ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for one-cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtain the “Erasmus Student” status that comes with rights and duties, as established by the Erasmus Student Charter.

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they were previously approved by the Learning Agreement/Change Form.

As per the “Regulations on Student Mobility and the Recognition of Periods of Study and Training Abroad” (D.R. N. 1436/2015 – 13/05/2015), in the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a period of academic mobility whose results will be fully recognized by the degree programme and the university.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "Regulation for Student Mobility and Recognition of Study and Training Periods Abroad."

ART.1.2 PARTICIPATING COUNTRIES

For Academic Year 2020-2021, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and **United Kingdom**.*
*All mobility towards the United Kingdom, indicated at Art. 4 as “available places” are conditioned by the developments of Brexit. They may therefore not be available.

- **Non-EU Programme Countries**: Iceland, Liechtenstein, Norway, Republic of North Macedonia, Serbia, Turkey.

**ART. 1.3 MOBILITY TOWARDS CIVIS ALLIANCE UNIVERSITIES**

Sapienza is a partner of the “CIVIS - A European Civic University” Alliance financed by the European Union. The alliance has been active since October 1, 2019 and includes the following universities:

- Free University of Brussels, [www.ulb.ac.be](http://www.ulb.ac.be)
- University of Tübingen, [https://uni-tuebingen.de/](https://uni-tuebingen.de/)
- Autonomous University of Madrid, [http://www.uam.es](http://www.uam.es)
- Aix-Marseille University, [https://www.univ-amu.fr/](https://www.univ-amu.fr/)
- National Kapodistrian University of Athens, [https://en.uoa.gr/](https://en.uoa.gr/)
- University of Bucharest, [https://unibuc.ro/](https://unibuc.ro/)
- University of Stockholm, [https://www.su.se/](https://www.su.se/)

CIVIS is a synonym for the transnational collaboration of civic universities with a strong tie to the social and geographical context. It will allow the mobility of 400,000 students and 50,000 university personnel, promoting multilingualism and the diversity of European culture. The alliance is committed to implementing the principles of the Bologna Process and contribute to the development of a European Education Area. The European Civis Alliance is a space for teaching, research, cultural exchange and innovative action by citizens of Europe, the Baltic and the Mediterranean.

Over the course of time, it will activate a series of shared study programmes amongst the 8 European campuses to create a true European Higher Education Area and contribute to the development of a solid and multilingual European knowledge society. Education will be based on research and innovative didactic activities that will include, besides traditional Erasmus mobility, short mobility periods, including virtual and remote ones.

Students who participate in Civis mobility periods will become part of a European community and will benefit from upgraded services and innovative didactic programmes.

Project objectives include Erasmus mobility amongst universities in the alliance. In consideration of the fact that there will be an increase in mobility amongst partners, Sapienza will reserve **10% of total funds** for the mobility of students towards Civis Universities.

There are academic coordinators for Civis Mobility in each faculty:
The Civis Coordinator for the Faculty of Political Sciences, Sociology, Communication is Prof. Mariella NOCENZI http://www.coris.uniroma1.it/users/mariella-nocenzi

ART. 1.4 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it does not receive any EU funding either for incoming or outgoing mobilities.

In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called Swiss European Mobility Programme (SEMP). Under this programme, Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3. “Grants and Financial Benefits”).

Students applying to Swiss universities must satisfy all the requirements described in this call (see Art. 2 “GENERAL APPLICATION REQUISITES AND ADMISSIONIBILITY”).

ART. 2 GENERAL REQUISITES FOR APPLICATION AND ADMISSIONIBILITY

ART. 2.1 GENERAL ADMISSION REQUIREMENTS

1. In order to apply to this call, students must be enrolled full-time at Sapienza for Academic Year 2019/20 in a Bachelor, Master, one-cycle or PhD degree programme,

2. Students must have adequate language skills (see Art. 2.4 “LANGUAGE REQUIREMENTS”).

3. Students must complete their enrolment at Sapienza University for Academic Year 2020/2021 by the established deadlines (further information: https://www.uniroma1.it/it/pagina-strutturale/studenti “University Tuition”).

