

PERSONAL INFORMATION Luisa Petraccia

POSITION MD PhD

EDUCATION AND TRAINING

1986 **High school graduation**
Liceo Classico "Vittorio Emanuele II", Lanciano (Italy)

12/11/2002 **Degree in Medicine and Surgery**
University "Sapienza", Rome (Italy)
Degree in Medicine and Surgery, mark 110/110 with honors, discussing the experimental thesis "Immunohistochemical evaluation of multidrug resistance (MDR) in the hepatocarcinoma and its clinical and prognostic significance"

November 2002 **National State Exam for Professional Qualification**
University of Rome "Sapienza", Rome (Italy)

21/11/2006 **Medical Specialty**
University of Rome "Sapienza", Department of Internal Medicine and Medical Specialties, Policlinico Umberto I Rome (Italy)
Specialization in Medical Hydrology (Thermal Medicine since 2015), mark 70/70 with honors after discussing the experimental thesis "An evaluation method of stress: possibility of application in the thermal matter". During specialization I was awarded a scholarship in Medical Hydrology (Thermal Medicine).

29/03/2008 **University Master post-lauream (2nd level)**
University of Rome "Sapienza", Department of Surgery, Policlinico Umberto I Rome (Italy)
Master post-lauream (2nd level) in "Emergency Medicine", mark 110/110, after discussing the thesis "Emergency in the toraco-abdominal aneurysm from first-aid to surgery lounge"

28/11/2011 **Doctor of Philosophy**
University of Rome "Sapienza", Department of Anatomy Rome (Italy)
PH. D. in Experimental and Clinic Hepatology (3-year course)

From March 2012 to October 2013 **University "High Formation" Course Award**
University of Rome "Sapienza", Rome (Italy)
Research Enhancement and Development RED, Physics Department

01/10/2013-30/06/2014 **Postdoctoral Researcher**
"University of Trieste, Trieste (Italy)
"POR FESR Fellowship 2013/2014 Foundation Liver Italian, Department of Liver Center Study Cattinara Teaching Hospital.
AREA Science Park Basovizza
Piattaforma per la Medicina Molecolare e Personalizzata "D.Namica", POR FESR 2007-2013
"Studio dei fattori di sviluppo di carcinomi del fegato e follow-up dei soggetti con malattia di fegato afferenti alla Clinica Patologie Fegato (Liver Center Study) "Cattinara Teaching Hospital Trieste".

15/11/2013–15/05/2014 **Research Collaboration Contract**
University of Rome "Sapienza", Department of Internal Medicine and Medical Specialties, Rome (Italy), Policlinico Umberto I Teaching Hospital.

"The Hydropinotherapy in some diseases of the biliary tract – A study on the efficacy of the therapy with a sulphateb carbonate mineral water"

Postdoctoral researcher

University of Florence , Florence (Italy)

MaSVE-CRIA Center for Systemic Manifestations of Hepatitis Viruses - Interdepartmental Research and Innovation Center, S.O.D Internal Medicine and Hepatology, Department of Experimental and Clinical Medicine - Careggi Teaching Hospital - University of Florence Italy, Firenze (Italy)

15/10/2014-15/04/2015

Research scholarship

"Evaluation of the efficacy and security of the therapy with Tenofovir in preventing the progression of fibrosis and hepatocellular carcinoma in patients with chronic hepatitis B, HBeAg neg and significant fibrosis hepatitis (score Ishak> 3) and the validity of certain virological and clinical markers in predicting the progression".

01/02/2015-31/01/2018

Research scholarship

"Counselling dietary and nutrition in liver disease patient and/or with extra hepatic manifestation".

Grantee Researcher Fellow

"Quality of live in patients with HCV- related mixed cryoglobulinaemia with DAAs regimens: analysis of patients-reported outcomes and cytokines with central effect".

01/03/2018-28/02/2019

01/03/2019-29/02/2020

01/03/2020-28/02/2021

01/03/2021-31/10/2021

01/11/2021-31/10/2024

Specialisation scholarship to Pharmacology and Clinical Toxicology, Department of Physiology and Pharmacology Vittorio Erspamer, University of Rome "Sapienza" Rome (Italy).

