4 provides a detailed list of all the degree programmes and destinations that include agreements for double degrees, along with participation requisites.

3. Students must complete their enrolment at Sapienza University for Academic Year 2019-20 by the established deadlines (further information: <https://www.uniroma1.it/it/pagina-strutturale/studenti> “University Tuition”).

Moreover, **these students may not, under any circumstances, enjoy their mobility period during the first semester, even if approved by the host university**. Students who apply for mobility periods longer than a semester, will not receive any further grant.

5. **Students on mobility programmes may not graduate before the end of their period of study abroad and before the recognition of the academic activities conducted abroad by the Academic Coordinator of the Mobility Period (RAM).**

6. Students enrolled in PhD Programmes must end their mobility period before the official end of the Doctoral Programme.

7. Specialisation school students must check with their school if they are eligible for a study period abroad under this call.

For single-cycle degrees (i.e. EU Architecture), the limit is 24 months. This requirement does not apply to mobility periods in Switzerland, which are regulated by the Swiss-European Mobility Programme (SEMP).

2. Prior mobility periods that have already been funded during the same study cycle under Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1 and Erasmus Mundus Action 2 are included in the calculation of the total number of months spent abroad.

**ascertain the requirements established by their host university for an Erasmus+ mobility period, as described in Art. 4.**

If a candidate does not have any of these certifications, he/she will have to provide a self-certification for their language level. **Students providing self-certifications will be assessed through a test** during the selection procedure for the following languages: English, French, Portuguese, Spanish and German. ## ART. 3. GRANTS AND FINANCIAL BENEFITS

### ART. 3.1 GENERAL ASPECTS

Grants for mobility are assigned exclusively for academic activities abroad (see Art. 5 “Activities Abroad and Learning Agreement”) for a minimum period of 3 months (90 days) and a maximum period of 12 months during the “Erasmus Year”: **01/06/2019 - 30/09/2020**.

Grants are provided by funding from the European Commission and integrated by MIUR (*Fondo Giovani*) and Sapienza funding. They are considered as a contribution to expenses abroad and are limited to the academic activities authorised before leaving.

In order to receive their mobility grants, students must sign, **before their departure**, the financial contract that is available on selected students’ personal web page and follow all the directions provided upon acceptance of the mobility period.

Moreover, Erasmus+ grants are directly connected to studies and/or other academic activities conducted at foreign universities that have been previously authorised by the Academic Programme Coordinator (RAM) as described in Art. 6.4 “Learning Agreement”). Therefore, students who do not obtain the recognition of at least **3 CFUs** by the end of their mobility period **will be required to partially or fully refund the MIUR grant**. This does not apply to PhD and Specialisation School students.

### ART. 3.2 EU GRANTS

**The EU Erasmus+ grant 2019-20 is based on the cost of living in the destination country.** Mobility grants are defined at the national level and amount to:

- **Group 1 Countries** (Programme Countries with high living costs): Denmark, Finland, Iceland, Ireland, Lichtenstein, Luxembourg, Norway, Sweden, United Kingdom **300,00 €/month**.
- **Group 2 and 3 Countries** (Programme Countries with medium living costs): Austria, Belgium, Germany, France, Italy, Greece, Spain, Cyprus, Netherlands, Malta, Portugal, Bulgaria, Croatia, Czech

Republic, Estonia, Latvia, Lithuania, Hungary, Poland, Romania, Slovakia, Slovenia, Former Yugoslav Republic of Macedonia, Turkey, Serbia: **250,00 €/month**.

The actual grant will be calculated on the effective days of the mobility period as certified by the host university in the certificate of attendance.

**Erasmus grants are incompatible with grants from other programmes/actions funded by the European Union.**

In the case that EU funds are depleted, or should students receive other university or EU grants, or if students do not require funding, the students may receive an “**Erasmus-Zero-EU-Grant**” status that will allow them to enjoy the benefits of the mobility period, but without receiving an EU grant.

