WORK EXPERIENCE

(2006 – current)

Researcher (2006- 2021) and First Researcher (current)

Italian National Institute of Statistics, Istat, Rome (www.istat.it)

Research and analysis in the field of demographic and social statistics focused on immigration and integration. I am responsible for the production of data about foreign immigrants, asylum seekers and new citizens integrating administrative data and sample surveys information. I coordinate the sample survey on “Children and youth: behaviours, opinions and intentions for the future” that pays particular attention to the second generations. I coordinate the production of the mandatory statistics on residence permits and acquisition of citizenship required by the Regulation (EC) No 862/2007 on Community statistics on migration and international protection. I represent the National Institute of Statistics in different interinstitutional working groups and task forces at national level, producing several working papers and report:

Institutional roles and responsibilities

- Member of the interinstitutional working group for the coordination of the activities aimed to the implementation of the Regulation (EC) No 862/2007 on Community statistics on migration and international protection. (current)
- Member of the interinstitutional permanent table (Istat Ministry of Labour and Social Policies) on immigration and integration (current)
- Member of the working group of Ministry of Labour and Social Policies about “the contrast of the exploitation of agricultural workers” (current)
- Member of the Istat interinstitutional Commission on “Educational Poverty”
- Member of the EMN (European Migration network)
- Coordinator of the Istat Task Force that prepares the Report for the Ministry of Interior about Immigration in Italy (September 2021-September 2023)
- Member of the management committee of the agreement between Istat and the Ministry of Labour and Social Policies about the “Statistics on integration processes of non EU-citizens (2018-2020)
- Member of the Scientific committee of the research project (Istat-Ministry of Interior) on the “Analysis of integration processes of the non-Eu citizens in Italy (financed by Integration European Fund) (2011-2012)
- Member of the research group (Istat Ministry of Interior) about “Evaluation system of integration policies and measures” (financed by FEI fund) (2013)
- Member of the research group (Istat Ministry of Interior) on the “Integration in the educational system of young immigrants in Italy” (financed by FEI fund) (2014-2015)
- Secretariat of the Scientific committee of the Project Istat-Ministry of Interior on the “Interinstitutional exploitation of the data on presence and behaviours of foreign citizens in Italy” (financed by FEI fund) (2014-2015)

International roles and responsibilities

During the years I have had also the opportunity to participate in many international research groups and task forces about migration statistics and integration indicators. I represent Italy (as national focal point) in the Eurostat working group on Asylum and Managed migrations. I chair and participate in the following task forces and working groups:

- Chair of the UNECE (United Nations Economic Commission for Europe) Steering Group on Migration Statistics (since 2022 to present, before 2022 I participated in the group as member)
- Member of the Migration European Network (EMN)
- Member of the UNECE TF on Statistics on children, adolescents and youth
- Member of the Expert group on refugee and internally displaced persons statistics (EGRIS)
- Member of the Eurostat Statistical Use of Administrative Data for Migration Statistics
- Member of the Working Group 2 – Child-specific indicators development and data on children on the move, International data alliance for children on the move (IDAC)
- Chair the UNECE Task Force on New Sources for Measuring Migration and Mobility (since September 2020 to 2022)
- Member of the Task Force Unece (2018-2020) on “Longitudinal data for migration statistics”
- Member of the Task Force Unece (2016-2018) on “Measuring international labour mobility”

(2001-2006) **Research fellow (assegnista di ricerca)**
