## **ART. 1 GENERAL INFORMATION**

### **ART. 1.1 OBJECTIVES**

Erasmus+ individual learning mobility is regulated by the Erasmus+ programme 2021/2027. (EU Regulation no.2021/817 of the European Parliament and of the Council of May 20, 2021 and the Erasmus+ Programme Guide 2021/2027). Through lifelong learning, the Programme promotes educational, professional and personal development of students and promotes sustainable growth, employment, innovation, social cohesion, the strengthening of the European identity and active citizenship.

The Erasmus+ programme also allows participation in non-EU countries, known as Partner Countries. The European countries traditionally included in the Erasmus+ programme are referred to as the Programme Countries.

Erasmus students receive a grant and have the right to:

- attend courses and use the available structures at the hosting institution without further tuition fees (in some cases small contributions might be requested as for local students);
- combine a period of study with a period of traineeship or research for the preparation of the thesis;
- carry out research under the PhD or Specialisation School;

All activities conducted abroad (with a positive outcome) will be fully recognized in the student's career **as long as they were previously approved by the Learning Agreement/Change Form**. Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad](#)".

- **Partner Countries:** United Kingdom and Switzerland.

### ART. 1.4 DOUBLE DEGREE MOBILITY

The Double Degree programmes allow students to spend a period of study abroad by attending courses aimed at obtaining the Italian title and the foreign title of equal level. General information is available at: <https://www.uniroma1.it/it/pagina/titoli-doppi-multipli-e-congiunti>.

Conditions for participation **vary depending on the foreign University, the year of enrolment/attendance, the academic requirements which are regulated by special agreements** about the duration of mobility, the programme of studies and the recognition of academic activities carried out at the foreign office and the number of places available.

Students selected for a DOUBLE DEGREE PROGRAMME may apply for this call only for the seats reserved to this type of programme (see Art. 4 “AVAILABLE DESTINATIONS AND PLACES”).

Double degree mobilities will be expressly indicated in the table, where you will find information on the locations and places available.

## **ART. 2 REQUIREMENTS**

### **ART. 2.1 GENERAL REQUIREMENTS**

1. In order to apply to this call students must be enrolled (including part-time students) at Sapienza for **Academic Year 2021/22** in a Bachelor's, Master's, Single-cycle or PhD degree programmes, or Specialisation Schools.
2. In case of Specialisation Programmes, the payment of the Erasmus grant is subject to the compatibility of the specialisation contract with Erasmus grants. Incompatibility still allows participation in the programme, but students will not receive any grant for the mobility period.
3. Students must have **adequate language skills** (see Art. 2.4 “LANGUAGE REQUIREMENTS”).
4. Students must **complete their enrolment at Sapienza University for Academic Year 2022/2023 by the established deadlines** (further information: <https://www.uniroma1.it/it/pagina-strutturale/studenti> “University Tuition”), except for graduating students, under Art. 13 of the “Student Regulations”. Hence, students who plan to graduate in the extraordinary session Academic Year 2021/2022 do not have to enrol for the A.Y. 2022/2023, but the mobility must be concluded before graduation. In case of missed graduation within the extraordinary session A.Y. 2021/2022, enrolment for the Academic Year 2022/2023 would be required.
5. Students enrolled in the third (or subsequent) year of a Bachelor's Programme (First cycle) in Academic Year 2021/2022, and who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of a Master's Degree (Second cycle). However, the mobility period **must take place in the second semester** of Academic Year 2022/2023. If such students apply for mobility periods longer than a semester, the period will be automatically reduced. Before leaving, students selected under these conditions must be enrolled in a Master's Programme for Academic Year 2022/2023. **Moreover, these students may not, under any circumstance, enjoy their mobility period during the first semester.**
6. **Graduating students on Erasmus mobility are allowed to graduate only after the end of their study period abroad and once the online recognition procedure for the educational activity scheduled in the Learning Agreement/ Change Form (exams or thesis research) is completed. If the above requirements are not complied, students have to refund the grant (Article 9 Learning Agreement).**
7. **PhD Students** must complete their mobility period before the official end of the Doctoral Programme and obtain a Declaration concerning the activity carried out from the host university.

8. **Specialisation students** must be **authorised** by the Director of their Specialisation School to benefit from a mobility period and also obtain a Declaration concerning the activity carried out from the host university.

