Competenze organizzative e gestionali

I have been involved in project management within the Research Secretariat at the National University of Quilmes since 2002. Currently, I am leading a research project with a team of 12 people.

Academic management

Senior Council Member, National University of Quilmes. (2020-2025)

Council Member, Department of Economics and Administration, National University of Quilmes. (2010-2020)

Professional Technical in Evaluation and Accreditation of Undergraduate and Graduate Programs, National Commission for University Evaluation and Accreditation (CONEAU). (2002-2004)

Coordinator, Department of Economics, Department of Social Sciences, National University of Quilmes (UNQ). (1999-2001)

Competenze professionali

My expertise lies in researching the dynamic relationship between companies and territorial configurations, using methodologies from economic and business history. I analyze the evolution and strategic development of businesses within the broader context of industrialization, emphasizing their complex connections to the regions in which they operate. I have conducted extensive international research, received multiple scholarships, and participated in research residencies. As an active participant in global conferences, I have published my findings in prestigious academic journals. This research has taken me to several countries, including France, Spain, Italy, Mexico, and Brazil, among others.

Since 2000, Educational supervision of master's and doctoral theses; and Evaluation of research projects, peer reviews and postgraduate theses.
