

Lidia Marino (she/her)

Updated August 8, 2025

Education

La Sapienza Università di Roma

Rome, Italy

Master in theoretical physics.

01/2023 – 07/2025

Master thesis at Heidelberg University on modified gravity.

I have done an Erasmus of one year at Heidelberg University.

La Sapienza Università di Roma

Rome, Italy

Bachelor in Physics.

09/2019 – 01/2023

Bachelor thesis on the Ising model simulation.

Liceo Classico Ginnasio Augusto

Rome, Italy

High school diploma in classical studies.

09/2014 – 07/2019

Work experience

Tutoring for La Sapienza

02/2025-05/2025

Online tutoring for middle school students, through a contest won in La Sapienza.

Private tutoring

2020 - present

Teaching of math, physics and natural science to several students, usually of high school. It also happened that I gave classes to university students in subjects such as optics and general relativity; or calculus I and physics I to non-physics students.

Classes are usually given to a single student or to small groups.

Skills

Programming

Proficient in: C, Python, Julia, Latex.

Familiar with: C++, Mathematica.

Languages

Italian (native speaker); English (fluent); Spanish (fluent); German (beginner, A2 level).