4. Students enrolled in the third (or subsequent) year of a Bachelor Degree (first cycle) in Academic Year 2019/2020, and who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of a Master Degree (second cycle). However, the mobility period must take place in the second semester of Academic Year 2020/21. Before leaving, students selected under these conditions must be enrolled in a Master Programme for Academic Year 2020/2021. Moreover, these students may not, under any circumstance, enjoy their mobility period during the first semester, even if
approved by the host university. If such students apply for mobility periods longer than a semester, the period will be automatically reduced.

5. Students on an Erasmus mobility period may not graduate before the end of their period of study abroad and before the recognition of the academic activities conducted abroad by the Academic Coordinator of the Mobility Period (RAM).

6. Students enrolled in PhD Programmes must end their mobility period before the official end of the Doctoral Programme.

ART. 2.2 INCOMPATIBILITY

1. Students applying to this call may receive one or more Erasmus+ mobility grants (Bachelor, Master, PhD) provided the total period does not exceed 12 months per each cycle.

This does not apply to mobility periods towards Switzerland which are regulated by the Swiss-European Mobility Programme (SEMP).

Candidates who intend to request MIUR integrative funds must request the ISEEU 2020 Declaration (ISEE for Right to University Studies DPCM 159/2013) by September 30, 2020 and
authorize its transfer to the Infostud platform. The data will be transferred to the Student Services Area.

Candidates who cannot request the ISEEU 2020 Declaration (foreign students who are not resident in Italy, foreign students who are resident in Italy but are not independent and have family residing abroad, Italian students residing abroad who are not on the AIRE Register of Italians Residing Abroad) must request an **ISEE-U parificato 2020 Declaration** to the nearest CAF and submit it to the administrative office for registration.

Meritorious students and PhD/Specialisation students, who intend to request the MIUR integration, must still request **the ISEEU 2020 Declaration (ISEE for Right to University Studies)**.

Students who do not provide either an ISEEU or an ISEE-U parificato 2020 Declaration will not receive the MIUR integration.

**ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS**

1. In order to allow a wider student participation in the mobility programme, Indire - the National Agency for Erasmus+ allocates grants intended to support disabled students and/or students with special needs.

2. Students must communicate their disability/special need both through their application form and upon acceptance, if assigned a mobility period.

3. The above-mentioned selected students will receive information about possible EU grants during the year at: [http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili](http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili).

**ART. 3.5 GRANTS FOR MOBILITY TO SWITZERLAND**

1. The grant for Academic Year 2020-2021 SEMP mobility periods is provided by Swiss Universities. For further information, please consult the website of the relevant Swiss university.

2. It should be noted that **SEMP students** are not entitled to receive EU grants, including grants for special needs, whereas they are entitled to the additional MIUR and Sapienza grants (except as provided by Art. 3.3 “ADDITIONAL MIUR AND SAPIENZA FUNDING”).
ART. 3.6 DOCUMENT COMPLIANCE

Documents concerning the mobility period will be checked by the International Office – Erasmus Sector.

If the provided documentation is not correct, students will be required to partially or fully reimburse allocated grants.

ART. 3.7 TAXATION OF THE ERASMUS + GRANT

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law N. 105 - 9 May 2003, converted with amendments into Law N. 170 - 11 July 2003, except further amendments.

ART. 4 AVAILABLE DESTINATIONS AND PLACES

1. Students may apply from a minimum of n. 1 to a maximum n.3 destinations.
2. The priority order indicated on your application is final for the assignment of destinations, if the candidate is eligible for more than one destination. Please make sure you have the necessary language level that will allow you to attend lessons and take exams at the chosen destination (See Art. 2.4 “LANGUAGE REQUIREMENTS”). In particular, if the host University requests a specific language certificate, the student must have it before departure (at the latest during the application to the host University), otherwise he will not be able to take advantage of the mobility. Therefore, in case of a tie, the place is assigned to the candidate who has already uploaded in the application to call, the language certificate requested by the host university.

The linguistic requirements indicated in the table "available seats and places" are established by the Partner Universities and are subject to change without notice.