Training Course Award

University of Florence, Florence (Italy)

Projection of a winning proposal in Horizon 2020 I and II Level

20/6/2018-22/06/2018

28/10/2018

Interactive Course " Approach to patients with anemia in First Aid " SIMI Rome

14/12/2018-15/12/2018

Interactive Course "Unmet needs in hepatology and gastroenterology" AISF-SIGE Rome

10/02/2020-18/02/2020

Projection of a Winning Proposal in Horizon 2020 III Level

21/10/2021
Urgenze in Medicina

Interactive Virtual Course SIMI 122 Internal Medicine National Congress "Gestione delle Interna"

15/12/2021

Interactive Virtual Course SIMI 122 Internal Medicine National Congress "La Carezza di

30/06/2022

Ferro nel Paziente Internistico Complesso e Fragile"
BLSD-BASIC LIFE SUPPORT & DEFIBRILLATION- Adulto e Pediatrico codice 4484

WORK EXPERIENCE

December 1999 - January 2000

Residency

UTIC, "Renzetti" Hospital, Lanciano (Italy)

February 2000 –
November 2000

Residency

Internal Medicine Ward, Department of Medical Therapy of the Medicine Faculty, Rome, University "Sapienza"

December 2000 - January 2001	Residency Ward of Internal Medicine of "Renzetti" Hospital, Lanciano (Italy)
2013 February 2001 – May	Residency Internal Medicine Ward, Department of Medical Therapy of the Medicine Faculty, University of Rome "Sapienza", Rome (Italy)
2013 June 2013 – August	Residency San Camillo Forlanini Hospital, Rome (Italy) Diabetology Ward “ San Camillo Forlanini (before Carlo Forlanini) Hospital”, Rome Italy “Applicazione del BIA nel follow-up del paziente diabetico e nella sindrome metabolica”.
September 2013	Residency University of Rome “Sapienza”, Rome (Italy) Internal Medicine Ward, Department of Medical Therapy of the Medicine Faculty, University of Rome "Sapienza", Rome (Italy)
November 2021- Present	Residency CAV Department Emergency,Acceptance,Critical Area and Trauma, Emergency Toxicology, Department of Physiology and Pharmacology “ Vittorio Erspamer”
April 2022- Present	Residency ARES 118 Central Listening Medical Service
2005–Present	Family Medicine Public Health Office and General Medicine Rome (Italy) Working as a substitute in General Medicine and in Public Health Offices for Preventative Medicine and Social Medicine
2009–2014	Emergency Department Policlinico Umberto I Teaching Hospital “ Sapienza University of Rome”, Rome (Italy) Substitute in Emergency Medical Care Doctor
2010–2013	Research Assistant and Medical Doctor Policlinico Umberto I Teaching Hospital “Sapienza” University of Rome, Rome (Italy) Department of Internal Medicine E, Thermal Medicine, Medical Therapy, Policlinico Umberto I “Sapienza”, University of Rome, Roma (Italy)
15/11/2013–15/05/2014	Research Collaboration Contract University of Rome “Sapienza”, Department of Internal Medicine and Medical Specialities,Policlinico umberto I Rome (Italy) "The Hydropinotherapy in some diseases of the biliary tract – A study on the efficacy of the therapy with a sulphatebicarbonate mineral water"
2013–2014	Research Assistant and Medical Doctor Cattinara Teaching Hospital University of Trieste, Trieste (Italy) Department of Internal Medicine,Liver Study Center, Cattinara Hospital, Trieste University, Trieste (Italy)
2014–2021	Research Assistant and Medical Doctor Careggi Teaching Hospital University of Florence, Florence (Italy) Department of Clinical and Experimental Medicine, S.O.D Internal Medicine and Hepatology - Careggi Hospital at University of Florence, Firenze (Italy)
2014–Present	Research Assistant and Medical Doctor

ASUGI (University Health Authority Giuliano Isontina), Trieste (Italy)
USL Tuscany Center, Firenze (Italy)

2021- September-October

Collaboration Contract Medical Doctor
Supervisor Vaccinations SARS-COV-2 (COVID-19) to Public Pharmacy Florence (Italy)

2012-2021 **Clinical Trial**

I declare that I have 5 years experience in participating in Clinical Trials, according to JCP.

Subinvestigator Endurance M15 - 464

Subinvestigator Topaz M14 – 423

Subinvestigator Mars Study P16-919

PERSONAL SKILLS

Mother tongue(s)

Italian

Other language (s) : English Listening Reading Spoken interaction Spoken production
German Reading Spoken interaction

Job-related skills

Clinical and research activity, especially focused on the diseases of the liver and hepatic comorbidities in particular mixed cryoglobulinemia and treatment with anti-CD20 monoclonal antibodies (RTX and biosimilar Mabthera)

the biliary tract and metabolic diseases.

