ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for single-cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtains the "Erasmus Student" status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad](#)."

ART.1.2 PARTICIPATING COUNTRIES

For Academic Year 2019-20, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and United Kingdom.
- **EFTA/EEA Countries:** Iceland, Liechtenstein and Norway;
- **EU candidate countries:** Turkey former Yugoslav Republic of Macedonia, Serbia.

ART. 1.3 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it **does not receive any EU funding** either for incoming or outgoing mobilities.

In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme, Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3.6 “Grant”).

Students applying to Swiss universities must satisfy all the requirements described in this call (see Art. 2. *Requirements and Application Procedures, Language Requirements, Selection Procedures and Incompatibility*).

ART. 1.4 MOBILITÀ STRUTTURATA PER DOPPIA LAUREA

Double and Joint Degree Programmes allow students to study abroad and attend courses that will lead to both an Italian and foreign degree of the same level. Further information is available at: <https://www.uniroma1.it/it/pagina/doppia-laurea-e-titoli-congiunti>.

Admission requirements, which are established by agreements, vary based on country, academic year and academic requisites. Moreover, the agreements regulate the length of the mobility period, the study programme and the recognition of academic activities conducted abroad, as well as the number of available places.

1. Students must be **enrolled** (including part-time students) at Sapienza for **Academic Year 2018-19** in a Bachelor, Master, Single-cycle or PhD degree programme, or a Specialization Schools, regardless their citizenship;

In case of Specialization Programmes, the payment of the Erasmus grant is subject to the compatibility of the specialization contract with Erasmus grants. Incompatibility still allows participation in the programme, but the student will not receive any grant for the mobility period.

2. Students must have **adequate language skills** (see Art. 2.3.2 “Language Requirements”)

3. Students must complete their enrolment at Sapienza University for Academic Year 2019-20 by the established deadlines (further information: [https://www.uniroma1.it/it/pagina-strutturale/studenti/University Tuition](https://www.uniroma1.it/it/pagina-strutturale/studenti/University%20Tuition)”).

Students enrolled in the third (or subsequent) year of a Bachelors Degree (first cycle) in Academic Year 2018-19, and who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of a Masters Degree (second cycle). However, the mobility period **must take place in the second semester** of Academic Year 2019-20. **Before leaving, students selected under these conditions must be enrolled in a Masters Programme for Academic Year 2019-20. Moreover, these students may not, under any circumstances, enjoy their mobility period during the first semester, even if approved by the host university.** Students who apply for mobility periods longer than a semester, will not receive any further grant.

5. **Students on mobility programmes may not graduate before the end of their period of study abroad and before the recognition of the academic activities conducted abroad by the Academic Coordinator of the Mobility Period (RAM).**

6. Students enrolled in PhD Programmes must end their mobility period before the official end of the Doctoral Programme.

7. Specialisation school students must check with their school if they are eligible for a study period abroad under this call.

All credits acquired as of the application submission, obtained exclusively through exams and registered on Infostud, will be accepted for the selection process.

Students are allowed to integrate exams that have not been officially registered with self-certifications (see Art. 6 “Candidature”).

ART. 2.3.2 LANGUAGE REQUIREMENTS

Students applying to the Erasmus+ 2019-20 Call must have a minimum **A2** language level Common European Framework of Reference (<https://europa.eu/europass/levels-cefr>).

The applicant will have to provide proof of the **minimum language level (or that required by the host university)** either with a **certification** (IELTS, DELF, PLE, etc.) or by taking a test at the **Sapienza Language Centre – Centro Linguistico di Ateneo** (see below). **Students must ascertain the requirements established by their host university for an Erasmus+ mobility period, as described in Art. 4.**

If a candidate does not have any of these certifications, he/she will have to provide a self-certification for their language level. **Students providing self-certifications will be assessed through a test** during the selection procedure for the following languages: English, French, Portuguese, Spanish and German. The tests will be held at the Sapienza Language Centre – Centro Linguistico di Ateneo “Marco Polo” building , Circonvallazione Tiburtina 4 (ex Scalo San Lorenzo 82), 00185, Roma, ground 0, Lab. 4, 5, 6 e 7 (see the link for the map: <https://goo.gl/maps/wBF9gMApXjciZUhP7>) according the following schedule

H	MONDAY 17 JUNE	TUESDAY 18 JUNE	WEDNESDAY 19 JUNE	THURSDAY 20 JUNE	FURDAY 21 JUNE
09:30 A.M.	GERMAN (SURNAME STARTING FROM A TO Z)	FRENCH (SURNAME STARTING FROM A TO Z)	SPANISH (SURNAME STARTING FROM I TO Q)	ENGLISH (SURNAME STARTING FROM A TO H)	ENGLISH (SURNAME STARTING FROM R TO Z)
2:00 P.M.	PORTUGUESE (SURNAME STARTING FROM A TO Z)	SPANISH (SURNAME STARTING FROM A TO H)	SPANISH (SURNAME STARTING FROM R TO Z)	ENGLISH (SURNAME STARTING FROM I TO Q)	

The convocation according to this calendar has the value of notification to all effects and no other communication will be sent to the candidates.