PLEASE NOTE: In selecting possible destinations, the students must keep in mind that maximum two language tests are allowed, in addition to any applicable exemptions (see Art. 2.4.3 “EXEMPTION FROM LANGUAGE TESTS”)

For Universities where two or more alternative languages are available, it will be possible to take the test for only one of the languages indicated in the "available seats and places" table.

The language of study can only be one for each University chosen and the competence in that language is assessed by tests at the CLA or accordingly to art. 2.4.3 "LANGUAGE TEST EXEMPTION".

Candidates must verify the consistency of the academic offer in the chosen language of study and the compatibility with their academic path.
In order to choose the University, the candidate must refer to the academic offer of the specific Faculty / Department / School partner of the DiSSE Department.

Each Faculty / Department / School partner of the DiSSE Department establishes its own rules regarding the possibility of attending lessons and taking exams outside the reference Structure and / or the study area. Students have to inquire independently about these rules.

The candidates for the choice of the University, can orientate on the basis of the study area, defined by a code and by a descriptive text (e.g. 0314 – Sociology and cultural studies).

It is necessary to make sure that the study level of the exchange concerns your own cycle of studies: 1 = first cycle (Bachelor degree), 2 = second cycle (Master degree), 3 = third cycle (Doctorate). The application for Universities whose level of studies does not concern your own cycle of studies is not valid.

3. The following table lists the place available, mobility periods and requisites to apply for:
- Destination with Erasmus+ mobility agreements as part of the Civis Alliance (Art. 1.5);
- Destination with Erasmus+ mobility agreements;

*Note: Recommended courses: A few courses.*

*Note: Mandatory courses: A few courses.*

*Note: The institutions accept the following certificates: (IELTS / TOELF / CAE (Grade B) CPE (Grade C)).*
**MOBILITY LEVELS**

1 = Undergraduate (Bachelor);
2 = Postgraduate (Master, One-cycle Degree);
3 = Doctoral (Specialization or Doctoral Programmes)

PLEASE NOTE: If the exchange also concerns the study level 3, 1 place is reserved for the candidate enrolled in a PhD course. In case of candidacy of 2 or more enrolled in a PhD course, the reserved place is assigned to the one with the highest score. If no application is submitted by students enrolled in a doctoral course, the reserved place is available for students enrolled in degree courses (levels 1 and 2), if included in the exchange agreement.

PLEASE NOTE: Available places and destinations are subject to modifications if the partner universities or national and European organisations regulating the programme introduce variations. Before applying, please independently verify the feasibility of studying at your preferred destinations on the websites of the individual universities.

**4. The mobility period** indicated in this call is based on inter-university agreements. These periods may vary only in specific circumstances in which the student:

- Begins the mobility period during the second semester,
- Has already enjoyed periods of mobility during the same cycle of studies (see Art. 2.2.). In this case, the maximum mobility period will be reduced to satisfy the upper limit of 12 months per cycle of studies and 24 months for one-cycle degree programmes, in agreement with the host university.

PLEASE NOTE: the overall length of the mobility period cannot, in any case, be less than 90 days.

5. It will not be possible to guarantee the beginning of a mobility period in the 1st semester for destinations that have a deadline (for the submission of student documents) that is not compatible with the schedule of this call (Art. 14 “END OF PROCEDURE”).

6. When choosing the destination for the mobility, please pay attention to the language level required from the host University. The requirements in the table have been specified by each partner University. The interested students are anyway suggested to personally check the real conformity of these requirements regarding the chosen destinations.
ART. 5 ACADEMIC ACTIVITIES ABROAD

1. Students must indicate the didactic activities they intend to pursue abroad on the application form. The indicated activities are not final and may be integrated upon completion of the official Learning agreement (Art. 8 “LEARNING AGREEMENT”) that will have to be approved by the Degree Programme Academic Mobility Coordinator (RAM).

2. Admissible mobility activities are:
   - Attendance of courses and passing of exams;
   - Preparation of graduation and/or doctoral thesis;
   - Curricular traineeship (only if relevant) and if carried out within the host University.