**All Erasmus+ grants are however subject to the approval of Erasmus activities/funding, proposed by Sapienza for the Academic Year 2019-20 by Indire - the National Agency for Erasmus+.**

### ART. 3.3. MIUR AND SAPIENZA FUNDING

European grants for mobility periods (Art.3.2) are integrated by the following funds:

- **MIUR** Grants (Fondo Giovani);

**In case of depletion of EU funding (EU zero grant), students will only receive MIUR and Sapienza grants.**

### ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS

**Please note: Available mobility destinations and places** may be subject to modifications based on the decisions of EU and national bodies regulating the programme or partner universities.

Therefore, we advise that students autonomously verify the possibility of studying abroad by checking course catalogues of the host institutions before applying. A dedicated Erasmus+ Agreement search engine is available at: <https://relint.uniroma1.it/mobilitysearch>

The **length of the mobility period** indicated in the agreement may be shortened, if the student completes a shorter mobility period or decides to leave during the second semester. Moreover, for students who have enjoyed previous mobility periods, the maximum stay will be calculated on the basis of remaining months with respect to the 12-month limit per cycle of study and the 24-month limit for single cycle degrees, following the consent of the host university.

In selecting the host university, students must take note of the required language level (see Art. 2.3.2).

Students can select a maximum of 2 destinations.

When the procedures for the assignment of the first and the second destinations are completed, the Commission will immediately notify a date when the non-winner selected candidates can candidate again for a third possibility.

**The priority order stated in the application will be a binding criterion** for the assignment of the destination if the candidate is eligible for more than one destination.

**Please note that it is NOT possible to guarantee departure during the 1st semester for destinations whose deadline is close to the date specified in Art 14 “END OF PROCEDURE” for publication of the selection results.**

#### MOBILITY LEVELS

**1 = Undergraduate (Bachelor)**

**2= Postgraduate (Master, Single cycle Degree)**

**3 = Doctoral (Specialization or Doctoral Programmes)**

## NOTES TO THE LIST

***Possible applications submitted for degree courses different from the previous one will be not taken into consideration, except for the students enrolled in the last year of a three-year Degree Programme who will benefit from a scholarship in the first year of the Masters Degree Programme.***

In selecting the host university, students must take note of the required language level. All the requisites listed in the table have been provided by the individual partner universities. Interested students should personally verify these requisites with the relevant university.

All the Academic Coordinator of the Mobility Period (RAM) and the PhD Courses or Specialisation Schools Coordinators will evaluate candidates' suitability on the basis of the Study Abroad Project (an integral part of the application).

**More in detail, prof. Annamaria Silvana De Rosa (coordinator of the European PhD on Social Representations and Communications), for the nature of the Erasmus mobility periods she activates, will especially allocate the scholarships to the enrolled in the European PhD and the graduands in research projects related to her teaching post.**

## ART. 5 ACADEMIC ACTIVITIES ABROAD

**Students must indicate the didactic activities they intend to pursue abroad on the application form.**

The indicated activities are not final and may be integrated upon completion of the Learning Agreement (Art. 8) that will have to be approved by the Degree Programme Academic Mobility Coordinator (RAM).

Academic activities include:

- Attendance of courses and passing of exams;
- Preparation of graduation and/or doctoral thesis;
- Curricular traineeship (only if relevant)

**Doctors on specialisation courses must agree on the educational programme abroad with the Director of the Specialisation School** and receive authorization from the Faculty Council. Moreover, they will have to ascertain their insurance coverage with the relevant offices.

Similarly, **PhD students must agree on the educational programme abroad with the Coordinator of the PhD Programme.**

**Candidates enrolled in non-medical Specialisation Schools**, after having verified their eligibility for a mobility period abroad, **must agree on the educational programme abroad with the Coordinator of the Specialisation School in which they are enrolled.**

For programme and course-related information, students should contact the teacher who proposes the agreement.

