

Valerio Schiaroli

● PRESENTAZIONE

Curious and hardworking master's graduate in Management Engineering with a keen interest in seeking opportunities to acquire new knowledge and skills in a challenging and dynamic environment. Recently concluded doctoral research in Industrial and Management Engineering focused on sustainable consumer behavior within the fashion industry context. Eagerly intrigued by product innovation and circular economy solutions. Embracing sustainability fuels my passion as I strive to be a catalyst for positive global transformations.

● ISTRUZIONE E FORMAZIONE

01/11/2020 – 31/10/2023 Roma, Italia