3. For programme and course-related information, students must contact the academic coordinator (RAM) Prof.ssa Ornella Tarola, regarding the economic area [web link], the academic coordinator (RAM) Prof. Antimo Luigi Farro, regarding the sociology area [web link] while for the CIVIS Universities Prof.ssa Mariella Nocenzi [web link].

4. PhD students and candidates enrolled in Specialization Schools, after having verified their eligibility for a mobility period abroad, must agree on the educational programme abroad with the Coordinator of the PhD Programme in which they are enrolled. Moreover, they will have to ascertain their insurance coverage with the relevant offices. [web link]

ART. 6 APPLICATION

ART. 6.1 DEADLINES AND SUBMISSION

1. The deadline for submission of the on-line application form is on the 04/03/2020, at 2 pm (Italian time).

2. The application form is available at: [web link].

For technical issues, please contact the Help Desk form available at [web link].
3. In order to submit an application form, you must use your university e-mail account (familyname.studentnumber@studenti.uniroma1.it). This will be the only official means used for communications for this call and subsequent procedures.

4. Once the application has been completed, each candidate will receive a report of all the data submitted at his/her university email address. Thus, all applicants must verify that they receive this report and that all the data submitted is correct. Any error must be immediately reported to the Faculty Erasmus Administrative Coordinator - (inserire i dati di contatto dell’ufficio Erasmus).

PLEASE NOTE: the only valid receipt for your application is the e-mail you receive on your university account.

ART. 6.2 DOCUMENTS TO SUBMIT

In order to correctly complete the application process, students must fill out all fields of the online form and verify the upload of the following documents, which are an integral part of the application process:

1. Scan of a valid identity document,

2. Documents necessary for the exemption from linguistic assessment tests (art. 2.4.3) under penalty of exclusion from the ranking for the chosen location.

Please Note: If the required documentation is not uploaded by the deadline, or the declared/self-certified information is not correct, the application will be rejected.

ART. 7 RANKING

ART. 7.1 RANKING PROCESS

The rankings will be formulated by a Commission that will evaluate the candidacies and will assign the scores, according to the criteria described below.

ARE ELEMENTS OF EVALUATION:

1. Academic merit: 0 - 2000 points (criterion applied only to students enrolled in a Bachelor or Master Degree course).

Academic merit is calculated by applying the following formula: number of ECTS acquired / year of studies x the weighted average of the marks.
For students enrolled in a Master Degree course, the 180 credits of the Bachelor career are added to the credits acquired.

For students enrolled in a Master degree program, the year of the course is determined by adding the 3 years of the Bachelor career to the year of enrollment (I or II) (e.g. if enrolled in the first year, the year of the course is 4; if enrolled in the second year, the course year is 5).

For out-of-course students enrolled in a Master Degree program, the years out-of-course are added to the year of the course determined as indicated above (e.g. if 1 year out of course, 5 +1 = 6).

For out-of-course students enrolled in a Bachelor Degree program, the year of the course is determined by adding the years out of course to the natural duration of the career (e.g. if 1 year out of course, 3 +1 = 4).

For students enrolled in a Master Degree program, the weighted average of the Bachelor career is also taken into account to determine the weighted average of the marks. The weighted average of the Bachelor career is obtained from the Bachelor graduation mark, according to the following calculation: 31 x Bachelor graduation mark / 111. The result is added to the weighted average of the Master degree career and then divided by 2.

For students of a Master Degree program, who have obtained a three-year degree abroad, the Bachelor graduation mark is 88/110 (arithmetic average rounded down, between minimum and maximum degree mark in Italy).

**PLEASE NOTE:** the average 30 with honors is calculated as 31; the graduation mark 110 with honors is calculated as 111.

**PLEASE NOTE:** the following do not concur to your GPA calculation:

- Exams taken abroad during Erasmus periods that have not yet been officialised as they refer to exams still in the process of being validated;
- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary for degree and are not used to calculate GPA;
- Exams for single courses that have not been recognised as part of the degree programme (Bachelors, Masters, one Cycle) for which the student is currently enrolled;
- Integrated exams and elective educational activities (ADE) if the credits related to all the modules of each integrated exam have not been successfully completed;
- Exams cancelled due to lack of prerequisites;
- Exams declared to have been taken, but which were only booked and not taken, or not even booked.

