## **ART. 1 GENERAL INFORMATION**

### **ART. 1.1 OBJECTIVES**

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for one -cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtain the “Erasmus Student” status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

**As per the “Regulations on Student Mobility and the Recognition of Periods of Study and Training Abroad” (D.R. N. 1436/2015 – 13/05/2015), in the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a period of academic mobility whose results will be fully recognized by the degree programme and the university.**

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the ["Regulation for Student Mobility and Recognition of Study and Training Periods Abroad."](#)

### **ART.1.2 PARTICIPATING COUNTRIES**

For Academic Year 2020-2021, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and United Kingdom\*.

\*All mobility towards the **United Kingdom**, indicated at Art. 4 as “available places” are conditioned by the developments of Brexit. They may therefore not be available.

- **Non-EU Programme Countries:** Iceland, Liechtenstein, Norway, Republic of North Macedonia, Serbia, Turkey.

### ART. 1.3 MOBILITY TOWARDS CIVIS ALLIANCE UNIVERSITIES

Sapienza is a partner of the “CIVIS - A European Civic University” Alliance financed by the European Union. The alliance has been active since October 1, 2019 and includes the following universities:

- Free University of Brussels, [www.ulb.ac.be](http://www.ulb.ac.be)
- University of Tübingen, <https://uni-tuebingen.de/>
- Autonomous University of Madrid, <http://www.uam.es>
- Aix-Marseille University, <https://www.univ-amu.fr/>
- National Kapodistrian University of Athens, <https://en.uoa.gr/>
- University of Bucharest, <https://unibuc.ro/>
- University of Stockholm, <https://www.su.se/>

CIVIS is a synonym for the transnational collaboration of civic universities with a strong tie to the social and geographical context. It will allow the mobility of 400,000 students and 50,000 university personnel, promoting multilingualism and the diversity of European culture. The alliance is committed to implementing the principles of the Bologna Process and contribute to the development of a European Education Area. The European Civis Alliance is a space for teaching, research, cultural exchange and innovative action by citizens of Europe, the Baltic and the Mediterranean.

Over the course of time, it will activate a series of shared study programmes amongst the 8 European campuses to create a true European Higher Education Area and contribute to the development of a solid and multilingual European knowledge society. Education will be based on research and innovative didactic activities that will include, besides traditional Erasmus mobility, short mobility periods, including virtual and remote ones.

Students who participate in Civis mobility periods will become part of a European community and will benefit from upgraded services and innovative didactic programmes.

Project objectives include Erasmus mobility amongst universities in the alliance. In consideration of the fact that there will be an increase in mobility amongst partners, Sapienza will reserve **10% of total funds** for the mobility of students towards Civis Universities.

There are academic coordinators for Civis Mobility in each faculty:

<https://www.uniroma1.it/it/pagina/civis-luniversita-civica-europea>

The Civis Coordinator for the Faculty of Civil and Industrial Engineering is Prof. Francesca Campana (<http://dma.ing.uniroma1.it/users/campana/frances.html>)

#### ART. 1.4 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it **does not receive any EU funding** either for incoming or outgoing mobilities.

In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme, Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3. "Grants and Financial Benefits").

Students applying to Swiss universities must satisfy all the requirements described in this call (see Art. 2 "GENERAL APPLICATION REQUISITES AND ADMISSIBILITY").

#### ART. 1.5 DOUBLE DEGREE MOBILITY

Students selected for a DOUBLE DEGREE PROGRAMME may apply for this call only for the seats reserved for this type of programme (see Art. 4 "AVAILABLE DESTINATIONS AND PLACES").

Information on double degree programmes is available at:

<https://www.uniroma1.it/it/pagina/doppia-laurea-e-titoli-congiunti>

### MOBILITY LEVELS

1 = Undergraduate (Bachelor);

2 = Postgraduate (Master, One-cycle Degree);

3 = Doctoral (Specialization or Doctoral Programmes)

**PLEASE NOTE: Available places and destinations** are subject to modifications if the partner universities or national and European organisations regulating the programme introduce variations. Before applying, please independently verify the feasibility of studying at your preferred destinations on the websites of the individual universities.