#### ART. 2.2 INCOMPATIBILITY

Students applying to this call may benefit from one or more Erasmus+ mobility grants (Bachelor's, Master's, PhDs) provided **the total period does not exceed 12 months per each cycle**. For Single-cycle degrees the maximum period is 24 months.

Any Erasmus mobility carried out in virtual mode from the country of residence, will not be counted in the computing of the maximum Erasmus mobility months for each cycle.

Each candidate is responsible for verifying the residual number of Erasmus mobility months for the cycle they are enrolled in and asking for a possible reduction of the mobility period if not compatible. Otherwise the mobility could be cancelled and the grants already paid must be returned.

Please note: as per Art. 76 - D.P.R. 28.12.2000 N. 445 “... **whoever provides false declarations, false acts or uses them for the purposes of the present call is liable for punishment as established by legislation and all special bills in this matter.**”

Prior mobility periods that have already been funded during the same study cycle under: ICM (International Credit Mobility), Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1 and Erasmus Mundus Action 2 **are included in the calculation of the total number of months spent abroad.**

#### ART. 2.3 ACADEMIC REQUIREMENTS

A special complementary form to confirm the equivalence will be available at the Erasmus office in paper format or can be requested via email from [erasmuslaw@uniroma1.it](mailto:erasmuslaw@uniroma1.it).

Particular situations will be examined on the basis of the provided certifications.

All requests must be submitted by the language test registration deadline (see Art.2.4.1. "LANGUAGE TESTS") and will be verified by the Office for Students with Disabilities and Specific Learning Difficulties, which may request official certifications from the National Health Service or accredited specialists and facilities.

Further information is available at <https://www.uniroma1.it/it/pagina/disabilita-e-dsa> or writing to [supportidisabilidsa@uniroma1.it](mailto:supportidisabilidsa@uniroma1.it).

### ART. 3 DURATION

The length of the mobility is defined by the inter-institutional agreement signed between Sapienza and the partner universities.

The mobility can be started from June 1, 2022, to be concluded by September 30, 2023 and should be performed continuously. The duration could be reduced compared to the call-in case the semester period does not coincide with the academic calendar of the foreign university.

There are two types of mobility:

Erasmus LONG MOBILITY for I, II and III study cycle:

It can be carried out by all those belonging to the I, II and III cycle at the partner universities (Programme Countries and Partner Countries, see Art. 1.3 Participating Countries). Each long mobility must have a minimum duration of 2 months (60 days) and maximum 12 or 24 months (in case of single cycle).

The duration could change only for well-proved academic reasons in which the students:

Start the mobility in the second semester,

Have already benefited from mobility periods in the same cycle (Art. 2.2). In this case the maximum length will be reduced to the residual months according to the limit of 12 per cycle and 24 months for single cycle, subject to prior approval of the partner university.

Erasmus SHORT MOBILITY only for PhD students:

The short mobility can be carried out only by students enrolled in a PhD Programme. It must have a minimum duration of 5 days and maximum 30 days and it should be performed only in Programme Countries.

The short mobility must always be previously authorised by the host university (see Art. 7.3 APPLICATION "SHORT MOBILITY" FOR PhD STUDENTS).

#### MOBILITY LEVELS

- 1 = Undergraduate (Bachelor's);
- 2 = Postgraduate (Master's, Single-cycle Degree);
- 3 = Doctoral (Specialisation or PhD Programmes)

**PLEASE NOTE: Available places and destinations** listed in the call are subject to modification if the partner universities or national and European organisations regulating the programme introduce variations. Before applying, please independently verify the feasibility of studying at your preferred destinations on the websites of the individual universities.

Moreover, at the time of the publication of the call the agreements are still not officially signed because, as required by the new programme Erasmus+ 2021-2027, agreements should be approved digitally through Erasmus Without Papers, still to be implemented in all Programme Countries. Consequently, some conditions might change during the signing phase and not all the selected students might actually take part in the mobility and/or participate under the same conditions listed in this call. The impact of this transitional phase on student selection will be limited as far as possible. However, it is important that candidates are aware that the availability of all the places published in the call is under condition.

4. It will not be possible to guarantee the start of a mobility period in the 1st semester for destinations that have a deadline (for the submission of the student nomination) that is not compatible with the publication of the final ranking (Art. 14 "END OF PROCEDURE").

The duration of the mobility indicated in the announcement is determined on the basis of contracts between sapienza and partner university and cannot be changed by the student.

