

Curriculum vitae

PERSONAL INFORMATION

First name, Family name:	Francesco Bellini
Researcher unique identifier(s) (ORCID, ResearcherID, etc.):	orcid.org/0000-0002-0609-8796
URL for personal website:	https://sites.google.com/uniroma1.it/francescobellini/
e-mail	francesco.bellini@uniroma1.it
Institution	Sapienza University of Rome

EDUCATION

	Name of faculty/department, name of university/institution, country
2015	Ph.D. Commodities Science – Sapienza University of Rome - Italy Curriculum Innovation and Technology Management – Thesis on “The Socio-Economic Impact of Technological Innovation: Models and Analysis of the Digital Technologies for Cultural and Creative Industries”
1994	Master Degree in Economic and Commerce - Sapienza University of Rome - Italy
1994	Master in Economics of Technological Change - University of Rome “Tor Vergata” - Italy

* **POSITIONS** (academic, business, industry, public sector, national or international organisations)

Current Position

	Job title/name of employer/country
2021-	Research Assistant Professor of Digital Transformation and Data Management (part-time) - Dept. of Management Sapienza University of Rome - Italy

Previous positions held

	Job title/name of employer/country
2015-2020	Research fellow and Adjunct Professor of Digital Transformation and Data Management - Dept. of Management Sapienza University of Rome - Italy
2015-2020	Extraordinary Professor of Corporate Finance – International Telematic University UNINETTUNO
2005-2020	Research Director – Eurokleis srl - Italy
1997-2011	Scientific Consultant – Eurolaboratorio Roma Capitale - Italy
1995-1996	Junior researcher- CEIS University of Rome “Tor Vergata” - Italy

MEMBERSHIPS OF ACADEMIES / SCIENTIFIC SOCIETIES / AWARDS AND PRIZES

	Name of institution/country
2012	Accademia Italiana di Scienze Merceologiche (AISME) - Italy
2012	Association of Information Systems (AIS) – Italy
2017	Best paper award on BUSINESS MODELS AND COMPETITIVE ADVANTAGE FOR TECHNOLOGY TRANSFER ORGANIZATIONS paper "A digital platform as a facilitator for assessing innovation potential and creating business models: a case study from the i3 project" 11 th INTERNATIONAL CONFERENCE ON BUSINESS EXCELLENCE - Bucarest (RO)

MOBILITY

	Name of faculty/department/centre, name of university/institution/country
1996	IPAG Nice – France – Visiting professor, course of Management
2017-	Faculty of Business Administration in Foreign Languages (FABIZ) – Romania – Visiting professor, course of Enterprise Transformations in the Digital Economy

RESEARCH EXPERIENCE

Projects funded by national, international research programmes, private or public organisations

	Project and role, funding from
2019-	Innovation manager and workpackage leader in HERMES (H2020-FETPROACT-2018-2020-824164) Development of a new paradigm in regenerative medicine, aiming at overcoming the biological uncertainty inherent to it. Enhanced regenerative medicine is rooted in the establishment of biohybrid neuronics (neural electronics), that is the symbiotic integration of bioengineered brain tissue, neuromorphic microelectronics and artificial intelligence.
2016-2020	Task leader in SUITS (H2020-CIVITAS- 690650) Task leader project: development of innovative business models in the field of urban mobility.
2016-2018	Workpackage leader in I3 (H2020-ICT-688541) – Support to impact maximization, business model development and market deployment in the field of converging media.
2017-2020	Innovation manager and workpackage leader in Hyper360 (H2020-ICT761934) - Development of a complete solution for the capture, production, enhancement, delivery and consumption of an innovative free viewpoint video (FVV) media format to the OTT media sectors, through careful validation and large demonstrations.
2014-2015	Researcher in Pro.C.I.D.A. – Project for Certified Identity in the Digital Agenda - (POR – FESR Regione Lazio 2007-2013)
2014-2015	Researcher in NEMESYS – Network Enterprise Management EcoSYStem - (POR – FESR Regione Lazio 2007-2013)
2013-2016	Workpackage leader in IA4SI (FP7-ICT- 611253) – R&I investment impact assessment in Digital Social Innovation sector.