ADDITIONAL INFORMATION

Publications

- Gastrointestinal Stromal Tumors: a hardly diagnosed case causing severe anemia. Lucchetta M.C, Liberati G, **Petraccia L**, Campanella J, Grassi M. DIGESTIVE DISEASES AND SCIENCES.50;815,2005 I.F. 2,889
- Influence of air pollution on chronic obstructive respiratory disease: comparison between city (Rome) and hill country environments and climates. Avino P, De Lisio GV, Grassi M, **Petraccia L**, Messina B, Vincenzi V. et al. ANNALI DI CHIMICA 94;629,2004 I.F. 7,475
- Water, mineral waters and health. **Petraccia L**, Liberati G, Masciullo SG, Grassi M, Fraioli A. CLINICAL NUTRITION 25;377,2006 I.F. 4,476

INTERN EMERG MED Volume 11 Supplement Pages S1-S235 First Prize Oral cumunications (Oct 2016) I.F. 2.340
- BAFF, BAFF promoter and BAFF receptor allelic variants in HCV-related Mixed

Cryoglobulinemia and Non Hodgkin's Lymphoma. L. Gragnani, E. Fognani, G. Cerretelli, A. Giovannelli, P. Caini, M. Monti, E. Gianni, **L. Petraccia**, M. Libra and A. L. Zignego. Winners of The Best Poster Presentation: Bologna 09-11 March 2017

- Sofosbuvir/Ribavirin treatment in patients with genotype 2, Hepatitis C virus infection and Symptomatic mixed cryoglobulinemia: an interim analysis on safety, efficacy and impact on quality of life. G Cerretelli, L. Gragnani, M. Monti, U. Arena, E. Fognani, **L. Petraccia**, E. Gianni, S. Sollima, G. Brancaccio, M. Galli, G. B. Gaeta, A. L. Zignego. The International Liver Congress 2017 Amsterdam The Netherlands 19-23 April 2017 Journal of Hepatology supplement n1 vol. 66 2017
- Effects of IFN-FREE treatment on the virological, clinical, immunological, and quality-of-life in patients with HCV-related mixed cryoglobulinemia: a prospective and controlled study. G. Cerretelli, L. Gragnani, S. Lorini, C. Steidl, **L. Petraccia**, S. Sadalla, M. Monti, P. Caini, A. Xheka, A. Simone, E. Carradori, U. Arena, A.L. Zignego. Masve Center, Experimental and clinical medicine, University of Florence, Florence, Italy. Oral Communication. 118 th National Congress SIMI Roma 27-29 October 2017.
- Effects of IFN-FREE treatment on the virological, clinical, immunological, and quality-of-life in patients with HCV-related mixed cryoglobulinemia: a prospective and controlled study. Laura Gragnani, Guia Cerretelli, Monica Monti, **Luisa Petraccia**, Sinan Sadalla, Carolina Steidl, Serena Lorini, Andrea Giovannelli, Adela Xheka, Patrizio Caini, Antonella Simone, Umberto Arena, Anna Linda Zignego; Masve Center, Experimental and Clinical Medicine, University of Florence, Florence, Italy. Oral communication. Conference: 68th Annual Meeting of the American-Association-for-the-Study-of-Liver-diseases (AASLD) / Liver Meeting OCT 20-24, 2017 Washington, DC Hepatology Vol: 66 pages: 623A-623A Supplement:1 Impact Factor 14.079
- Non-Invasive B-Cell Clonality Markers May Help in the Rational Approach to HCV Svr Cryoglobulinemic Patients with Persisting Manifestations. Serena Lorini, Laura Gragnani, Veronica Santarlaschi, Monica Monti, Umberto Basile, **Luisa Petraccia**, Francesco Madia, Silvia Marri, Lorenzo Martini, Eleonora Carradori, Adela Xheka, Patrizio Caini, Adriano Maria Pellicelli, Lorenzo Cosmi, Francesco Annunziato, Anna Linda Francesca Zignego and on behalf of the Special Interest Group on the Systemic Manifestations of hepatitis viruses of the Italian Association for the Study of Liver (AISF), Clinical and Experimental Medicine, University of Florence – Masve Center, Catholic University of the Sacret Heart, Central Hospital San Camillo Forlanini, Clinical and Experimental Medicine, University of Florence, Italy. Poster. Conference: Annual Meeting of the American-Association-for-the-Study-of-Liver-diseases (AASLD) / Liver Meeting NOV 09-13, 2018 San Francisco, CA. Hepatology Vol: 68 pages: 405A-405A Supplement: 1 Impact Factor 14.079
- Mixed cryoglobulinemia patients with persisting symptoms after SVR are characterized by B-cell clonality markers. S. Lorini, L. Gragnani, V. Santarlaschi, M. Monti, U. Basile, **L. Petraccia**, F. Madia, S. Marri, L. Martini, E. Carradori, A. Xheka, P. Caini, A.M. Pellicelli, L. Cosmi, F. Annunziato, A.L. Zignego, on behalf of the SpecialInterest Group on the Systemic manifestations of epatiti viruses of the Italian Association for the Study of the Liver (AISF) Annual Meeting 2019 Rome, February 21st-22nd, 2019. "Digestive and Liver Disease" Volume 51 Supplement 1 February 2019
- Short and long-term evaluation of liver fibrosis and outcomes in patients with chronic hepatitis C after INF-free antiviral treatment. Cristina Stasi, Sinan Sadalla, Eleonora Carradori, Monica Monti, **Luisa Petraccia**, Francesco Madia, Laura Gragnani, Anna Linda Zignego. Interdepartmental Hepatology Center MaSVE, University of Florence, Department of Experimental and Clinical Medicine, and Research and Innovation Center CRIA-MASVE, AOU Careggi, Florence, Italy. Journal of Hepatology 2019 vol. 70 | e141–e382
- Longitudinal Evaluation of Liver Fibrosis and Outcomes in patients with Chronic Hepatitis C Undergoing IFN-Free Antiviral Treatment. C. Stasi, S. Sadalla, E. Carradori, M. Monti, **L. Petraccia**, F. Madia, L. Gragnani, AL. Zignego. 2019 DOI: [https://doi.org/10.1016/S1590-8658\(19\)30357-3](https://doi.org/10.1016/S1590-8658(19)30357-3).
- GENETIC AND B-CELL CLONALITY MARKERS IN HCV-RELATED MC VASCULITIS PERSISTING AFTER DAA THERAPY. Gragnani, L (Gragnani, Laura); Lorini, S (Lorini, Serena); Santarlaschi, V (Santarlaschi, Veronica); Marri, S (Marri, Silvia); Basile, U (Basile, Umberto); Monti, M (Monti, Monica); **Petraccia, L** (Petraccia, Luisa); Stasi, C (Stasi, Cristina); Martini, L (Martini, Lorenzo); Madia, F (Madia, Francesco); Mudalal, MM (Mudalal, Mouheb Ma); Caini, P (Caini, Patrizio); Marello, N (Marello, Niccolo); Cosmi, L (Cosmi, Lorenzo); Annunziato, F (Annunziato, Francesco); Zignego, AL (Zignego, Anna Linda). Source: HEPATOLOGY Meeting Abstract: 119 Volume: 70 Pages: 79A-80A Supplement: 1 Published: OCT 2019
- Pilot Survey of the Prevalence of HBV and HCV in at Risk Populations due to Conditions of Socio-economic distress and geographical origin. Laura Gragnani, Monica Monti, Serena

