## SCHOLARSHIP

11/2022 – 05/2024

**Tutoring Assistantship / Scholarship (Borsa di Tutorato a.a. 2021/2022)**

Following the receipt of this scholarship, I collaborated with Sapienza, University of Rome in various capacities, including providing assistance to international students and conducting informational activities for students in the Faculty of Architecture.

## CURRICULAR INTERNSHIP

10/2022 – 06/2023

**Graphic designer for children**

Participation in the European experimentation protocol Edumat+, which involved testing interactive mats integrated with the STEAM method in primary schools. My role was to contribute to the design of the mats, providing assistance and tutoring to children in the experimentation phase. In addition to this, I created coding paths to be performed with a robot (Sphero Bolt) for interaction with the mats.
