### ART. 1 GENERAL INFORMATION

#### ART. 1.1 OBJECTIVES

*Erasmus Plus* is the EU programme in the fields of **Education, Training, Youth and Sport** 2014/2020.

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad totalling up to 12 months maximum per each cycle of study and 24 months in one-cycle study programmes, regardless the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Erasmus students will receive a grant and may attend courses and use the available structures **without further registration fees** (in some cases small contributions might be requested as for local students). **All activities abroad (with a positive result) will be fully recognized** provided they are approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome by approving the Erasmus Policy Statement (EPS) and the "Regulation for Student Mobility and Recognition of Study and Training Periods Abroad." (Rectoral Decree Prot. n. 34218 - 13.05.2015).

#### ART.1.2 PARTICIPATING COUNTRIES

During the Academic Year 2018-2019, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries). The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and United Kingdom.
- **EFTA/EEA Countries:** Iceland, Liechtenstein and Norway;
- **EU candidate countries:** Turkey and the Republic of Macedonia.

#### ART. 1.3 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as *Programme* and *Partner Countries*, namely it does not receive any UE financing for in-coming and out-going mobilities.

To the purpose of guaranteeing existing mobility and cooperation, the Swiss Federal Council developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme, Swiss Universities finance the mobility of all in-coming and out-going students by signing specific agreements (see Art. 3.6 "Grant").

Students applying for Swiss universities are required all the requirements envisaged by this call ("see Art. 2. Requirements and Application Procedure").

## **ART. 2 REQUIREMENTS AND APPLICATION PROCEDURE**

### **ART. 2.1 GENERAL REQUIREMENTS**

To apply to this call:

1. Students (including part-time students) must be enrolled at Sapienza for Academic Year 2017/2018 in a Bachelors, Masters or One-cycle Degree, Doctoral Degrees, regardless their citizenship; In case of Specialization Programmes, the payment of the Erasmus grant is subject to the compatibility of the Specialization contract with Erasmus grants for study. Nonetheless, a possible incompatibility allows participation in the programme, even though the mobility will not be funded.

2. Students must have adequate language skills (see Art. 2.3.2 Language Skills").

3. Students must complete their enrolment at Sapienza for the Academic Year 2018/2019 by the deadlines set by the University (visit the webpage <https://www.uniroma1.it/it/pagina-strutturale/studenti> section "Tasse universitarie").

4. Students must not reside in the country where their mobility takes place.

5. Students enrolled in the third year of a Bachelors Degree or who are "fuori corso" (students who will not complete their degree programme according to schedule) and who expect to graduate by Academic Year 2017/2018 can leave during the first year of a Masters Degree (Second cycle). These students, whose application is conditioned, must enrol in a Masters Degree in the Academic Year 2018/2019 before their departure. (1)

6. Erasmus students cannot graduate before the end of their period of study abroad and before the recognition of their learning activity in the Host Institution by the Academic Coordinator of the Mobility (RAM).

7. Students enrolled in a Doctoral Degree Programme must end their mobility by the legal duration of the Doctoral Degree.

### **ART. 2.2 INCOMPATIBILITY**

Incompatibilities concern the grant as well as the "status" of Erasmus student.

Students can be granted one or more Erasmus+ mobilities per each study cycle (Bachelors, Master Degrees, Doctoral Degrees) provided the total period does not exceed 12 months per each cycle.

For one-cycle degrees the maximum is 24 months.

This requirement does not apply to mobilities to Switzerland, regulated by the Swiss- European Mobility Programme (SEMP).

Prior mobilities already funded in the same study cycle under Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1, and Erasmus Mundus Action 2 must be included in the calculation.

### **ART. 2.3. FACULTY REQUIREMENTS**

### **ART. 2.3.1 ACADEMIC REQUIREMENTS**

A weighted GPA (Bachelor and Master Degree or Single-Cycle-Degree) equal to or higher than 23/30. This GPA should be considered as a minimum threshold; thus, student applications whose weighted average grade is less than 23,00 / 30 will not be accepted. The weighted GPA is composed by all exams with a mark, passed and recorded on Infostud. Apprenticeships, qualifying examinations, workshops and graduation exams do not compose the weighted average grade. 30 with honours will be counted as 30.

If enrolled in an undergraduate program, students are supposed to have acquired at least 24 credits at the time of application. Please note that all credits completed at the submission of application will be considered as long as they are recorded on Infostud.

