Voluntary Work Experience

- 05/2020 – 01/2021 **Senior Mentor**, Committee Sapienza Mentorship – Towards an Italian network of inclusive universities, Sapienza Università di Roma, Rome, Italy
The project is the continuation of the project TandEM. It is activated in ten Italian universities, one of which is Sapienza. The goals similar to the ones of the precedent project. Having participated also in the project implemented by IOM Italia, I am now a senior mentor and coordinate the student committee together with a fellow senior mentor.
- 03/2019 – 12/2019 **Student Mentor and Student Coordinator**, Student Committee Sapienza Project TandEM (Towards Empowered Migrant Youth in Southern Europe), OIM - Italia
The project regional project, funded by the Asylum, Migration and Integration Fund (AMIF) of the European Union, and implemented by the International Organization for Migration (IOM), in partnership with the European University Association (EUA) and the Italian Islamic Religious Community (COREIS).
- Support the integration of students with refugee and migrant background
 - Support and help with didactic and administrative matters
 - Encourage intercultural comprehension and university as an inclusive environment
 - Organising events to raise awareness regarding the migration
 - Organising study groups and language exchanges
 - Inclusion of international students in extra-curricular activities
- 07/2018 – 08/2018 **English teacher**, AIESEC, Nanjing, China
I spent two months in Nanjing, China, living and working together with a group of international University students. We taught pupils in elementary schools English. I experienced the Chinese culture and environment not as a tourist but as an expat. Our group was formed by Chinese, Arabic and European university students.

- Teaching elementary school pupils English (Basic and intermediate level)
- Organising activities and games in English
- Present our country of origin (Italy and Germany)
- Confront between international students

Since 03/2018

Students' representative, Department and Faculty Council, Sapienza Università di Roma, Rome, Italy

As students' representative and active part of a students' association, I organise cultural activities and courses and informational events throughout the year. Furthermore, I am in close contact with my co-students and the professors and the heads of the departments as well as the dean, which taught me to communicate in different ways according to the interlocutor and to find solutions satisfactory for different parties. Furthermore, I learned how to represent a particular group's interests and how to argue in order to create a constructive dialogue.

- Informing students about news and changes concerning the didactic activities
- Acting as an intermediary between students and academic organs
- Advancing proposals concerning the university environment
- Department and Faculty meetings
- Organising cultural and extracurricular courses and events
