Polo di Latina

Call and Online Application: <https://relint.uniroma1.it/candidatura/login.aspx>

Deadline of Online Application: March 7, 2018 - 12:00 A.M. (noon)

Call and result of the selection procedure: <https://web.uniroma1.it/trasparenza>

ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

Erasmus Plus is the EU programme in the fields of **Education, Training, Youth and Sport** 2014/2020.

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad totalling up to 12 months maximum per each cycle of study and 24 months in one-cycle study programmes, regardless the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Erasmus students will receive a grant and may attend courses and use the available structures **without further registration fees** (in some cases small contributions might be requested as for local students). **All activities abroad (with a positive result) will be fully recognized** provided they are approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome by approving the Erasmus Policy Statement (EPS) and the "Regulation for Student Mobility and Recognition of Study and Training Periods Abroad." (Rectoral Decree Prot. n. 34218 - 13.05.2015).

ART.1.2 PARTICIPATING COUNTRIES

During the Academic Year 2018-2019, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries). The full list of possible destination countries is the following:

- Member States of the European Union: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and United Kingdom.

- **EFTA/EEA Countries:** Iceland, Liechtenstein and Norway;
- **EU candidate countries:** Turkey and the Republic of Macedonia.

ART. 1.3 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as *Programme* and *Partner Countries*, namely it does not receive any UE financing for in-coming and out-going mobilities. To the purpose of guaranteeing existing mobility and cooperation, the Swiss Federal Council developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme, Swiss Universities finance the mobility of all in-coming and out-going students by signing specific agreements (see Art. 3.6 "Grant").

Students applying for Swiss universities are required all the requirements envisaged by this call ("see Art. 2. Requirements and Application Procedure").

ART. 2 REQUIREMENTS AND APPLICATION PROCEDURE

ART. 2.1 GENERAL REQUIREMENTS

To apply to this call:

1. Students (including part-time studentes) must be enrolled at Sapienza for Academic Year 2017/2018 in a Bachelors, Masters or One-cycle Degree or Doctoral Degree, regardless their citizenship; In case of Specialization Programmes, the payment of the Erasmus grant is subject to the compatibility of the Specialization contract with Erasmus grants for study. Nonetheless, a possible incompatibility allows participation in the programme, even though the mobility will not be funded.
2. Students must have adequate language skills (see Art. 2.3.2 Language Skills").
3. Students must complete their enrolment at Sapienza for the Academic Year 2018/2019 by the deadlines set by the University (visit the webpage <https://www.uniroma1.it/it/pagina-strutturale/studenti> section "Tasse universitarie").
4. Students must not reside in the country where their mobility takes place.

Students enrolled in the third year of a Bachelors Degree or who are "fuori corso" (students who will not complete their degree programme according to schedule) and who expect to graduate by Academic Year 2017/2018 can leave during the first year of a Masters Degree (Second cycle). These students, whose application is conditioned, must enrol in a Masters Degree in the Academic Year 2018/2019 before their departure. (1)
6. Erasmus students cannot graduate before the end of their period of study abroad and before the recognition of their learning activity in the Host Institution by the Academic Coordinator of the Mobility (RAM).
7. Students enrolled in a Doctoral Programme must end their mobility by the legal duration of the Doctoral Programme.

ART. 2.2 INCOMPATIBILITY

Incompatibilities concern the grant as well as the "status" of Erasmus student.

Students can be granted one or more Erasmus+ mobilities per each study cycle (Bachelors, Master Course, Doctoral Programmes) provided the total period does not exceed 12 months per each cycle. For one-cycle degrees the maximum is 24 months.

This requirement does not apply to mobilities to Switzerland, regulated by the Swiss- European Mobility Programme (SEMP).

In any case the student is responsible for the achievement of the language requirements by the host university.

ART. 3. GRANTS AND FINANCIAL BENEFITS

ART. 3.1 GENERAL ASPECTS

Grants for mobility are to be considered as a contribution to the expenses of residing abroad and require actual participation in mobility activities. To receive grants, students must sign the financial contract at their Erasmus+ office before leaving.

All Erasmus+ and SEMP funding (except EU grants) are exclusively granted for admissible activity abroad, whose duration is minimum 3 months (90 days) and maximum 12 months.

Erasmus+ and SEMP mobilities must take place between **01/06/2018** and **30/09/2019**.

Financing is subject to the activities carried out abroad (study and/or thesis, doctoral or Masters research) (see Art. 6.4 "Learning Agreement"), thus students who **DO NOT TAKE ANY EXAM** (language basic courses are not included in the count) and/or do not certify their work for thesis or doctoral research, **are not entitled to the MIUR grant**.

Here below are listed the mobility grants:

ART. 3.2. EU GRANTS

The EU Erasmus+ grant 2018/2019 is differentiated on the basis of the living costs in the host country.