Lorini, Francesco Madia, Silvia Marri, Niccolò Marelli, Luisa Petraccia, Cristina Stasi and Anna Linda Zignego. AASLD The Liver Meeting Digital Experience 2020. Hepatology Meeting Abstract.

- Pilot screening of HBV and HCV prevalence in at risk populations due to geographical origin and conditions of socio-economic distress. Lorini S, Gragnani L, Marri S, Madia F, Monti M, Stasi C, **Petraccia L**, Bamoshmoosh M, Zignego AL. Digestive and Liver Disease vol. 53, pag.S22-S23 Supp. Meeting Abstract. Feb. 2021.
- Covid-19 and cryoglobulinemic vasculitis, two-year survey study on the impact of pandemic and vaccination. Autoimmunity Rev. 2022 in press

Memberships

- Member of the Medical Association in Chieti since 2003
- Member of the Italian Society of Internal Medicine (SIMI) since 2005
- Member of the staff for "Multicentric Research" headed by Prof. Adriano Tocchi, Director of "Pietro Valdoni" General Surgery Department, University of Rome "Sapienza" 2008
- Member of the research staff for "Rheumatic diseases and thermal therapy", coordinated by Prof. Guido Valesini, Director of the Department of Internal Medicine and Medical Specialties, University of Rome "Sapienza" 2009
- Member of the staff for "Update on colangiocarcinoma in Italy" of AISF, director Prof. Domenico Alvaro of Clinical Medicine Department, University of Rome "Sapienza" 2009
- Member of the the Italian Association for the Study of the Liver (AISF) since 2010
- Member of the "Group of Italian Geriatric Oncology" (G.O.G.I.) 2010
- Member of the " Italian Society of Pharmacology " (SIF) since 2022