Students should not have renounced to the mobility, after being declared winner of Erasmus + scholarship in the previous 2017-2018 1st. and 2nd calls and 2018-2019 1<sup>st</sup> call.

This call is open only to students enrolled at the Faculty of Civil and Industrial Engineering and students enrolled in inter-faculty courses in cases where the mother faculty is the Faculty of Civil and Industrial Engineering. This call is also open to students enrolled in one of the following Doctoral Programmes:

Infrastrutture e Trasporti  
 Ingegneria Aeronautica e Spaziale  
 Ingegneria Ambientale e Idraulica  
 Ingegneria Chimica  
 Ingegneria dell'Architettura e dell'Urbanistica  
 Ingegneria Elettrica, dei Materiali e delle Nanotecnologie  
 Ingegneria Industriale e Gestionale  
 Ingegneria Strutturale e Geotecnica  
 Meccanica Teorica e Applicata  
 Modelli Matematici per l'Ingegneria, Elettromagnetismo e Nanoscienze  
 Scienze Tecnologiche per i Sistemi Complessi

Students enrolled in a Doctoral Programme require clearance from the Coordinator of the Doctoral Programme (RAM).

Furthermore, all credits achieved until the application submission, obtained exclusively for exams and recorded on Infostud, will be taken into account. The student is allowed to integrate exams not recorded in his career yet by self-certifications (see Art. 5 Application). The office will check the self-certifications by asking a certain number of students for the signed-exam receipt.

The mobility and the recognition of credits related to the activities performed in the Erasmus period must take place before graduation and the end of the study programme attended.

### **ART. 2.3.2 LANGUAGE SKILLS**

Language skills are considered as basic for a quality mobility under Erasmus+. Students must have the language level required by the receiving Institution, unless otherwise required by the host university.

To this purpose the candidate must:

- possess the language level required by the host universities, as shown in the list of Receiving Institutions at the time of the submission of the Application Form
- check the website of the host university for any further information or fulfilment related to language requirements;

Moreover, accepted candidates must:

- submit official documentation (i.e. IELTS, DELF, PLE etc.) certifying language skills at the time of the mobility assignment, if the host university requests such proof. Failure to comply will result in non-eligibility;
- obtain and submit a linguistic certification of the required level, issued by an adequate structure (Faculty or other) in case the host university does not require an official language certification.

In these cases, students with official language certificates required by partner universities will be given preference in the assignment in case of equal scores.

**In any case the student is responsible for the achievement of the language requirements by the host university.**

### **ART. 3. GRANTS AND FINANCIAL BENEFITS**

#### **ART. 3.1 GENERAL ASPECTS**

Grants for mobility are to be considered as a contribution to the expenses of residing abroad and require actual participation in mobility activities. To receive grants, students must sign the financial contract at their Erasmus+ office before leaving.

All Erasmus+ and SEMP funding (except EU grants) are exclusively granted for admissible activity abroad, whose duration is minimum 3 months (90 days) and maximum 12 months.

Erasmus+ and SEMP mobilities must take place between **01/06/2018** and **30/09/2019**.

Financing is subject to the activities carried out abroad (study and/or thesis, doctoral or Masters research) (see Art. 6.4 "Learning Agreement"), thus students who **DO NOT TAKE ANY EXAM** (language basic courses are not included in the count) and/or do not certify their work for thesis or doctoral research or Masters research, **are not entitled to the MIUR grant**.

Here below are listed the mobility grants:

#### **ART. 3.2. EU GRANTS**

The EU Erasmus+ grant 2018/2019 is differentiated on the basis of the living costs in the host country. The mobility grant, defined at national level, will amount as follows:

- **Group 1** (Programme Countries with higher living costs): Denmark, Finland, Iceland, Ireland, Luxembourg, Lichtenstein, Norway, Sweden, United Kingdom **300,00 €/month**.
- **Groups 2 and 3** (Programme Countries with medium living costs): Austria, Belgium, Cyprus, France, Germany, Greece, Netherlands, Portugal, Spain, Turkey; (Programme Countries with lower living costs): Bulgaria, , Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, Romania, Slovakia, Slovenia, former Yugoslav Republic of Macedonia: **250,00 €/month**.

The actual grant will be calculated on the actual days of mobility as certified by the host university in the certificate of attendance.

