Communication skills

- I have excellent communication skills, both in terms of written and oral production, in Italian and English, and in diversified social contexts. I have mastered this attitude since teenage years as Institute Representative at Liceo Classico Giulio Cesare in Rome (High School for Humanities): in that occasion, I was also able to interview eminent figures of the Italian political panorama, thanks to students events that I personally organized. After my academic and professional experiences, I then had the chance to train my communication skills with various professional and academic figures of international importance. I am currently taking acting classes at the professional school Teatro Azione in Rome, constantly exercising.

Organizational and management skills

- **Leadership** (Former Institute Representative, former fencing team captain at Club Scherma Roma, winner of 2007 fencing National Title)
- **Problem Solving** (During my first MSc at Aalborg University, I studied the PBL - Problem Based Learning - methodology and applied it in each semester projects)
- **Team Player** (Fundamental advance of working within the PBL methodology is the achievement of great teamwork skills, which I was able to improve even more both at Powerhouse Company and Planarch S.r.l.)
- **Dialectic** (Thanks to the classical studies during the High School years and the current study of acting at the professional school of Teatro Azione in Rome, I have gained a good ability to exhibit and stage credibility in dialectical exposure)
- **Time Management** (As a former fencing athlete, I managed to pursue both sport competitions and university activities together for over ten years; between 2015 and 2017 I took exams at Sapienza Università di Roma and Aalborg University at the same time, while working on the academic transfer bureaucratic procedures; finally, I have always worked as a waitress during university years)
- **Planning**
- **Precision**
- **Compliance with deadlines**
- **Result orientation**
- **Flexibility**
- **Friendliness**

Professional competencies

- Fast learning (I am naturally receptive to new stimuli, which I constantly look for as not as to get bored)
- Ambition (From sport competitions to the dual academic path, I have always tried to question and improve myself with self-criticism on one hand and awareness of my worth on the other)
- Excellent command of CAD design, graphics, structural calculation, data analysis and presentation software

Digital competence

SELF EVALUATION				
Information Processing	Communication	Content Creation	Security	Problem Solving
Advanced User	Advanced User	Advanced User	Advanced User	Advanced User

Levels: Basic user - Intermediate user - Advanced user
[Digital competences – Form for self assessment](#)

- Excellent command of the office suite tools (Word processor, spreadsheet, presentation software)
- Excellent command of Objective-C language software; C++; Visual Basic; Pascal; AutoLISP
- Excellent command of the major 2D and 3D CAD modelling software (Revit, AutoCAD, Rhinoceros, SketchUp)
- Excellent command of the major graphics and post production software (Adobe Photoshop, Adobe Illustrator, Adobe InDesign)
- Good command of data analysis and presentation system Tableau
- Good command of the major parametric design software for acoustics and structural calculations

(Grasshopper for Rhinoceros)

- Other competencies
- **Dexterity** (Acquired through the production of numerous models/maquettes during university years and at Powerhouse Company)
 - **Acting** (Teatro Azione di Roma)
 - **Fencing** (at Club Scherma Roma)

Driving License **B**
