**LANGUAGE SKILLS**

English B1 | German A2 | Italian A2

**DRIVING LICENSE**

Categories: B, AM (since 2012)

## Experience

### Mapbox / Data Analysis

12/01/2024 – to Present

- Leading projects to monitor speed cameras data around the world. Visualizing on speed camera coverage for each country and creating a score for vendor data.
- Analyzing internal navigation and making comparisons with competitors.

### Lyft / Data Analysis, Data Curation

08/08/2021 – 10/15/2024 [3 years 2 months]

- Created and supported reports and dashboards covering aspects of the curation and anti-fraud processes (SQL, HTML, Python).
- Developed terms and policies for new projects.
- Detected typical mistakes/patterns during the curation process and identified technical issues causing them.
- Worked with maps, search, and navigation data.
- Launching new projects from scratch (stakeholder discussions, curating a pilot group, analyzing results).

### DPD Belarus / Logistics Specialist

05/04/2020 – 01/08/2021 [1 year 3 months]

- Optimized transportation processes.
- Analyzed the efficiency and cost of the logistics operations.

### Rising R Group / Specialist of International Transportation

12/08/2018 – 02/04/2020 [1 year 8 months]

- Organized warehouse logistics.
- Introduced multimodal transport solutions.

### OAO Viteskoblavtotrans / Road Safety Engineer

02/08/2015 – 07/08/2018 [3 years]

- Analyzed road accidents.
- Evaluated drivers' professional suitability.

---

**Education**

**Belarusian State University of Transport**

**Master Degree**

31/08/2010 – 31/12/2016

Field(s) of study: Road Traffic Engineering, Intelligent Technologies  
in Management of Technical Systems

**Erasmus Internship**

The Centre for Transportation of University of Rome "Sapienza". As  
part of the TEMPUS project for Master Degree in Road Safety.