The mobility grant, defined at national level, will amount as follows:

• **Group 1** (Programme Countries with higher living costs): Austria, Denmark, Finland, France, Ireland, Lichtenstein, Norway, Sweden, United Kingdom **300,00 €/month**.

• **Groups 2 and 3** (Programme Countries with medium living costs): Belgium, Croatia, Czech Republic, Cyprus, Germany, Greece, Iceland, Luxembourg, Netherlands, Portugal, Slovenia, Spain, Turkey; (Programme Countries with lower living costs): Bulgaria, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, Romania, Slovakia, former Yugoslav Republic of Macedonia: **250,00 €/month**.

The actual grant will be calculated on the actual days of mobility as certified by the host university in the certificate of attendance.

Erasmus grants are incompatible with grants from other programmes/actions funded by the European Union. If EU funds run out or students receive other simultaneous university or EU grants, when students specifically accept it, selected candidates may receive an "Erasmus-Zero-EU-Grant" status that will allow them to enjoy the benefits of mobility without receiving the EU grant.

All Erasmus+ grants are however subject to the approval of Erasmus activities/funding, proposed by Sapienza for the Academic Year 2018-19, by Indire - the National Agency for Erasmus+.

ART. 3.3 MIUR AND SAPIENZA FUNDING

ART. 3.3.1 MIUR

The Ministry of Education, University and Research (MIUR), funds grants to support mobility under Law 170/2003 "Fund for Youth Support and Student Mobility"; the amount of the grant will be known by June 2018.

Mobility students who:

DO NOT TAKE ANY EXAM, except students enrolled in Doctoral Course programme (the basic language course is not included in the count)

AND/OR DO NOT CERTIFY WORK ON THEIR THESIS OR RESEARCH FOR PHD,

are not entitled to receive the MIUR grant (see Art. 3.1).

ART. 3.3.2 SAPIENZA

Mobility students will be granted the Sapienza funding on the basis of the co-funding defined by Sapienza University of Rome; the amount will be known after the university Budget for the financial year 2019 is approved.

Information on grants allocated in previous academic years is available on the website in the section "contributi" at: <https://www.uniroma1.it/it/pagina/esoneri-e-contributi-monetari-gli-studenti-partenza>.

ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS

In order to allow students a wider participation in the mobility, Indire - the National Agency for Erasmus+, allocates grants intended to support disabled students and/or students with special needs.

Students must communicate their situation of disability/special need, in their application as well as in their acceptance in case they are selected for mobility.

The above-mentioned selected students will receive information about possible EU grant during the year via a specific information note to be published at: <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

ART. 3.5 ADDITIONAL FUNDING FOR STUDENTS FROM DISADVANTAGED BACKGROUNDS

Students from disadvantaged backgrounds may be allocated an additional grant, based on ISEE, financed by EU funding and complemented with Sapienza and MIUR funding.

In order to apply to this grant, students must require their withholding agent (in case tax assistance is provided), or CAF, or via the INPS website (<http://servizi2.inps.it/servizi/lseeriforma/home.aspx>) or other qualified entities (accountant, labour consultant, etc.), the calculation of **ISEE 2018 for the Right to University Study**. ISEE data will be checked by Sapienza on the dedicated INPS platform and, in case no figure related to ISEE 2018 for the right to university study is recorded for the student, he will not be considered in the ranking for grant allocation. Detailed information relating to allocation criteria will be provided during the year via a specific information note to be published at: <http://www.uniroma1.it/erasmus/studenti-students/contributi>.

ART. 3.7 DOCUMENT COMPLIANCE

Documents concerning the mobility will be checked by International Office – Erasmus Sector. In case the above-mentioned documents are not compliant, a partial or total reimbursement of awarded grants will be required.

ART. 3.8 TAXATION OF THE ERASMUS + GRANT

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law No 105 - 9 May 2003, converted with amendments into Law No 170 - 11 July 2003, except further amendments.

ART. 4. AVAILABLE DESTINATIONS AND POSITIONS

Available mobility destinations and number of available positions may be subject to modifications based on the decisions of EU or national bodies regulating the programme or partner universities. Therefore, please be advised that this notice of publication for the call is not binding. Students should verify autonomously the possibility of studying abroad by checking course catalogues of the receiving institutions before applying.

Mobility periods for some destinations in this announcement may be shorter if the academic calendar is shorter.

Moreover, for students who have already been on previous mobility periods, the reduction of the period will be based on the number of admissible months, with a maximum of 12 months per study cycle and 24 months for one-cycle degrees, following authorization from the host university.

Students can select a minimum of 3 maximum of 5 destinations, among the receiving institutions listed below.

Offer may undergo modifications even after the publication of the call, in case the partner university communicates to have changed admission requirements or available positions.

The priority order stated in the application will be a binding criterion in the assignment of the destination in case the candidate is eligible for more than one destination.

