## SKILLS

Acquisition of AIFIRM certification following the completion of the Risk Management for Banks exam Prof.ssa Pasqualina Porretta.

Ability to express myself clearly, directly, and simply: skill developed through interactions with students during tutoring sessions.

Aptitude for teamwork and collaboration.

Adherence to deadlines and preference for organization.

Strong writing skills: during my studies, I have had the opportunity to draft various reports following projects and group assignments.

## ABOUT ME

I have a passion for immersing myself in books, exploring new destinations and experiencing cultures and landscapes, engaging in stimulating logic games, and indulging in creative construction projects.

I find great enjoyment and mental challenge in solving logic puzzles and games, particularly Sudoku and various numerical and mathematical puzzles.

Additionally, for 13 years, I have been playing the saxophone in the wind orchestra of Fiuggi, and since 2020, I have been participating in the activities of the MuSa Jazz Orchestra at the university.

## CONFERENCES

II PhD Conference in Social and Economic Sciences - Rome, 2024, September, 2-3 (Organizing Committee)

ESI - Decision-making under uncertainty for commodities and financial markets - Ischia, 2024, September, 15-25

## ACADEMIC TRAINING ACTIVITY

Participation in the FOReSIGHT project in collaboration with ASE University of Bucharest, as part of the Excellence Program.

Project Title: "Maintenance at the Edge"

Topic: automation of quality control for an Italian pasta manufacturing company.