## ART. 6 APPLICATION

### ART. 6.1 DEADLINES AND SUBMISSION

**The deadline for submission of the on-line application form is**

***March 7, 2019 at 2.00 pm (Italian time).***

**In order to participate in this call, it is MANDATORY to submit the on-line application form by 7 March 2019 at 2.00 pm Italian time. The application form will be considered submitted only if the student receives the reception report.**

The application form is available at: <https://relint.uniroma1.it/candidatura/login.aspx>.

For technical issues, please contact the Help Desk form available at:  
<https://relint.uniroma1.it/candidatura/sendmail.aspx>

Please Note: In order to submit an application form, **you must use your university e-mail account (surname.studentnumber@studenti.uniroma1.it)**.

**Please Note: this will be the only official means used for communications, even following the call deadline.**

Once the application has been completed, each candidate will receive a report of all the data submitted at his/her university email address. Thus, all applicants must verify that they receive this report and that all the data submitted is correct. Any errors must be immediately reported to the Faculty Erasmus Administrative Coordinator [donatella.tavani@uniroma1.it](mailto:donatella.tavani@uniroma1.it).

## ART. 6.2 DOCUMENTS TO BE SUBMITTED

In order to correctly complete the application process, students must fill out all fields of the on-line form and **verify the upload of the following documents**, which are an integral part of the application process:

1. **A signed photocopy of a valid identity document is required. Failure to provide this document will result in exclusion from the selection process;**
2. **Language Certification** [only if required by Art. 2.3.3 "Language Test Exemption") based on Faculty requirements.
3. **Study Project A.Y. 2019/2020 for each destination - not more than two - that can be downloaded from the Faculty's website:**  
[https://web.uniroma1.it/fac\\_medpsico/facmedpsico/internazionale/erasmus-area-psicologia-pedagogia-e-servizio-sociale](https://web.uniroma1.it/fac_medpsico/facmedpsico/internazionale/erasmus-area-psicologia-pedagogia-e-servizio-sociale)

In the Study Project, you have to point which activities you want to carry out during the Erasmus period (exams, dissertation, etc.) compatibly with your study plan; the project must be signed by the student and the RAM (or the PhD Course Coordinator or the Specialisation School Coordinator), on the form that can be downloaded from the Faculty's website. For the PhD Courses and the Specialisation Schools only, the study project must be signed by the promoting teacher too.

**Please Note: If the required documentation is not uploaded by the deadline, or the declared/self-certified information is not correct, the application will be rejected.**

## ART. 7 RANKINGS

### ART. 7.1 RANKING PROCESS

A Commission (nominated by the Dean) will evaluate all applications based on the following criteria: on the basis of the degrees, according to the evaluation criteria established by the preliminary meeting of the commission. The criteria will be formalised in the Commission's Report in agreement with the elements established in Art. 2.3.

The Commission will evaluate the candidates according to the following criteria for a maximum score of 102 points, that will be given as follows:

- AVERAGE: in calculating the weighted average, will be taken into consideration only the exams registered on Infostud on the day when the call is closed with the related ECTS and marks (this average is reduced of 1/30 for each year "fuori corso").

- CREDITS: comparison between obtained credits and planned credits

**Three-Year Degree Programme: 1st year 60; 2nd year 120; 3rd year 180.**

**Masters Degree Programme: 1st year 240; 2nd year 300.**

**Single-Cycle Degree Programme: 1st year 60; 2nd year 120; 3rd year 180; 4th year 240; 5th year 300.**

- PROJECT OF STUDY ABROAD directly evaluated by the RAM or one of his/her delegates: 0/20=poor, 5/20=fair, 10/20=enough, 15/20=good, 20/20=excellent.

**- LANGUAGE SKILLS: B1/B2= 1 point, C1/C2= 2 points.**

For the final ranking, the three criteria will have the following weighting:

AVERAGE=40 CREDITS=40 STUDY PROJECT=20 LANGUAGE SKILLS=2

#### **Applied formula x Acquired credits in relation to the Programme year**

Credits planned for the three-year Degree Programme : 1st year 60; 2nd year 120; 3rd year 180.