Erasmus grants are incompatible with grants from other programmes/actions funded by the European Union. If EU funds run out or students receive other simultaneous university or EU grants, when students specifically accept it, selected candidates may receive an "Erasmus-Zero-EU-Grant" status that will allow them to enjoy the benefits of mobility without receiving the EU grant.

**All Erasmus+ grants are however subject to the approval of Erasmus activities/funding, proposed by Sapienza for the Academic Year 2018-19, by Indire - the National Agency for Erasmus+.**

### **ART. 3.3 MIUR AND SAPIENZA FUNDING**

#### **ART. 3.3.1 MIUR**

The Ministry of Education, University and Research (MIUR), funds grants to support mobility under Law 170/2003 "Fund for Youth Support and Student Mobility"; the amount of the grant will be known by June 2018.

Mobility students who:

**AND/OR DO NOT CERTIFY WORK ON THEIR THESIS OR RESEARCH FOR PHD OR MASTERS,**

**are not entitled to receive the MIUR grant** (see Art. 3.1).

#### **ART. 3.3.2 SAPIENZA**

Mobility students will be granted the Sapienza funding on the basis of the co-funding defined by Sapienza University of Rome; the amount will be known after the university Budget for the financial year 2019 is approved.

Information on grants allocated in previous academic years is available on the website in the section "contributi" at: <https://www.uniroma1.it/it/pagina/esoneri-e-contributi-monetari-gli-studenti-partenza>.

#### **ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS**

In order to allow students a wider participation in the mobility, Indire - the National Agency for Erasmus+, allocates grants intended to support disabled students and/or students with special needs.

Students must communicate their situation of disability/special need, in their application as well as in their acceptance in case they are selected for mobility.

The above-mentioned selected students will receive information about possible EU grant during the year via a specific information note to be published at: <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

#### **ART. 3.5 ADDITIONAL FUNDING FOR STUDENTS FROM DISADVANTAGED BACKGROUNDS**

Students from disadvantaged backgrounds may be allocated an additional grant, based on ISEE, financed by EU funding and complemented with Sapienza and MIUR funding.

In order to apply to this grant, students must require their withholding agent (in case tax assistance is provided), or CAF, or via the INPS website (<http://servizi2.inps.it/servizi/Iseeriforma/home.aspx>) or other qualified entities (accountant, labour consultant, etc.), the calculation of **ISEE 2018 for the Right to University Study**. Please note that SEMP students are not entitled to receive EU grants, including grants for special needs students and for students from disadvantaged backgrounds, whereas they are entitled to the additional Sapienza and MIUR grants (except as provided by Art. 3.3)

#### **ART. 3.7 DOCUMENT COMPLIANCE**

Documents concerning the mobility will be checked by International Office – Erasmus Sector. In case the above-mentioned documents are not compliant, a partial or total reimbursement of awarded grants will be required.

### **ART. 3.8 TAXATION OF THE ERASMUS + GRANT**

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law No 105 - 9 May 2003, converted with amendments into Law No 170 - 11 July 2003, except further amendments.

### **ART. 4. AVAILABLE DESTINATIONS AND POSITIONS**

Available mobility destinations and number of available positions may be subject to modifications based on the decisions of EU or national bodies regulating the programme or partner universities. Therefore, please be advised that this notice of publication for the call is not binding. Students should verify autonomously the possibility of studying abroad by checking course catalogues of the receiving institutions before applying.

Mobility periods for some destinations in this announcement may be shorter if the academic calendar is shorter.

Moreover, for students who have already been on previous mobility periods, the reduction of the period will be based on the number of admissible months, with a maximum of 12 months per study cycle and 24 months for one-cycle degrees, following authorization from the host university.

**Students can select a maximum of 3 destinations, among the receiving institutions listed below.**

Offer may undergo modifications even after the publication of the call, in case the partner university communicates to have changed admission requirements or available positions.

