Other experience acknowledged by the course of study

Internship, individual and group psychoanalytic psychotherapy

Language: Italian

Duration of studies: 4 years

Country: Italy, Rome

Description: DSM Roma 2, Department "Ambulatorio Pisone", from 2015 to 2018.

Other experience acknowledged by the course of study

Research in Psychotherapy, Internship

Language: Italian

Duration of studies in months: 12

Foreign country where the academic studies were carried out: Rome

Description: Research in Clinical Psychology, department of 'Dynamic and Clinical Psychology', 'Sapienza' University of Rome, from 03/2014 to 03/2015

Other experience not acknowledged by the course of study

Language: English

Duration of studies in months: 2

Foreign country where the academic studies were carried out: London, Guildford

Description: Statistical training, from 09/2013 to 11/2013

Other experience acknowledged by the course of study

Grant for Master Thesis abroad

Language: English

Duration of studies in months: 6 (2013)

Foreign country where the academic studies were carried out: London, Tavistock Clinic

Description: Research in psychotherapy, Psychotherapy Evaluation Research Unit (PERU)

Computer skills and competences

Operating systems: Good

Word processing: Excellent

Electronic spreadsheet: Good

Data base administrators: Excellent

Internet skills: Excellent

Data transmission networks: Limited

Web-site creation: Limited

Multimedia: Excellent

Statistical packages: SPSS, MATLAB

(Linear and Nonlinear statistical analyses. Time series analyses.

Recurrence Quantification Analysis. Multivariate Analysis.)

Additional information

Attachments

Has attended and presented scientific works in several **international conferences since 2010**:
 -course of 'Education for health: between medicine and psychology', Rome, April 2010

- '20th World congress for sexual health', organized by WAS, world organisation for sexual health, Glasgow, June 2011
- course on 'Rapid hypnotic induction techniques', Padua, September 2012
- '11th Congress of the European Federation of Sexology', Madrid, September 2012
- 3rd Joint Meeting of the European and the United Kingdom Chapters of the Society for Psychotherapy Research, Porto, October 2012
- course on 'Communicate effectively', with the own presentation on 'Communication in Clinical Psychology', Verona, December 2012
- ESSM, EFS congress, European Society of Sexual Medicine, with the paper 'Education as Elaboration: a literature review', Istanbul, January 2014
- 45th International annual Meeting of the Society for Psychotherapy Research, with the paper 'How is the shape of change? A literature review of the psychotherapeutic complex system' and the structured discussion 'The analysis of change in psychotherapy: Methodological approaches and theoretical framework', Copenhagen, June 2014
- XVI World Congress of the World Psychiatry Association (WPA), with the paper 'Attitudes of sexologists towards sex, a pilot study using online assessment tools', Madrid, September 2014
- Intensive Course on Referential Process in the Therapeutic Relationship Instruments of Empirical Verification and of Clinical Analysis of the Process, Bergamo, Italy, September 2014
- I Italian Annual Master on Complexity Science for Human Change, Rome, Italy, September 2015 to September 2016, Organising Committee
- Summer School 2015: Human Change Processes - Summer School und Forschungssymposium, Seeon, with the talk 'Taming the timing of intervention: clinical and research aspects of the analytic field', September 2015
- 8th SPR Europe Conference, Klagenfurt, with the talk 'Mathematical Models of Love: a systematic review' and 'Multilevel analysis of psychotherapeutic pattern transitions', the structured discussion 'Complexity Science for Human Change' September 2015
- 47th Annual Meeting International Society for Psychotherapy Research, Jerusalem, Israel with three presentations on the evolution of linguistic and play patterns over the course of psychodynamic psychotherapy, June 2016.
- I Italian annual Master on Clinical Psychology and Complexity Science, University of Niccolò Cusano, Rome, Organising Committee, October 2016
- International Psychoanalytic Conference Bion 2016, Milan, October 2016.
- SPR European Conference in Oxford, September 2017.
- International Conference Society for Chaos Theory in Psychology and Life Sciences, Salzburg, April 2017.
- SPR International Conference in Amsterdam, June 2018.
- SPR Methods workshops, Siena, April 2019.
- Human Change Processes 11th summer school, Bavaria, July 2019.
- SPR 5th Joint EU UK chapters conference, Krakow, September 2019.
- SPR Method Workshop, Virtual Conferences Series 2020, Steering Committee
- Summer School 2020: Human Change Processes (prof. Guenter Schiepek)

Grants:

- Grant for Master Thesis abroad, won in 2011/2012, Research Assistant at Tavistock Research Centre, Psychotherapy Evaluation Research Unit, Great Britain 2012/2013
- Grant for Tutoring first level degree students, 2012/2013
- Grant for 'Course of Excellence', 2012/2013
- Grant 'Avvio alla Ricerca', Sapienza 2017/2018
- Mention of Honour for Ph.D Dissertation Sapienza 2019
