

PERSONAL INFORMATION

Alice Mannocci

 Rome Italy

POSITION MSc, PhD Associate Professor of Medical Statistics from 8th June 2020
TYPE OF BUSINESS OR SECTOR University teacher of Statistics in Medicine (MEDS24/A - ex MED01)
NAME AND ADDRESS OF EMPLOYER San Raffaele Telematic University, via di Val Cannuta247, Rome, Italy

WORK EXPERIENCE

From 2015 to on Member of: "Global Observatory of Physical Activity" and contact person for Italy.
 From 2016 to 2019 She worked as temporary research fellow
 "Sapienza" University. Adress: 5, Piazzale Aldo Moro, 00185, Rome, Italy
 Business or sector: Public Health and Epidemiology research
 From 2009 to 2015 She worked as temporary collaborator, "Sapienza" University. Adress: 5, Piazzale Aldo Moro, 00185,
 Rome, Italy. Business or sector: Public Health and Epidemiology research
 From 2004 to 2009 She worked as temporary collaborator, Catholic University of Sacred Heart of Rome, Italy.
 Business or sector: Public Health and Epidemiology research
 From 2009 to 2019 Teaching activities in the School of Residents in hygiene e preventive medicine, Department of
 Public health and infectious Diseases, Sapienza University of Rome
 From 2022 to on PhD teaching staff of "Big Data and "BIG DATA ED INTELLIGENZA ARTIFICIALE - a.a. di inizio
 2022/2023 - Ciclo 38 – Coordinator Prof Martini Barbara. Università Telematica "Universitas
 MERCATORUM".
 From 2022 to on PhD teaching staff of "METODI DI INCLUSIONE, MENTORING E SVILUPPO DELLE
 COMPETENZE NEI NUOVI CONTESTI DEL SAPERE E DEL LAVORO" - a.a. di inizio 2022/2023 -
 Ciclo 38 - Coordinatore Responsabile Prof.ssa Martiniello Lucia. Ateneo: Università Telematica
 PEGASO
 From 2012 to on Contract professor for bachelor's and master's degree courses of Sapienza University of Rome for
 Faculty of Medicine and Dentistry and Faculty of Pharmacy and Medicine

EDUCATION AND TRAINING

From 2010 – to 2014 Ph.D. "Public Health and Microbiology". University "Sapienza" Rome, Italy
 From 2006 – to 2009 Ph.D. in "Economics and Management of Health System". Catholic University of Sacred Heart, Rome,
 Italy
 From 2005- 2005 Summer Course "Erasmus Summer Programme", Erasmus Medical Center, Rotterdam, The
 Netherlands
 From 2003-2004 Master of Science in Epidemiology. Catholic University of Sacred Heart, Rome, Italy
 From 1999 to 2002 Degree in Mathematics. University "Roma Tre", Rome, Italy

PERSONAL SKILLS

Mother tongue(s) Italian

Other language(s):

UNDERSTANDING	SPEAKING	WRITING

Communication skills:
English

Listening	Reading	Spoken interaction	Spoken production	
B2	B2	B2	B2	B2
Replace with name of language certificate. Enter level if known.				
Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user Common European Framework of Reference for Languages				

Good communication skills gained through my experience

Organisational / managerial skills:

Leadership (responsible of thesis of students and project of students of the School of specialization in hygiene during the European Project.

Job-related skills:

Good command of quality control processes.

Computer skills:

Excellent command of Microsoft Office™ tools: excellent/good use of statistical software (SPSS and EpiInfo, SAS, network analysis); excellent use of Photoshop. Excellent knowledge of web applications

Other skills:

Painting, drawing, computer graphics (2D)

Driving licence:

B

ADDITIONAL INFORMATION

Research Areas and Publications:

The main lines of research in which Alice Mannocci is currently involved concern:

1. Primary prevention
2. Epidemiological methods
3. Public health
4. Life styles (physical activity; tobacco consumption; nutrition)
5. Work related stress
6. Occupational Medicine

Publications Track Records:

Author and co-author of 190 scientific publications, where she is first or last author in 12 of articles published (SCOPUS source).
National and international Book chapters: 5

Bibliographic indicators:

H-Index (source: Scopus) 33
Sum of the Times Cited (source: Scopus) 2170

Academic and Teaching activities:

2024- on

Professor of “Method of nutrition research - Medical statistic” in Degree on “Human nutrition sciences” (LM61)

2020 - 2024

Professor of “Applicative statistic” in Degree on “Gastronomy and Hospitality”

2011 (31 January - 5 February)

Short course Teacher of biostatistics, of UNDP Course: “Training on Health System management”, for United Nation Development Project (UNDP) Cooperation Program Art Gold Gorontalo Province, Indonesia.

2008

Collaborator in the course of Clinical Governance I Ed. “Control charts”, Catholic University of Sacred Heart, Rome, Italy.

2006/2007, 2007/2008,
2008/2009, 2010/2011,
2011/2012, 2012/2013,
2013/2014

Teaching “Biostatistics”, Master of Epidemiology and Biostatistics, Catholic University of Sacred Heart, Rome, Italy

2013/14; 2014/15; 2015/16;
2016/17; 2017/18; 2018/19;
2019/20; 2020/21; 2021/22;
2022/23

High Education Course in “Statistical methods for research and biomedical practice”, “Sapienza” University of Rome, Italy

2010/2011; 2011/2012;
2012/2013; 2013/2014
2014/2015

Teaching “Biostatistics” in Master of Wound Care , “Sapienza” University of Rome, Italy;

Main Research And Training Projects:

Alice Mannocci has a research experience especially in the field of epidemiology, Public Health, infectious diseases, vaccines, smoke, health technology assessment, health economics, health management, and evaluation of costs. In particular the Public Health items studied are: quality of life, physical activity, road traffic accidents, vaccine, health organization, risk management; Clinical epidemiology ones are: radioterapy, neuropsychiatry, rheumatology, odontoiatry, pneumology, cancer. She has participated with different role, as collaborator or with Ph.D. scholarship or temporary research fellow to the followed Project.

- [SPHERE](#) (EU)
- [HEREPLUS](#) (WP7 EU)
- [CanCon](#) (EU)
- [iPAAC](#) (EU)
- [HTA papilloma virus](#) (Italy)

In 2023 she was PI for University Project (on: work-related health and prevention of occupational risks).

Awards:

For two years 2009-2010 Alice Mannocci is the best Ph.D in "Economics and Management of Health System" of Catholic University of Rome, for scientific production and impact factor for the last six course works.

Editorial Activity:

From 2022 to on
From August 2022 to on
From 2021 to on
From 2021 to on
From 2018 to on
From 2009 to 2012
Reviewer for the following
Scientific Journals

Editor for PlosOne
Editor for Frontiers in Public Health
Editor for IJERPH
Editor for La Clinica Terapeutica
Statistical editor of "Sciences & Senses".
"Statistical Editor" for Italian Journal Public Health

Biomed Research
BMC Public Health
British Journal of Medicine and Medical Research
Epidemiology Biostatistics and Public Health (Italina Journal Public Health)
International Blood Research & Reviews
International Journal of Environmental Research and Public Health
Journal of public health (Oxford)
Resources, conservation & Recycling
Tobacco Control