4. **The mobility period** indicated in this call is based on inter-university agreements. These periods may vary only in specific circumstances in which the student:

- Begins the mobility period during the second semester,
- Has already enjoyed periods of mobility during the same cycle of studies (see Art. 2.2.). In this case, the maximum mobility period will be reduced to satisfy the upper limit of 12 months per cycle of studies and 24 months for one-cycle degree programmes, in agreement with the host university.

**PLEASE NOTE: the overall length of the mobility period cannot, in any case, be less than 90 days**

5. It will not be possible to guarantee the beginning of a mobility period in the 1<sup>st</sup> semester for destinations that have a deadline (for the submission of student documents) that is not compatible with the schedule of this call (Art. 14 “END OF PROCEDURE”).

**When choosing mobility, please pay attention to the language level required by the partner University. The requirements in the table have been indicated by the partner Universities. Students must necessarily check what is indicated in the table with respect to the requirements of the requested location, (and personally investigate the actual correspondence of these requirements with respect to the requested locations).**

#### **ART. 5 ACADEMIC ACTIVITIES ABROAD**

1. Students must indicate the didactic activities they intend to pursue abroad on the application form. The indicated activities are not final and may be integrated upon completion of the official Learning agreement (Art. 8 “LEARNING AGREEMENT”) that will have to be approved by the Degree Programme Academic Mobility Coordinator (RAM).

2. Admissible mobility activities are:

- Attendance of courses and passing of exams;
- Preparation of graduation and/or doctoral thesis;
- Curricular traineeship (only if relevant)

3. For programme and course-related information, students should contact the agreement promoter for the destination university as indicated in Art. 4.

4. **PhD students and candidates enrolled in Specialization Schools**, after having verified their eligibility for a mobility period abroad, must agree on the educational programme abroad with the Coordinator of the PhD Programme/Specialization School in which they are enrolled. Moreover, they will have to ascertain their insurance coverage with the relevant offices.

The list of the RAMs is available at the following web link:

4. **Self-certification of the academic career** according to the form available at the following address: [https://web.uniroma1.it/trasparenza/dettaglio\\_bando\\_albo/150046](https://web.uniroma1.it/trasparenza/dettaglio_bando_albo/150046)

In the "Proposal of Learning Agreement" form must be reported the list of courses to do abroad, the list of corresponding courses to be replaced and the indication of their respective credits. It is possible to indicate more foreign courses in place of a single Italian course.

The approval of the study plan to take abroad will be attested by the signature, on the aforementioned form, of the Academic Responsible for Mobility (RAM) of the degree course of the student and, in case of final thesis, also by the Supervisor. For PhD students, the signature must be affixed by the Academic Director of Mobility (RAM) of the Doctoral School.

Please note: according to the Law 12/11/2011 n. 183, the documents issued by the public administration (eg certificate of exams taken) are replaced by self-certification (D.P.R. 445/00). A simple paper declaration is sufficient to self-certify.

The Administration reserves the right to make appropriate checks regarding the veracity of the contents of self-certification of substitutive declarations. In the event of a false declaration, will be adopted the provisions of art. 76 of the D.P.R. n. 445/2000 and by the articles 483, 485, and 486 of the Penal Code.

**ATTENTION: The self-certification form of the academic career and the "Proposal of Learning Agreement" form relating to the selected locations must be combined and attached as a single pdf file, as the system accepts only one attachment. Uploading a new file will automatically delete the previously uploaded file.**

**The receipt of the message of the successful submission of the application guarantees only the correct receipt of the application form, but not the attachments.**

**Please Note: If the required documentation is not uploaded by the deadline, or the declared/self-certified information is not correct, the application will be rejected.**

## **ART. 7 RANKING**

### **ART. 7.1 RANKING PROCESS**

1. A Commission - composed of the Institutional Coordinators for Mobility of the Faculty (CAM) and one student, nominated by the Dean - will evaluate all applications
2. Two rankings will be produced: **one for CIVIS Universities and one for other Erasmus+ destinations.**

The selection process will be based on your **qualifications**. Evaluation criteria will be finalized by the Commission during its first meeting and will be defined coherently with the evaluation requirements.