**The priority order stated in the application will be a binding criterion in the assignment of the destination in case the candidate is eligible for more than one destination.**

**This call allows students to leave only during II semester 2018-2019, then longer permanence periods will be reduced.**

**Please note that it is not possible to guarantee departure for destinations whose dead-line is close to the date specified in art 14 "END OF PROCEDURE".**

**In selecting the mobilities listed below, please pay attention to the language level required by the host university in order to be able to attend selected courses (see art. 2.3.2). *In selecting the destinations, please pay attention to the language level required for attendance by the receiving institution. Requirements shown in the table are specified by each partner University. However, students involved are invited to examine personally the actual correspondence of these requirements with reference to the selected universities.***

Once the application has been completed, each candidate will receive the report of all data submitted at his official email address. Thus, all applicants must verify that they receive this report and that all the data submitted are correct. Any errors must be immediately reported to the Faculty Erasmus Administrative Coordinator (Dott.ssa Clara D'Eletto, tel. +39 06 44585713, e-mail: [ingerasmus@uniroma1.it](mailto:ingerasmus@uniroma1.it) via Eudossiana, 18, 00184 ROMA Office hours: Mon-Wed-Thu 10:00-12:00).

### NOTE

In order to participate to this call, it is mandatory to complete the online application form by July 31st, 2018 by 10:00 a.m. (noon, Italian time). The student must be particularly sure to submit all the documents requested, in view of the fact that the system is not able to check their presence.

### ART. 5.2 DOCUMENTS TO BE SUBMITTED

In order to properly complete their application, students must fill out all fields of the online form and verify the upload of the following documents, to be considered as an integral part of their application:

1. - A "Proposal of Learning Agreement" form for each destination chosen, signed by the Academic Responsible for Mobility (RAM), as well as the Supervisor in the case of mobility for the preparation of the thesis project. The form is available at the following web link <http://www.ing.uniroma1.it/drupal/drupal/drupal/internazionale/exchange-students/outgoing>
2. - Any certificates relating to the teaching language in the host institution, as specified in paragraph 5.IV

The form "Proposal of Learning Agreement" should report the list of courses to be done abroad, the list of corresponding Italian courses that student wants to replace, and the indication of the respective credits. It is possible to indicate more foreign courses in lieu of a single Italian course.

The approval of the training program to do abroad will be attested by the signature, on the form mentioned above, of the Academic Responsible for Mobility (RAM) and, in the case of a thesis project, even by the Supervisor of the thesis project.

Doctoral students documents should be approved by the Academic Responsible for Mobility (RAM) of the Collegio di Dottorato.

**Please note:** as indicated in Legge 12/11/2011 - N. 183, all documents issued by public administrations (i.e., transcript certificates) may be substituted by self-declarations (D.P.R. 445/00). The administration has the right to certify the data indicated in self-certifications and, in case of false declarations, will apply the sanctions established by Art. 76 D.P.R. N. 445/2000 and Articles 483, 485 and 486 of the Penal Code.

## ART. 6 RANKINGS

### ART. 6.1 RANKING PROCESS

A Commission - composed of the Academic Coordinators for International Mobility (CAM) of the Faculty and a student will evaluate all applications based on the following criteria:

1. Up to 45 points to the fraction of credits obtained (recorded in Infostud) at the application delivery date according to the latest Piano di Studi approved, at the end of the second semester 2017/18;
2. Up to 45 points to the fraction in thirtieth of the average grade, normalized to the average grade of the course of study, of the exams verbalized (recorded in Infostud) at the date of delivery of the application. The credits and the year of registration will be weighted (reducing the average grade of examinations of students out-of-course and repeating students of one thirtieth per year off and repeating year);
3. Up to 5 points to the validity and consistency of the training project to be carried out abroad;
4. Up to 5 points to students who, at the time of applications, have a certificate, attesting the knowledge of the language/s indicated in the "Language of instruction" column in Table 1, relative to the seat and the chosen courses. The only certificates that will be evaluated are as follows: DELF, DALF, TCF-TP, ESOL, IELTS, TOEFL, TRINITY GESE, DELE, GOETHE-ZERTIFIKAT, Test Daf, PLE.

Only certificates attesting the knowledge of the language/s indicated in the "Language of Instruction" column for each site chosen by each candidate will be assessed. It will be given to the student that declares himself mother tongue the same amount of points as if he was in possession of a C2 certificate only if he proves he studied at least for 8 years (from 1<sup>st</sup> grade above) in the mother tongue language (note 2)

(NOTE: the evaluation of any certificate is carried out solely to complete the ranking. Therefore, it does not replace the verification of the linguistic requirements as indicated at the art. 1.c of this notice, which remains by the responsibility of the student).

The Commission will employ the indicated criteria to produce a temporary ranking of eligible students.