Credits planned for the Masters Degree Programme: 1st year 240; 2nd year 300.

Credits planned for the single-cycle Degree Programme: 1st year 60; 2nd year 120; 3rd year 180; 4th year 240; 5th year 300

#### **Example:**

A student enrolled in the 1st year of a three-year Degree Programme obtained 18 credits of the 60 planned for the 1st year with an average mark of 27/30, a project evaluated 20 points, and language skills (C2) evaluated 2 points

18

----- x 40 (weighting) =12+36 (average compared to 40)+20+2= 70 points out of 102

60

**Please Note: the following exams do not count for the calculation of the GPA and acquired CFUs:**

- Exams taken abroad during Erasmus periods that have not yet been officialised as they refer to exams still in the process of being validated;
- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary for degree and are not used to calculate GPA;
- Exams for single courses that have not been recognised as part of the degree programme (Bachelors, Masters, Single Cycle) for which the student is currently enrolled;
- Exams cancelled due to lack of prerequisites;
- Exams declared to have been taken, but which were only booked and not taken or, not even booked.

In assigning mobility periods, in case of identical scores, priority will be given to students who have not had a prior Erasmus experience for study and placement/traineeship.

On the basis of the above-mentioned criteria, the Commission will assign the scholarships to the winner candidates as for their first chosen destination (with the mark of the first project); if there are not available places for the first destination, they will be assigned with a scholarship as for their second chosen destination (with the mark of the second project).

The ranking will be considered final when, 10 natural and consecutive days after its publication, no re-evaluation requests are at Ufficio Erasmus –Facoltà di Medicina e Psicologia , Area P – Via dei Sardi 61 - 00185 Roma.

The final ranking will be published on the Faculty site at:

[https://web.uniroma1.it/trasparenza/bandi\\_struttura\\_spec/FACOLTA%27-DI-MEDICINA-E-PSICOLOGIA](https://web.uniroma1.it/trasparenza/bandi_struttura_spec/FACOLTA%27-DI-MEDICINA-E-PSICOLOGIA)

## ART. 7.2 GRANT ACCEPTANCE

**Ten days after the rankings have been published, selected candidates have 7 more days to accept their grants.**

**Candidates who do not respect this deadline will be excluded.**

The final allocation of an Erasmus+ mobility grant requires:

- Approval of the Learning Agreement
- Signature and upload to the student's personal page of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility grant is assigned.

Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

**Please note: the student's mobility is subject to acceptance by the foreign Institution (i.e., academic curriculum, language skills) which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.**

## ART. 7.3 REFUSAL OF THE MOBILITY GRANT AND REPLACEMENT

The acceptance of the mobility grant is a serious commitment by the candidate. Thus, selected candidates are expected to limit refusals, after accepting grants or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate.

In case of mobility grant refusal, the Faculty Erasmus Office will assign the grant to the next ranked candidate that will be contacted via email and invited to accept the grant within five working days or be automatically excluded.

## ART. 8 LEARNING AGREEMENT

All students who have accepted their assigned destination must complete an official Learning Agreement (L.A.).

The L.A. is a document that is prepared before departure and defines the academic activities that will be completed abroad (exams, thesis research).

The L.A. must be approved by the Academic Mobility Coordinator (RAM – List available at <https://www.uniroma1.it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>) and signed by the student and the host Institution to ensure the recognition of credits taken abroad for successful exams/thesis.

Students must fill out their L.A. on their personal webpage at: <https://relint.uniroma1.it/pp2013/login.aspx>.