2. **Linguistic competence: 0 - 2000 points.**

Linguistic competence is evaluated accordingly to the art. 2.4, with the following scores:

A2= 50 points; B1=500 points; B2=1000 points; C1=1500 points; C2=2000 points.
In assigning mobility periods, **in case of identical scores, priority will be given to students** who have not had a prior Erasmus experience for study and placement/traineeship.

The Commission will produce a ranking of candidates based on the above-mentioned criteria and publish the **provisional ranking** at the following links:

https://web.uniroma1.it/trasparenza/

https://web.uniroma1.it/disse/erasmus

The ranking will be considered definitive if within natural and consecutive 10 days after the publication, no requests for revision are submitted to the Departmental Erasmus Office mailto: erasmuscomunicazione@uniroma1.it

**Revision of the provisional ranking:**
The request for revision suspends the start of the aforementioned term.
Revision is possible only for material or calculation errors.
The request must be preceded by an informal access according to L. 7 August 1990 n. 241.
Instances not preceded by informal access are inadmissible and will not be considered.
The requests for review are evaluated by the Commission which within 3 working days and decides to reject or accept them.
There are no appeals against the decision.
If the revision, once accepted involves a modification, the provisional ranking is published again with the appropriate corrections.
After the publication of the provisional ranking corrected following a revision, the residual deadline for submitting revisions requests continues to run.
After the deadline for submitting revisions requests, the ranking becomes definitive.
The Administration to act in self-defense.

The **final ranking** will be published on the Faculty site at:

https://web.uniroma1.it/trasparenza/

https://web.uniroma1.it/disse/erasmus

Times and methods of publication of the rankings:
3 rankings (provisional and definitive) will be drawn up and published consecutively with the following order and names:

- ranking (provisional and definitive) first chosen Universities;
- ranking (provisional and definitive) second chosen Universities;
- ranking (provisional and definitive) third chosen Universities.

Within these there will be specific rankings relating to individual Universities, possibly differentiated by study area.

The rankings indicate: Universities identification code, study area, number of available places, matriculation numbers and total scores of the winners written in red, matriculation numbers and total scores of the eligible non-winners written in black.

The matriculation numbers of excluded candidates do not appear in the rankings or from the entire selection procedure or from the specific ranking.

**ART. 7.2 ACCEPTANCE OF MOBILITY PERIOD**

The winners, even of the provisional rankings, and without prejudice to any changes due to revision, are the assignees of the seats won.

The assignee is bound to the won University: he must give his/her acceptance and no other University can be assigned to him/her.

The assignees, after the publication of the final ranking, receive a notification email at the institutional address, with instructions for the acceptance. Acceptance must be communicated within 7 natural and consecutive days from the receipt of the notification email.

The missed respect of this deadline will be considered as a silent renunciation.

The renunciation, silent or expressed after acceptance, entails the definitive exclusion of the candidate from the entire selection procedure: you will not be entitled to the assignment of other Universities.

The final assignment of an Erasmus+ mobility requires:
• Submission of necessary documentation (if required);
• Formalization and approval of the Learning Agreement by the Academic Coordinator for International Mobility (RAM);
• Signature and upload to the student’s personal page of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility is assigned.

Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

Please note: the student’s mobility is subject to acceptance by the foreign Institution (i.e., academic curriculum, language skills) which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University and concerning, for example, the teaching regulations.

ART. 7.3 REFUSAL OF THE MOBILITY AND REPLACEMENT

The acceptance of the mobility is a serious commitment by the candidate. Thus, selected candidates are expected to limit refusals, after acceptance or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate.

The seats become available by renunciation (silent or express) are assigned to eligible non-winners who are in a useful position in the specific ranking (University and study area). In the absence of eligible non-winners or if possibility of scrolling is over, the seats still available are assigned in the following ranking, to candidates who have chosen Universities with vacancies.

The described system of scrolling, applies until the publication of the definitive ranking for the third Universities chosen.

Scrolling of the ranking are not published.