Candidates must therefore present themselves at the CLA on the date and time of the call to take the test in the languages indicated in the application form. They must carry a valid identification document (identity card, driving license, passport), as well as their own credentials to access Infostud. It is essential to follow the call calendar, because no changes will be allowed and there will be no recovery sessions.

The test will consist of a computer test from level A2 to level C1 and will have a maximum duration of 60 (sixty) minutes. The test starts at level A2; on the basis of the score obtained the candidates can pass to B1, then to B2 (if they pass B1) and to C1 (if they exceed B2). The tests, for each level, will be prepared in accordance with the rules of the Common European Framework of Reference for Knowledge of Languages (CEFR).

The test results will be used to determine the student’s final ranking.

Students can take tests for a **maximum of two languages and not more than once for each language**. Students can choose which language test to take for host universities in countries that accept two languages.

If the **test score is inferior to the minimum level required** by the host university, the **candidate will not be considered eligible**. **Please Note: self-certifications must declare the true language level of**

the candidate. We recommend you verify this through the many free language tests that are available on-line.

If the test score is equal to or greater than the level required by the call selection process, but **inferior to the minimum level required by the host university, the student will be obliged to attend a language course at the Sapienza Language Centre – Centro Linguistico di Ateneo**. In any case, the student is responsible for reaching the language level required by the host university before departure.

As an example: most Dutch universities requires a TOEFL Certificate, while British universities require a IELTS Certificate. Erasmus+ students must provide these certifications together with the other documentation required by these universities before departure. Students who are assigned a mobility period at one of these universities must hold said certificates within the deadlines indicated by the foreign universities.

ART. 2.3.3 EXEMPTION FROM LANGUAGE TESTS

Students who satisfy one of the following conditions are exempted from language tests:

- Students with an official certificate issued by one of the language centres recognised by the Common European Framework of Reference for Languages and integrated by a language certification for Portuguese (Attachment 3).
- Students enrolled in degree programmes held in English. These students will have to present a valid certification (or take the test) if they apply for a university that does not require English as the language.

ART. 3. GRANTS AND FINANCIAL BENEFITS

ART. 3.1 GENERAL ASPECTS

Grants for mobility are assigned exclusively for academic activities abroad (see Art. 5 “Activities Abroad and Learning Agreement”) for a minimum period of 3 months (90 days) and a maximum period of 12 months during the “Erasmus Year”: **01/06/2019 - 30/09/2020**.

Grants are provided by funding from the European Commission and integrated by MIUR (*Fondo Giovani*) and Sapienza funding. They are considered as a contribution to expenses abroad and are limited to the academic activities authorised before leaving.

In order to receive their mobility grants, students must sign, **before their departure**, the financial contract that is available on selected students’ personal web page and follow all the directions provided upon acceptance of the mobility period.

Moreover, Erasmus+ grants are directly connected to studies and/or other academic activities conducted at foreign universities that have been previously authorised by the Academic Programme Coordinator (RAM) as described in Art. 6.4 “Learning Agreement”). Therefore, students who do not obtain the recognition of at least **3 CFUs** by the end of their mobility period **will be required to partially or fully refund the MIUR grant**. This does not apply to PhD and Specialisation School students.

ART. 3.2 EU GRANTS

The EU Erasmus+ grant 2019-20 is based on the cost of living in the destination country. Mobility grants are defined at the national level and amount to:

- **Group 1 Countries** (Programme Countries with high living costs): Denmark, Finland, Iceland, Ireland, Lichtenstein, Luxembourg, Norway, Sweden, United Kingdom **300,00 €/month**.

- **Group 2 and 3 Countries** (Programme Countries with medium living costs): Austria, Belgium, Germany, France, Italy, Greece, Spain, Cyprus, Netherlands, Malta, Portugal, Bulgaria, Croatia, Czech Republic, Estonia, Latvia, Lithuania, Hungary, Poland, Romania, Slovakia, Slovenia, Former Yugoslav Republic of Macedonia, Turkey, Serbia: **250,00 €/month**.

The actual grant will be calculated on the effective days of the mobility period as certified by the host university in the certificate of attendance.

Erasmus grants are incompatible with grants from other programmes/actions funded by the European Union.

In the case that EU funds are depleted, or should students receive other university or EU grants, or if students do not require funding, the students may receive an “**Erasmus-Zero-EU-Grant**” status that will allow them to enjoy the benefits of the mobility period, but without receiving an EU grant.

All Erasmus+ grants are however subject to the approval of Erasmus activities/funding, proposed by Sapienza for the Academic Year 2019-20 by Indire - the National Agency for Erasmus+.

ART. 3.3. MIUR AND SAPIENZA FUNDING

European grants for mobility periods (Art.3.2) are integrated by the following funds:

- **MIUR** Grants (Fondo Giovani);
- **Sapienza** Grants.

