

# Davide Berti

## ABOUT

I am an excellent student with a talent in scientific subjects like math and physics and I have an excellent memory. I am a practical boy who learns quickly and I have an hard sense of duty and a willpower that help me to reach my targets, I am determined and I give the best in everything. When I work in a team I do my duty without complaining but I also demand respect for the work I do. I am a sporty boy, I love visiting the world and learn about other cultures.

## EDUCATION

Sep 2019 – on  
going

### Sapienza Università di Roma

Rome,  
Italy

*I am currently attending a BSc in Energy Engineering.*

- Current average: 29,75/30.
- I obtained a scholarship as a deserving student for my High school graduation (100/100) and I preserved the title of deserving student, thanks to the average in my University's exams, during these years .
- In 2020 I received an exams bonus form the University La Sapienza because I obtained the highest average in my course of study during the first academic year.

Sep 2014- June  
2019

### Liceo scientifico

#### A.Avogadro

Rome,  
Italy

- Graduate with a mark of 100/100.

## PROFESSIONAL EXPERIENCES

This year I gave math and physics tutoring to an High school student.

This summer I worked as an Airbnb host, helping my grandmother with the web platform.
