## RELEVANT EXPERIENCES

### Stage experiences

#### Palazzo del Quirinale (2018-2019)

Welcoming and accompanying groups visiting the Quirinale Palace, preceded in terms of training by a learning phase and active experimentation. This internship enabled me to acquire numerous skills, including presentation and communication techniques, managing the visiting group and accompanying people with special needs.

#### Associazione Michele Valori (2020)

Welcoming and informing the public, managing the mailing list, writing texts and assisting at events. This activity at the Micro Visual Arts Gallery helped me to develop greater interpersonal skills and the ability to work in a team.

#### Polo museale Sapienza (2022)

Winner of the call for an year collaboration with Polo Museale of La Sapienza University of Rome. Working in the communication department of the museums and cooperating with staff of the Laboratory Museum of Contemporary Art (MLAC).

#### Rome Museum Exhibition (2022)

Assistant dedicated to the reception and orientation of participants and visitors at the fair.

#### Museo-Polis Workshop (2022)

In the summer of 2022, I participated in a workshop organized by CIVIS at the MUCEM museum in Marseille. Exchanging knowledge with professors and students from other countries, as well as actively participating in conferences with museum directors from France and Spain, allowed me to broaden my cultural background and achieve greater professional solidity.

#### CIVIS workshop - Tubinga University (2022): The Pluriverse: Challenges of Post-Developmentalist Thought for Global South Studies

#### Collaboration with "Rivista di Psicologia dell'Arte" - Archivio Sergio Lombardo (2023/2024)

#### Collaboration with Mascherino Gallery, Rome (2019-2023)