A Temporary Ranking will be published on the Faculty website:  
<http://www.ing.uniroma1.it/drupal/drupal/drupal/internazionale/exchange-students/outgoing>

The ranking will become final if, within ten (10) consecutive days from its publication, no appeals are presented to the Faculty Erasmus Office.

The Final Ranking will be published on the faculty website:  
<http://www.ing.uniroma1.it/drupal/drupal/drupal/internazionale/exchange-students/outgoing> and on the Athenaeum website: <http://web.uniroma1.it/trasparenza/>

In case of equal scores, priority will be given to students who do not have previous Erasmus study or Erasmus placement/traineeship experiences.

#### **ART. 6.2 ACCEPTANCE OF THE MOBILITY**

Selected students are required to provide feedback by 3 business days from the publication of the final ranking to [ingerasmus@uniroma1.it](mailto:ingerasmus@uniroma1.it)

Non-compliance to the above deadline will be considered as a renunciation.

The final assignment of the Erasmus+ mobility is subject to:

- submission of the required documents
- formalization of the Learning Agreement
- signing of the Financial Agreement between the student and Sapienza.

Inclusion in final rankings will not automatically entitle to a mobility period, since the actual assignment will also depend on the verification of the respect of learning defined by the Faculty and the selected receiving institution.

Note: However, student's mobility is subject to acceptance by the foreign Institution (i.e.: academic curriculum, language skills) which might require further certificates or reject the application on the basis of its rules not specified in the interinstitutional agreement signed with the partner University.

#### **ART. 6.3 RENUNCIATION TO THE MOBILITY AND REPLACEMENT**

The acceptance of the mobility is a serious commitment by the candidate. Thus, accepted students are expected to limit renunciations, after acceptance or at the beginning of the mobility period, to serious and proven matters of force majeure, which must be communicated in writing and duly justified. The student that rejects the mobility after the acceptance will not be able to participate to the call of the following year.

#### **ART. 6.4 LEARNING AGREEMENT**

All students who accept the assigned destination are required to fill out the official study plan (Learning Agreement - L.A.).

The L.A. is a document that is prepared before departure and defines the learning activity to be carried out abroad (exams, thesis research).

The L.A. must be approved by the Academic Mobility Coordinator (RAM – List published at [http://www.ing.uniroma1.it/sites/default/files/IngeCI\\_RAM\\_11\\_17.pdf](http://www.ing.uniroma1.it/sites/default/files/IngeCI_RAM_11_17.pdf) and signed by the student and the receiving Institution to ensure the student recognition of credits taken abroad for passing exams/thesis. Students must fill out their L.A. on their personal webpage at: <https://relint.uniroma1.it/pp2013/login.aspx> .

The definition and subsequent approval of the Learning Agreement are mandatory to start the mobility period.

## **ART. 7 ONLINE LINGUISTIC SUPPORT AND EU SURVEY**

### **ART. 7.1 ONLINE LINGUISTIC SUPPORT (OLS)**

The Erasmus+ Programme allows **selected candidates to take a compulsory online test to assess language skills before and after the mobility**, if the learning language during the period abroad, specified in the Learning Agreement, is one of the following: Bulgarian, Czech, Croatian, Danish, Dutch, English, Finnish, French, Hungarian, German, Greek, Polish, Portuguese, Rumanian, Slovakian, Spanish and Swedish, except students who are assigned a mobility to Switzerland.

On the basis of the result in the assessment test, the student may receive a licence for an online preparatory language course.

Procedures concerning the language test will be communicated directly to the student at the email address provided on the application form.

### **ART. 7.2 EU SURVEY**

At the end of the mobility period, participant students, except students who are assigned a mobility to Switzerland, will be required to fill out the EU SURVEY.

Information concerning the procedures to be followed will be sent directly to the email address used by the student on the application form.

## **ART. 8 RECOGNITION OF THE EXPERIENCE**

Under the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad" R.D. N. 34218 - 13.05.2015, in the framework of the EU Erasmus+ Programme, Sapienza students have the opportunity to be awarded a mobility, whose results are recognized and directly transferred into their career.

## **ART. 9 PROCEDURES AND LOGISTICS**

In order to plan their curricular project at the host university, students should carefully examine all available information on the websites before applying. In fact, this information is binding for receiving the mobility assignment.

For degree, PhD or Specialisation thesis work, after having consulted the website of the host university, students must agree on the project with their Italian supervisor and Academic Mobility Coordinator, based on the agreement with the partner professor at the host university.