### **1. Academic Merit: 0 - 90 points**

- a) Up to 45 points to the fraction of credits obtained within the application delivery and recorded in Infostud within the deadline of the call, compared to the expected credits according to the latest Piano di Studi approved, at the end of the first semester 2019/2020; (\*)
- b) Up to 45 points to the fraction in thirtieth of the average grade, normalized to the average grade of the course of study, of the exams verbalized within the application delivery and recorded in Infostud within the deadline of the call. The credits and the year of registration will be weighted (reducing the average grade of examinations of students out-of-course and repeating students of one thirtieth per year off and repeating year);

### **2. Language Skills: 0 - 5 points**

Up to 5 points to students who, at the time of applications, have a certificate, attesting the knowledge of the language/s indicated in the "Language of instruction" column in Table 1, relative to the seat and the chosen courses.

### **3. Learning Agreement Proposal: 0 – 5**

Up to 5 points to the validity and consistency of the training project to be carried out abroad.

(\*) Only for students enrolled at the first year in Civil Engineering Master Degree even the Bachelor Degree exams credits and marks will be taken into account.

**PLEASE NOTE:** the evaluation of the linguistic knowledge for the purpose of the rankings does not replace the verification of the linguistic requirements of the Partner university, which remains responsibility of the student.

#### **PLEASE NOTE: the following do not concur to your GPA calculation:**

- Exams taken abroad during Erasmus periods that have not yet been officialised as they refer to exams still in the process of being validated;
- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary for degree and are not used to calculate GPA;

- Exams for single courses that have not been recognised as part of the degree programme (Bachelors, Masters, one Cycle) for which the student is currently enrolled;
- Integrated exams and elective educational activities (ADE) if the credits related to all the modules of each integrated exam have not been successfully completed;
- Exams cancelled due to lack of prerequisites;
- Exams declared to have been taken, but which were only booked and not taken, or not even booked.

In assigning mobility periods, **in case of identical scores, priority will be given to students** who have not had a prior Erasmus experience for study and placement/traineeship.

3. The Commission will produce a ranking of candidates based on the above-mentioned criteria and publish the **provisional ranking** at:

[https://web.uniroma1.it/trasparenza/dettaglio\\_bando\\_albo/150046](https://web.uniroma1.it/trasparenza/dettaglio_bando_albo/150046)

The ranking will be considered final when, 10 natural and consecutive days after its publication, no reviews will have been presented to the Erasmus Office of the Faculty of Civil and Industrial Engineering, Via Eudossiana 18, 00184 Rome.

The **final ranking** will be published on the Faculty site at:

[https://web.uniroma1.it/trasparenza/dettaglio\\_bando\\_albo/150046](https://web.uniroma1.it/trasparenza/dettaglio_bando_albo/150046)

#### **ART. 7.2 ACCEPTANCE OF MOBILITY PERIOD**

**1. Selected students must accept their assigned mobility destination within 7 days from the publication of the final ranking or assignment.**

**2. Candidates who do not respect this deadline will be excluded.**

3. The final assignment of an Erasmus+ mobility requires:

- Formalization and approval of the Learning Agreement by the Academic Coordinator for International Mobility (RAM);
- Signature and upload to the student's personal page of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility is assigned.

4. Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

**Please note: the student's mobility is subject to acceptance by the foreign Institution (i.e., academic curriculum, language skills) which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.**

#### **ART. 7.3 REFUSAL OF THE MOBILITY AND REPLACEMENT**

**The acceptance of the mobility is a serious commitment by the candidate.** Thus, selected candidates are expected to limit refusals, after acceptance or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate.

#### **ART. 8 LEARNING AGREEMENT**

1. All students who have accepted their assigned destination must complete an official Learning Agreement (LA). The LA is a document that is prepared before departure and defines the academic activities that will be completed abroad.

2. The LA, which guarantees the recognition of credits obtained for passed exams and thesis research work conducted abroad, must be:

- **Completed on-line by students on their personal page:**  
<https://relint.uniroma1.it/pp2013/login.aspx>
- **Approved on-line by the Academic Coordinator for International Mobility (RAM – The full list is available at <https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>**
- **Signed by the student**
- **Approved (stamp and signature) by the partner university**

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

The LA includes the exams you plan to take or other didactic activities that will ensure you earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility).**

Students who do not earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)** will be forced to return their mobility funding to MIUR. This limit does not concern PhD and Specialisation students.