The MIUR “Fondo Giovani” Grant varies based on the ISEE Form for University Welfare Services (related to academic year 2018-2019). **Both forms of additional funding are only allocated to students, who during the mobility period are not more than one year “fuori corso.”**

Therefore, Sapienza (Board of Administrators Resolution N. 485/18 – 18/12/2018) has established the following monthly payments (including the EU Grant based on destination country):

ISEE Beneficiary	Grant/Month
ISEE < 13.000	€ 900-850,00
13.000 - 21.000	€ 850-800,00
21.000 - 26.000	€ 800-750,00
26.000 - 30.000	€ 750-700,00
30.000 - 40.000	€ 600-550,00
40.000 - 50.000	€ 550-500,00
ISEE > 50.000	€ 500-450,00

In case of depletion of EU funding (EU zero grant), students will only receive MIUR and Sapienza grants.

ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS

In order to allow a wider student participation in the mobility programme, Indire - the National Agency for Erasmus+ allocates grants intended to support disabled students and/or students with special needs.

Students must communicate their disability/special need both through their application form and upon acceptance, if assigned a mobility period.

The above-mentioned selected students will receive information about possible EU grants during the year at: <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

ART. 3.5 GRANTS FOR MOBILITY TO SWITZERLAND

The grant for Academic Year 2019-20 SEMP mobility periods is provided by Swiss Universities. For further information, please consult the website of the relevant Swiss university.

It should be noted that SEMP students are not entitled to receive EU grants, including grants for special needs, whereas they are entitled to the additional Sapienza and MIUR grants (except as provided by Art. 3.3)

ISEE Beneficiary	Grant/Month
------------------	-------------

ISEE < 13.000	€ 600,00
13.000 - 21.000	€ 550,00
21.000 - 26.000	€ 500,00
26.000 - 30.000	€ 450,00
30.000 - 40.000	€ 300,00
40.000 - 50.000	€ 250,00
ISEE > 50.000	€ 200,00

ART. 3.6 ISEE FOR UNIVERSITY WELFARE SERVICES

Students who did not declare their ISEE at the time of enrolment for the academic year 2018-2019, in order to benefit of the above mentioned grants, should consult their financial advisor, a CAF Centre or the INPS website (<http://servizi2.inps.it/servizi/lseeriforma/home.aspx>) to obtain their **ISEE**.

ISEE data will be collected by Sapienza University directly from the INPS dedicated platform by **15/07/2019**.

If, at this date, there is no available ISEE 2019 data for Right to University Education, the student will be placed in the **ISEE > 50.000 grant bracket** by default.

ART. 3.7 DOCUMENT COMPLIANCE

Documents concerning the mobility period will be checked by the International Office – Erasmus Sector.

If the provided documentation is not correct, students will be required to partially or fully reimburse allocated grants.

ART. 3.8 TAXATION OF THE ERASMUS + GRANT

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law N. 105 - 9 May 2003, converted with amendments into Law N. 170 - 11 July 2003, except further amendments.

ART. 4. AVAILABLE DESTINATIONS AND PLACES

The following tables lists all the institutions with which Sapienza University has Erasmus+ mobility agreements, the number of available places, the mobility period and application requisites.

Please note: Available mobility destinations and places may be subject to modifications based on the decisions of EU and national bodies regulating the programme or partner universities.

Therefore, we advise that students autonomously verify the possibility of studying abroad by checking course catalogues of the host institutions before applying. A dedicated Erasmus+ Agreement search engine is available at: <https://relint.uniroma1.it/mobilitysearch>

The **length of the mobility period** indicated in the agreement may be shortened, if the student completes a shorter mobility period or decides to leave during the second semester. Moreover, for students who have enjoyed previous mobility periods, the maximum stay will be calculated on the basis of remaining months with respect to the 12-month limit per cycle of study and the 24-month limit for single cycle degrees, following the consent of the host university.

In selecting the host university, students must take note of the required language level (see Art. 2.3.2).

Students can select a minimum of 3 to a maximum of 4 destinations.

Students of the LM Data Science can apply in all groups of agreements excluding group A and C. It is however understood that the agreements of groups B, D, E and F are not specific to Data Science and will be up to the student the verification of the feasibility of the study project based on the educational offer of the host university.

In the case of agreements in which applications of Data Science students are submitted, these will be included in the ranking list together with those of the relevant CDA, unless the maximum number of places that can be assigned to Data Science (and Cybersecurity) students is half of those available. In case of odd number of places the extra one is assigned according to the ranking of merit and in case of parity to the student of the CDA belonging to the agreement.

Students of the LM Cybersecurity can submit their applications in groups B, C and E. It is however understood that the agreements of groups B, C and E are not specific for Cybersecurity and will therefore be the responsibility of the student to verify the feasibility of the study project based on the educational offer of the host university.

In the case of agreements in which applications of students of Cybersecurity are presented, these will be included in the ranking list together with those of the relevant CDA, unless the maximum number of places that can be assigned to the students of Cybersecurity and Data Science is half of those available. In case of odd number of places the extra one is assigned according to the ranking of merit and in case of parity to the student of the courses belonging to the agreement.

The priority order stated in the application will be a binding criterion for the assignment of the destination if the candidate is eligible for more than one destination.

Please note that it is NOT possible to guarantee departure during the 1st semester for destinations whose deadline is close to the date specified in Art 14 "END OF PROCEDURE" for publication of the selection results.