2014-2017	Task leader in JAMTODAY (ICT-PSP-621096) – R&I investment impact assessment in Serious Gaming sector
2013-2014	Coordinator MAXICULTURE (FP7-ICT-601070) – R&I investment impact assessment in Digital Cultural Heritage sector
2012-2015	MEPTEx (FP7-314354) Innovative tools for passenger experience evaluation
2010-2012	SEQUOIA (FP7-ICT-258356) – R&I investment impact assessment in Software and Services sector
2010-2012	ERINA+ (FP7-INFRA-261550) – R&I investment impact assessment in Research Infrastructures sector
2011-2014	TRENDMINER (FP7-ICT-287863) – impact of news sentiment on financial markets
2008-2011	Principal investigator in EACEA/2008/04 “Study on the entrepreneurial dimension of cultural and creative industries”
2007-2008	Principal investigator in EC DGINFO ERINA - Recommendations for Exploiting Research Infrastructure potential in key Areas
2008-2011	Coordinator of the Rome demonstrator in the CITYMOBIL Integrated Project (TIP-CT-2006-031315 http://www.citymobil-project.eu/)
2007-2011	Project Manager in CATALIST project (TREN/07/FP6TR/S07.70509/0385279) aimed to disseminate the effectiveness of the traffic restriction measures implemented within the MIRACLES project.
2008-2011	Coordinator of the Work package Transport and Mobility in the INTEL CITIES Integrated Project (IST-2003-507860 www.intelcities.com) aimed to develop an integrated e-government platform based on open source technologies
2004-2008	Project manager of the LIASON project (IST-2004-511766) aimed to develop value added services based on satellite positioning techniques and GIS systems
2002-2006	Coordinator of MIRACLES project consortium (GRD1-2001-40047 www.miraclesproject.com) aimed to develop and to demonstrate innovative and integrated urban mobility measures
2000-2001	Coordinator MTM project consortium (IST 1999-11100 url: www.mtm-project.com) aimed to develop tourist assistance, e-learning and telemedicine services based on UMTS technology
1998-2000	Coordinator of the MIETTA project consortium (LE4-8343 url: www.mietta.net) aimed to develop a cross-lingual web engine for tourist assistance based on natural language processing
2002	Project Manager of TESI project (Trusted European Security Infrastructure) – ITEA (Eureka E! 2023) aimed to experiment a secure data transmission infrastructure
1997-1999	Coordinator of the Work Package Integrated Applications of the ETHOS project (SU 1105 url: www.ethoseurope.org) aimed to the creation of an European observatory on Information & Communication Technologies

1997	Local manager of the CICERO project (Cultural Information Computer Exchanged & routed UR 1002) aimed to develop a system for the valorisation of cultural itineraries in the cities of Roma, Wien and Alcudia
1995-1996	Researcher for "The Company Of The Future" project on the new organisational methods of high tech companies (EC ESPRIT 3rd Framework Programme)

TEACHING ACTIVITIES (if applicable)

	Teaching position – topic, name of university/institution/country
2018-2019	Adjunct Professor of Information and Communication Technologies – Faculty of Economics Sapienza University of Rome
2013 -	Lecturer of Master Europrogettazione e Professioni Europee – Dept. Of Management Sapienza University of Rome
2006-2010	Adjunct Professor of Economia dell'informazione e della comunicazione - Faculty of Communication Sciences Sapienza University of Rome

ORGANISATION OF MEETINGS (if applicable)

	Role and name of event /place
2020	Member of the Scientific Committee and Mini-track chair of 14th International Conference on Business Excellence Business Revolution in the Digital Era – Bucarest
2019	Programme Committee and track Chair of "Industry 4.0, co-creation and sustainability: insights from global digitalised production" della Conferenza ItAIS&MCIS 2019 – Napoli
2019	Member of the Scientific Committee and Mini-track chair of the 13th International Conference on Business Excellence, Sustainable Business Model and Innovation in the Knowledge Economy – Bucarest
2018	Member of the Scientific Committee and Mini-track chair of the 12th International Conference on Business Excellence Innovation and Sustainability in a Turbulent Economic Environment - Bucarest
2017	Member of the Scientific Committee and Mini-track chair of the 11TH INTERNATIONAL CONFERENCE ON BUSINESS EXCELLENCE - Bucarest (RO)