At the end of courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Performed learning activities will be recognized as provided by the Faculty and the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad". Credits exams taken at host universities must be acquired respecting all the rules and regulations of the degree programme curricula.

Once the procedures of this call are completed by the Faculty, in case there are mobilities non-assigned and available funds, a further call can be published. The mobility is subject to the acceptance of the candidate by the host University.

Usually, foreign Universities do not provide student housing for Erasmus students. Housing information is available on the websites of partner universities. Students should check any deadlines or specific procedures to be followed.

Furthermore, students must seek information autonomously with reference to rules regulating:

- Health Assistance in the host country, requesting information from their local health office or diplomatic missions, or at the following link:  
[http://www.salute.gov.it/portale/temi/p2\\_6.jsp?lingua=italiano&id=897&area=Assistenza%20sanitaria&menu=italiani](http://www.salute.gov.it/portale/temi/p2_6.jsp?lingua=italiano&id=897&area=Assistenza%20sanitaria&menu=italiani)
- Admission to the host country through timely inquiry at the relevant diplomatic missions (Embassies and Consulates) in Italy (for non-EU citizens).
- Laws regulating the entrance of non-EU students in Countries participating in the Erasmus+ Programme are related to the nationality of these students. The student is responsible for seeking information, in good time, and obtaining the documents that allow admission and stay in the destination country, by inquiring at the relevant diplomatic missions.
- The civil responsibility and accident insurance coverage, that students enjoy automatically when registered at Sapienza, is extended with the same procedures for the entire mobility period abroad at the host university: <https://www.uniroma1.it/it/node/24654>

Students on mobility periods must:

a) autonomously procure their own health and travel insurance for the entire stay abroad, based on the conditions in the host country;

b) autonomously find information about possible laws regulating admission to the host country, by timely inquiring at the relevant diplomatic missions (Embassies and Consulates) in Italy.

#### **ART. 10 ACTIVITIES AND GRANTS**

Activities and grants provided for in this call are subject to the signature of the Erasmus+ Convention 2018/2019 between the Erasmus+ National Agency and Sapienza University of Rome.

Please note that the information contained in this call may undergo changes and/or integrations based on subsequent updates and regulations by the Erasmus+ National Agency.

#### **ART. 11 CHECKS**

As per Art. 71 - DPR 445 - 28/12/2000, the university will verify application information randomly and in any case that poses reasonable doubts on the information provided by self-certifications.

**Non-compliance of information, declared or self-certified, constitutes a cause of exclusion/forfeiture.**

#### **ART. 12 TREATMENT OF PERSONAL DATA**

The personal data of all applicants will be used for selection procedures and subsequent project phases, for institutional objectives in the framework of the Public Administration (Decree-Law No 196/2003).

Involved students can exert the rights provided by Decree-Law No 196/2003 (relating to the Personal Data Protection Code) at any time.

#### **ART. 13 FINAL AUTHORITY**

Under Law 7.8.1990, No 241 and subsequent amendments and integrations, in the framework of the exclusive competence of Sapienza University of Rome Faculty of Civil and Industrial Engineering, the final authority for the procedure is the Erasmus Administrative Coordinator Dott.ssa Clara D'Eletto– tel. 06

44585713– e-mail: ingerasmus@uniroma1.it. Office hours Mon-Wed-Fri 10-12 a.m.- via Eudossiana, 18, 00184 Rome

#### **ART. 14 END OF PROCEDURE**

The temporary ranking will be published within 30/09/2018.

**In case of conflicting interpretations between the English and Italian versions of this selection call, the Italian language text will be final.**

#### **NOTE**

(1) If study activity abroad consists of thesis research, students are not required to pay tuition for the new academic year (2018-19), provided they submit their graduation application and graduate by the last session of Academic Year 2017-2018.

Applications of students enrolled in third-cycle programmes (PhD and Specialization Schools) will be accepted with reserve in case the deadline for enrolment to the academic year 2017/2018, as for “manifesto” (syllabus)/call of their degree programme, is later than the deadline of this call.

(2) The language certificates, mentioned in art. 6.1, will be evaluated (as far as the Final Ranking is concerned) as follows:

C2 points 5

C1 points 4

B2 points 3

B1 points 2

A2 points 1

A1 points 0

Furthermore if the certificates are older than 2 or 5 years they will respectively be evaluated 1 and 2 points less.