Please note that it is not possible to guarantee departure in the 1st semester for destinations whose dead-line is close to the date specified in art 14 “END OF PROCEDURE”.

In selecting the mobilities listed below, please pay attention to the language level required by the host university in order to be able to attend selected courses (see art. 2.3.2).

Mobility Levels:

1 = Undergraduate (Bachelors)

2= Postgraduate (Masters, Single-Cycle Degree)

3 = Doctoral (Specialization or Doctoral Programmes)

In selecting mobilities, please pay attention to the language level required for attendance by the receiving institution. Requirements shown in the table are specified by each partner University.

However, students involved are invited to examine personally the actual correspondence of these requirements with reference to the selected universities.

ART. 6.3 RENUNCIATION TO THE MOBILITY AND REPLACEMENT

The acceptance of the mobility is a serious commitment by the candidate. Thus, accepted students are expected to limit renunciations, after acceptance or at the beginning of the mobility period, to serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow timely replacement by the first reserve candidate.

In case of renunciation, the Faculty Erasmus office will assign the mobility to the next student in the ranking, who will then be invited via email to provide feedback by the next day, under penalty of exclusion from the mobility.

ART. 6.4 LEARNING AGREEMENT

All students who accept the assigned destination are required to fill out the official study plan (Learning Agreement - L.A.).

The L.A. is a document that is prepared before departure and defines the learning activity to be carried out abroad (exams, thesis research).

The L.A. must be approved by the Academic Mobility Coordinator (RAM – List published at <https://www.uniroma1.it/pagina/cersites-latina-coordinatori-e-responsabili-accademici-mobilita-internazionale>) and signed by the student and the receiving Institution to ensure the student recognition of credits taken abroad for passing exams/thesis.

Students must fill out their L.A. on their personal webpage at:

<https://relint.uniroma1.it/pp2013/login.aspx> .

The definition and subsequent approval of the Learning Agreement are mandatory to start the mobility period.

ART. 7 ONLINE LINGUISTIC SUPPORT AND EU SURVEY

ART. 7.1 ONLINE LINGUISTIC SUPPORT (OLS)

The Erasmus+ Programme allows **selected candidates to take a compulsory online test to assess language skills before and after the mobility**, if the learning language during the period abroad, specified in the Learning Agreement, is one of the following: Bulgarian, Czech, Croatian, Danish, Dutch, English, Finnish, French, Hungarian, German, Greek, Polish, Portuguese, Rumanian, Slovakian, Spanish and Swedish, except students who are assigned a mobility to Switzerland.

On the basis of the result in the assessment test, the student may receive a licence for an online preparatory language course.

Procedures concerning the language test will be communicated directly to the student at the email address provided on the application form.

ART. 7.2 EU SURVEY

At the end of the mobility period, participant students, except students who are assigned a mobility to Switzerland, will be required to fill out the EU SURVEY.

ART. 8 RECOGNITION OF THE EXPERIENCE

Under the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad" R.D. ART. 9 PROCEDURES AND LOGISTICS

- In order to plan their curricular project at the host university, students should carefully examine all available information on the websites before applying. In fact, this information is binding for receiving the mobility assignment.

- For degree, PhD or Specialisation thesis work, after having consulted the website of the host university, students must agree on the project with their Italian supervisor and Academic Mobility Coordinator, based on the agreement with the partner professor at the host university.

- At the end of courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Once the procedures of this call are completed by the Faculty, in case there are mobilities non-assigned and available funds, a further call can be published. These mobilities may also be available to students of other Faculties (possibly of similar subject areas). The mobility is subject to the acceptance of the candidate by the host University.

- Usually, foreign universities do not provide student housing for Erasmus students. Housing information is available on the websites of partner universities. Students should check any deadlines or specific procedures to be followed.

Furthermore, students must seek information autonomously with reference to rules regulating:

- Health Assistance in the host country, requesting information from their local health office or diplomatic missions, or at the following link: http://www.salute.gov.it/portale/temi/p2_6.jsp?lingua=italiano&id=897&area=Assistenza%20sanitaria&menu=italiani

- Admission to the host country through timely inquiry at the relevant diplomatic missions (Embassies and Consulates) in Italy (for non-EU citizens).

Laws regulating the entrance of non-EU students in Countries participating in the Erasmus+ Programme are related to the nationality of these students. The student is responsible for seeking information, in good time, and obtaining the documents that allow admission and stay in the destination country, by inquiring at the relevant diplomatic missions.

- The civil responsibility and accident insurance coverage, that students enjoy automatically when registered at Sapienza, is extended with the same procedures for the entire mobility period abroad at the host university: <https://www.uniroma1.it/it/node/24654>

- Students on mobility periods must:

a) autonomously procure their own health and travel insurance for the entire stay abroad, based on the conditions in the host country;