Any changes must be authorized by the academic director Prof. Gianluca Sarchillo. They will be evaluated only in the case of proven didactic reasons in the event that the student:

- 1) you start the mobility in the second semester
- 2) has already benefited from mobility periods in the same cycle of studies (art.2.2.) The maximum duration will be reduced to the remaining months based on 12 months for the study cycle and 24 months for single-cycle degrees, subject to authorization by the Partner University.

**The overall duration of the mobility must not be less than 90 days.**

When choosing mobility, it is necessary to pay attention to the required language level. The requirements indicated in the table have been indicated by the partner universities. Interested students are invited to personally investigate the actual correspondence of these requirements with what is required by the Partner Universities.

#### **ART. 6 ACADEMIC ACTIVITIES ABROAD**

Students must indicate the didactic activities they intend to pursue abroad in the Application Form. In addition, they have to consider the coherence between the subject area of the host university and their own course of study. In case of applications submitted in the transition period between a Bachelor's (I cycle) and a Master's Degree (II cycle), students should consider the academic activities scheduled for the Master's Study Plan.

The indicated activities are not final and may be integrated upon completion of the official study plan (Art. 9 "LEARNING AGREEMENT") that will have to be approved by the Degree Programme Academic Coordinator for International Mobility (RAM).

**Admissible mobility activities are:**

- Attendance of courses and exams;
- Research for graduation and/or doctoral thesis;
- Curricular traineeship (only if relevant to the didactic plan)

After having consulted the course catalogue of the foreign university, students should contact the Agreement Promoter (Art. 4. AVAILABLE DESTINATIONS AND PLACES) for didactic information.

**PhD students and candidates enrolled in Specialisation Schools**, after having verified their eligibility for a mobility period abroad, must agree on the educational programme abroad with the Coordinator of their PhD Programme/Specialisation School. Moreover, they will have to ascertain their insurance coverage with the relevant offices.

## **ART. 7 APPLICATION**

### **ART. 7.1 DEADLINES AND SUBMISSION**

**1. The deadline for submission of the on-line application form is March 4, 2022. at 2.00 pm (Italian time).**

2. The application form is available at: <https://relint.uniroma1.it/candidatura/login.aspx>

For technical issues, please contact the Help Desk form, available at the following link:

<https://relint.uniroma1.it/candidatura/sendmail.aspx>

3. In order to apply, **you must use your university email account** ([familiyname.studentnumber@studenti.uniroma1.it](mailto:familiyname.studentnumber@studenti.uniroma1.it)).

This will be the only official means used for communications related to this call and the subsequent procedures.

Once the application has been completed, candidates will receive a report of all the data submitted at their university email address **as the only valid receipt for their application**. Thus, all applicants must verify that they receive this report and that all the data submitted is correct. Any errors must be immediately reported to the Faculty Erasmus Administrative Officer : [erasmuslaw@uniroma1.it](mailto:erasmuslaw@uniroma1.it)

*The correct submission of the application is certified only by the receipt of the submission by the student. Incomplete applications will be considered inadmissible. Maximum attention is recommended in compiling all the steps, the motivational part, the learning agreement with the study plan, which will be evaluated during the interview.*

Where requested, candidates will deliver a double copy in paper version, signed, attaching a photo ID and the necessary documentation (e.g. copy of identity document, language certificates). The deadline is set for 5 March 2022 at 12 p.m. at the Erasmus Office.

#### **ART. 7.2 DOCUMENTS TO SUBMIT**

In order to correctly complete the application process, students must fill out all fields of the on-line form and **verify the upload of the following documents**, which are an integral part of the application process:

2. **Language Certification** (only in the case provided in Article 2.4.3 "EXEMPTION FROM LANGUAGE TESTS")

**PLEASE NOTE:** If mandatory documents are not uploaded by the deadline, or the declared/self-certified information is not correct, **the application will be rejected.**

#### **ART. 7.3 SHORT MOBILITY APPLICATION FOR PhD STUDENTS**

PhD students who wish to apply for an Erasmus+ "SHORT MOBILITY" are required to declare it when applying by flagging the proper field next to the selected university. If students do not declare their willingness to carry out a short mobility in their application, the mobility will be considered as a "LONG MOBILITY" and will have to comply with the related requirements (Article 3 DURATION).

Before the start of the mobility, the Faculty Erasmus office will have to acquire formal confirmation of the "Short mobility" from the host University.