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

## ART. 9 ONLINE LINGUISTIC SUPPORT AND EU SURVEY

### ART. 9.1 ONLINE LINGUISTIC SUPPORT (OLS)

The Erasmus+ Programme requires **selected candidates to take an on-line language skills assessment, both before and after the mobility period**, if the language used abroad and indicated in the Learning Agreement is one of the following: Bulgarian, Czech, Croatian, Danish, Dutch, English, Finnish, French, Hungarian, German, Greek, Polish, Portuguese, Rumanian, Slovakian, Spanish and Swedish, except students who are assigned a mobility to Switzerland.

On the basis of the result in the assessment test, the student may receive a licence for an on-line preparatory language course to prepare for the mobility period.

Procedures concerning the language test will be communicated directly to the student at the email address provided on the application form.

### ART. 9.2 EU SURVEY

At the end of the mobility period, students (with the exception of students assigned a mobility period Switzerland) must complete the EU SURVEY.

Information concerning the procedures to be followed will be sent directly to the email address used by the student on the application form.

## ART. 10 RECOGNITION OF ACADEMIC ACTIVITIES

Under the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad" R.D. N. 34218 - 13.05.2015 and in the framework of the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a mobility period and have all exams recognised and included in their official transcripts.

## ART. 11 PROCEDURES AND LOGISTICS

In order to prepare their curricular project at the host university, students should carefully examine all available information on the university websites before applying. In fact, this information is binding for receiving the mobility grant.

For degree, PhD or Specialisation thesis work, after having consulted the website of the host university, students must agree on the project with their Italian supervisor and Academic Mobility Coordinator, based on the agreement with the partner professor at the host university.

At the end of their courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Academic activities will be recognized as indicated by the Faculty and the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad". Credits for exams taken at host universities must be acquired respecting all the rules and regulations of degree programme curricula.

Usually, foreign universities do not provide student housing for Erasmus students. Housing information is available on the websites of partner universities. Students should check any deadlines or specific procedures that must be followed.

Moreover, students must autonomously acquire information regarding:

- Health Assistance in the host country, requesting information from their local health office, diplomatic missions or at the following link: [http://www.salute.gov.it/portale/temi/p2\\_6.jsp?lingua=italiano&id=897&area=Assistenza%20sanitaria&menu=italiani](http://www.salute.gov.it/portale/temi/p2_6.jsp?lingua=italiano&id=897&area=Assistenza%20sanitaria&menu=italiani)
- Entrance into the host country, checking for requirements with embassies and consulates (in Italy for non-EU citizens).

Laws regulating the entrance of non-EU students in countries participating in the Erasmus+ Programme are based on the nationality of these students. Students are responsible for promptly obtaining information and all the documents needed to be admitted and allowed to sojourn in the destination country from the relevant diplomatic missions.

The civil responsibility and accident insurance coverage that students enjoy automatically when enrolled at Sapienza is extended with the same procedures for the entire mobility period abroad at the host university: <https://www.uniroma1.it/it/node/24654>

Students on mobility periods must:

- a) autonomously procure their own health and travel insurance for the entire stay abroad, as per the host country's requirements;
- b) autonomously acquire information about possible laws regulating admission to the host country, by timely inquiring at the relevant diplomatic missions (embassies and consulates) in Italy.

## ART. 12 ACTIVITIES AND GRANTS

Activities and grants provided for in this call are subject to the signature of the Erasmus+ Convention 2019-20 between the Erasmus+ National Agency and Sapienza University of Rome.

**Please note:** the information contained in this call may undergo changes and/or integrations based on further updates and regulations required by the Erasmus+ National Agency.

## ART. 13 CHECKS

As per Art. 71 - DPR 445 - 28/12/2000, the university administration will verify all application information through random checks on any candidature application that poses reasonable doubts on the information provided through self-certifications.

Non-compliance of information, declared or self-certified, constitutes a cause of exclusion/forfeiture.

## **ART. 14 TREATMENT OF PERSONAL DATA**

The treatment of personal data is regulated by the new European Regulation n. 679 - 27.4.2016 – GDPR (General Data Protection Regulation) as well as current national legislation.

## **ART. 15 FINAL AUTHORITY**