ART. 7.4 RESIDUAL DESTINATIONS

Preamble:
In order to assign as many residual seats as possible, in compliance with the linguistic requirements established by the partner Universities and the Degree courses of eligible non-winning candidates, the following discipline is prepared.
Are considered residual the seats that after the publication of the definitive ranking for the third chosen Universities are not yet assigned to any candidate. Are considered eligible non-winning the candidates whose linguistic competence has been evaluated by a test at the C.L.A. or by exemption from tests according to art. 2.4.3, and that are no winners in any of the published rankings. Are not considered eligible non-winners those who are winners of a seat in one of the published rankings, and have renounced (tacitly or expressly). Mobility for residual Universities takes place exclusively in the second semester. A list of eligible non-winning candidates and residual Universities is published at the links: [https://web.uniroma1.it/trasparenza/](https://web.uniroma1.it/trasparenza/) [https://web.uniroma1.it/disse/erasmus](https://web.uniroma1.it/disse/erasmus)

The eligible non-winners receive from the departmental Erasmus Office at the institutional email address, an invitation to choose the residual Universities, by filling in a specific form, indicating the Erasmus code of the chosen Universities and the study area. It is possible to indicate up to 5 residual Universities. For the assignment, the order of choices is binding for both candidates and for the Erasmus Office.

The form must be returned to the Erasmus Office: mailto: erasmus.disse@uniroma1.it, within 24/07/2020, in order to respect the deadlines (for nominations and applications) relating to the second semester and established by the host Universities.

The choice must be made according to the criteria and rules of arts. 2.4 and 4, if applicable and not derogated from the specific regulations for the residual Universities. In particular, candidates must verify that the chosen Universities have an academic offer compatible with their own path. Candidates must also have the language skills required by partner Universities, already assessed by the test taken at the CLA, or the documentation for exemption (art. 2.4.3).

**PLEASE NOTE:**

* if the host University requires a specific language certificate, the students must have it before departure (at the latest during the enrollment in the won University), otherwise the mobility won’t be possible. Therefore, in case of a tie, the seat is assigned to the candidate who has already uploaded the language certificate requested by the host University in the application.

The choice of residual Universities that does not comply with the aforementioned criteria is not valid. The Erasmus Office evaluates the validity of the choices made, assigns the seats. The assignment is made based on the priority of the choice. The priority is determined on the basis of the date and time of receipt of the emails with the indication of the chosen Universities. Candidates who, at the end of the procedure, are not assigned a location, are not entitled to make other choices. After the assignment, the candidate receives a notification at the institutional email address for and have to accept the seat.
After acceptance, the assignee remains bound to the won University which can no longer be changed. In case of subsequent renunciation, no other choices are possible. The Universities still available at the end of the procedure remain unassigned. A ranking is not published for the remaining Universities. No revision requests are available. The right of access is exercised according to Law 241 / '90

**ART. 8 LEARNING AGREEMENT**

1. All students who have accepted their assigned destination must complete an official Learning Agreement (LA). The LA is a document that is prepared before departure and defines the academic activities that will be completed abroad.

2. The LA, which guarantees the recognition of credits obtained for passed exams and thesis research work conducted abroad, must be:

   - **Completed on-line by students on their personal page:**
     
     [https://relint.uniroma1.it/pp2013/login.aspx](https://relint.uniroma1.it/pp2013/login.aspx)

   - **Approved on-line by the Academic Coordinator for International Mobility (RAM) – The full list is available at** [https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0](https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0)

   - **Signed by the student**

   - **Approved (stamp and signature) by the partner university**

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

The LA includes the exams you plan to take or other didactic activities that will ensure you earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)**. PhD students are excluded from this limit.

Students who do not earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)** will be forced to return their mobility funding to MIUR. This limit does not concern PhD and Specialisation students.

**We inform**, in particular candidates who intend to carry out research for the degree thesis, that some partner Universities require a L.A. with a certain number of ECTS for exams, up to a maximum of 30 for 1 semester of mobility. Therefore, it is advisable to have ample margin in the definition of the L.A., with respect to the limits above indicated.