### **ART. 8 RANKING**

#### **ART. 8.1 RANKING PROCESS**

1. A Commission - made up of the Faculty CAM / RAM, the RAEF, the Erasmus Office Coordinator, Student Manager - will evaluate the applications. The selection will be made (by qualifications), according to the evaluation criteria defined below and subject to the preliminary evaluation of the Faculty CAM / RAM and RAEF in full consistency with the elements subject to evaluation pursuant to art. 2.3.
2. Two rankings will not be drawn up: a ranking for the CIVIS alliance locations and one for the other Erasmus + destinations, with all students competing for both categories of agreement.

Erasmus+

3. The selection will be made by qualifications according to the evaluation criteria that will be formalized by the Commission in the establishment report and will in any case be defined in full consistency with the elements being evaluated. The final score will be determined by the following parameters:

- year of enrollment (does not award points);
- academic year enrollment (does not award points; necessary to verify the presence of faculty requirements. It is necessary to have obtained at least 24 credits)
- Ratio between the credits earned and the number of credits to be achieved depending on the year of enrollment (on a scale of value from 24 to 300 and, depending on the course year, from 60 to 300);
- Average rating (on a scale of value from 18 to 30);
- A maximum of three additional points for certified knowledge, with official attestation, of a third language (on a scale of 1 to 3).
- A maximum of three penalty points for each year of off-course enrollment (on a scale of value from 1 to 3 in deduction).
- A maximum of 15 points following the interview which will evaluate the qualifications attached to the submission of the application, the motivation expressed in the choice of the partner university, the proposed Learning Agreement and the evaluation made by the student on the selected courses as well as all the circumstances that the student will want to report in addition to the application presented.

During the compilation phase, the student is required to draw up a detailed provisional LA indicating at the bottom of the same the link to the page of the host faculty from which he has extracted the name of the selected exams.

In assigning the mobility, with the same score, students who have never benefited from Erasmus mobility for study purposes, Erasmus placement / traineeship will have priority.

On the basis of the aforementioned criteria, the Commission will draw up a provisional ranking.

The provisional ranking will be published on the Faculty of Law website at the link:

<http://www.ius-sapienza.org/drupaluni/> and / or in the transparency section of the Faculty website at the link <http://www.ius-sapienza.org/drupaluni/facolta/trasparenza>

**PLEASE NOTE: the following do not concur to the calculation of your GPA and CFUs:**

- Exams taken abroad during Erasmus periods that have not yet been validated through the online recognition procedure;
- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary to graduate;
- Integrated exams and elective educational activities (ADE) if the credits related to all the modules of each integrated exam have not been completed yet;

- Exams for single courses that have not been recognised as part of the degree programme (Bachelor's, Master's, Single Cycle) where the student is currently enrolled;
- Exams cancelled due to lack of prerequisites;
- Exams declared as taken, which instead are only or not even booked.

In assigning mobility periods, **in case of identical scores**, priority will be given to students who have never benefited from an Erasmus mobility for study and placement/traineeship.

Based on the aforementioned criteria, the Commission will draw up a provisional ranking which will be published at the link <http://www.iussapienza.org/drupaluni/> and / or in the transparency section of the Faculty website at the link <http://www.ius-sapienza.org/drupaluni/faculty/transparency>

The ranking will be considered final if from the date of publication, after 10 consecutive calendar days, no complaints are submitted to be sent in a sealed envelope to the Faculty Erasmus Office for the attention of the Academic Coordinator for Mobility (CAM) Prof. Gianluca Scarchillo.

The final ranking will be published on the Faculty website <http://www.iussapienza.org/drupaluni/> and / or in the transparency section of the Faculty website at the link <http://www.ius-sapienza.org/drupaluni/facolta/trasparenza>.

## ART. 8.2 ACCEPTANCE OF MOBILITY PERIOD

After 10 days from the publication of the ranking, the winners must expressly accept the contribution at the assignment meeting which will subsequently be organized at the Faculty of Law, classroom designanda.

It is also specified that participation in the aforementioned meeting is mandatory and that the absence of the candidate (or his / her delegate with a copy of the document and signed authorization) will not allow the assignment of any destination among those chosen which will therefore be assigned to candidates in the classroom in order of ranking.

Due to the high number of questions that are received every year, all interested students are recommended to evaluate ex ante the real intention to participate in the Erasmus + program, in this regard we inform you that the non-participation in the meeting as well as the renunciation of the departure formulated following the assignment will not allow you to participate in the Erasmus + Call in the year following that of submission of the application.

Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and prerequisites.

PLEASE NOTE: **the student's mobility is subject to acceptance by the foreign Institution** which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.

## ART. 8.3 REFUSAL OF THE MOBILITY AND REPLACEMENT

**The acceptance of mobility is a serious commitment for the candidate.** Thus, selected candidates are expected to limit refusals, after acceptance or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate in due time.

Failure to attend the meeting as well as the renunciation of departure formulated following the assignment, DO NOT allow you to participate in the Erasmus + call in the year following that of participation in the application.

### **ART. 9 LEARNING AGREEMENT**

All students who have accepted their assigned destination must complete an official Learning Agreement (LA) which defines the academic activities to be completed abroad. The LA guarantees the recognition of credits obtained for passed exams and thesis research work conducted abroad.

**The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.**

All students who have definitively accepted the assigned mobility are required to complete the official study plan (Learning Agreement - L.A.) before departure and in any case by the deadline dates communicated by the Faculty Erasmus Office.

The L.A., which guarantees the student the recognition of credits obtained by passing the exams / thesis research abroad, must be:

-completed online by the student on their personal page at <https://relint.uniroma1.it/pp2013/login.aspx>

approved online by the Academic Head of Mobility (RAM - List published at the link: <https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>

-signed by the student

-approved by the partner University by stamp and signature

The definition and consequent approval of the L.A. they are mandatory and binding for the purpose of using the mobility, under penalty of exclusion from the mobility itself.

The L.A. it must include exams or didactic activities aimed at obtaining at least 18 ECTS per semester (36 for periods of stay of 9 or 10 months).

Please note that the student who does not obtain at least 6 ECTS in the validation phase will be required to return the MIUR contribution: PhD students and postgraduates are excluded from this limit.

It should also be remembered that successfully passing the exams present in the L.A. will allow the recognition of 3 exams per semester (6 for a stay of 9 or 10 months) to be deducted from those in the Italian study plan.

The status of Erasmus student and the ownership of the relative contribution will be acquired only following the stipulation of the financial contract.

-The final acceptance of the student and the assessment of the adequacy of his profile and his linguistic preparation are the responsibility of the host university. The same may request further certifications from the candidate and, failing that, may refuse the application based on its own rules not specified in the agreement signed with the Faculty / University.

At the end of the mobility, the student must compulsorily start the validation procedure for the recognition in career of the academic or research activity carried out at the foreign university.

The digitized procedure must be completed exclusively through the Erasmus personal page. Otherwise, the student will be required to refund the total amount of the MUR contribution. ART. 10

### **ART. 10 PROCEDURES AND LOGISTICS**

In order to prepare their curricular project at the host university, students should carefully examine all available information on the university websites before applying. In fact, this information is binding for the mobility assignment.

For degree, PhD or Specialisation thesis work, students must agree on the project with their Italian Supervisor and Academic Coordinator for International Mobility, based on the agreement with the partner professor at the host university.

At the end of their courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Academic activities will be recognized as indicated by the Faculty and the "Regulation for Student Mobility and Recognition of Study Periods and Training Abroad". Credits for exams taken at host universities must be acquired respecting all the rules and regulations of degree programme curricula.

Students must autonomously acquire information regarding housing opportunities provided by destination universities. Moreover, students are also responsible for informing themselves about:

- Health Assistance in the host country, requesting information from their local health office, diplomatic missions or at the following link  
<http://www.salute.gov.it>
- Entrance into the host country, timely checking for requirements with embassies and consulates (for non-EU citizens). Laws regulating the entrance of non-EU students in countries participating in the Erasmus+ Programme are based on the nationality of these students. Students are responsible for promptly obtaining information and all the documents needed to be admitted and allowed to sojourn in the destination country from the relevant diplomatic missions.

The civil liability and accident insurance coverage that students get automatically when enrolled at Sapienza is extended with the same procedures for the entire mobility period abroad at the host university <https://www.uniroma1.it/it/node/24654>

However, students are recommended to consider the opportunity of an additional insurance to cover travel and medical costs not covered by the European Health Care Card (TEAM).

It is also recommended to visit the webpage of the [Ministry of Foreign Affairs](http://www.dovesiamonellmondo.it) ([www.dovesiamonellmondo.it](http://www.dovesiamonellmondo.it)) and register your stay abroad filling with the required data: name, city/country, host university, updated contact info and period of stay.
