Certificate of achievement

The paper titled "Corporate social responsibility information and involvement strategies in controversial industries" (2019) was reported by Wiley as a paper published in the academic journal "Corporate Social Responsibility and Environmental Management" among the top 10% most downloaded papers.

Among work published between January 2018 and December 2019, this paper received some of the most downloads in the 12 months following online publication. This research generated immediate impact and helped to raise the visibility of "Corporate Social Responsibility and Environmental Management".