Teaching

- Integrated teaching of Internal Medicine at the School of Specialization in Physical Medicine and Rehabilitation, University of Rome "Sapienza", directed by Prof. W. Santilli from 2009 to 2014.
- Teaching Internal Medicine in the 2nd level Master "Thermal Medicine" University of Rome "Sapienza" directed by Prof. Antonio Fraioli 2011.
- Integrated teaching in Semeiotica Medica III anno Secondo Semestre, Facoltà di Medicina e Chirurgia La Sapienza Università di Roma. Titolare del Corso Prof.ssa Stefania Basili, from 01-03-2004 to 30-05-2004
- Integrated teaching of Internal Medicine e Medicina Termale, presso la Scuola di Specializzazione in Medicina Fisica e Riabilitativa, Direttore Prof. W. Santilli Università di Roma " Sapienza". from 02-02-2009 to 22-05-2014
- Integrated teaching in Semeiotica Medica III anno Secondo Semestre, Facoltà di Medicina e Chirurgia Università degli Studi di Trieste. Titolare del Corso Prof.ssa Lory Saveria Croce' from 11-03-2014 to 30-05-2014
- Integrated teaching of Internal Medicine Corso di Laurea Triennale in Tecniche di Laboratorio Biomedico Università degli Studi di Firenze, Titolare del Corso Prof. A.L. Zignego, from 11-03-2015 to 30-11-2020.
- Integrated teaching of Internal Medicine ed Endocrinologia, Corso di Laurea Triennale in Infermieristica, Università degli Studi di Firenze. Titolare del Corso Prof. A.L. Zignego from 19-09-2016 to 25-10-2021
- Integrated teaching of Internal Medicine , Corso di Laurea Triennale in Logopedia, Università degli Studi di Firenze. Titolare del Corso Prof. A.L. Zignego from 19-09-2016 to 19-10-2021
- Expert qualified, "Corso di Laurea Triennale per Tecnico di Laboratorio Biomedico" MED/09 Università degli Studi di Firenze. Titolare del Corso Prof. A.L. Zignego from 01 - 7-2019 to 31-3-2021

Conferences

Participated in 108 National and International Congresses and conferences

Speaker and Moderator Medical Conventions and Congresses

"Thermal therapy in gastroenterology" Meeting della Scuola di Specializzazione in Idrologia Medica: Nuove Prospettive di Ricerca in Ambito Termale, Rome 22 May 2004

"The role of thermalism in sport" Messina 6-7 December, Messina 2004

"Thermal therapy in urolithiasis" I Congresso Nazionale di Fitoterapia in Urologia e Andrologia, Castrocaro Terme (Forlì), 16-17 April 2004

"Fitoterapia e Patologia Prostatica" I Congresso Nazionale di Fitoterapia in Urologia e Andrologia Castrocaro Terme (Forlì), 16-17 April 2004

"Future perspectives on sarcoidosis" Meeting Dipartimentale del Dipartimento di Clinica e Terapia Medica Applicata Policlinico Umberto I, Rome 2005

"Update on the therapy of COPDS" Ferentino 2 July 2005

"Emergency case report" Rome 26 January 2008

"Water, mineral waters and health" Seoul (Korea) 2 March 2011

"Thermalism and anti-aging" Rome 6-7-8 May 2011

"Il Trattamento termale delle malattie reumatiche" Viterbo 29-30 June 2012

"Acqua Minerale di Sepino e implicazioni terapeutiche". Sepino (Isernia) 14 July 2012

"Un caso clinico di CM HCV con impegno renale" Gli antivirali di II seconda generazione nel trattamento dell'epatite da HCV: Focus sulla gestione del fallimento terapeutico. Casi clinici e discussione con l'esperto.
Pisa 27 Oct 2016

"La gestione del paziente con patologia extraepatica HCV-CORRELATA"
Florence 31 March 2017

"Effects of IFN-FREE treatment on the virological, clinical, immunological, and quality-of-life in patients with HCV-related mixed cryoglobulinemia: a prospective and controlled study" Comunicazione orale al 118° Congresso Nazionale SIMI.
Rome 29 Oct 2017

Progetto HEP-C La gestione della sindrome da HCV il ruolo centrale del medico di medicina generale".
Firenze 18 November 2017

"La Gestione del Paziente Con Malattia Extraepatica HCV-Correlata" Firenze 21 September 2018

" Digital Conference" Engage Veeva Workshop" 17 December 2020
